MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Overview of the Economy:

India has emerged as the fastest growing major economy in the world as per the Central Statistics Organisation (CSO) and International Monetary Fund (IMF) and it is expected to be one of the top three economic powers of the world over the next 10-15 years, backed by its strong democracy and partnerships. However, recently, Indian economic growth slowed down to 4.2% in FY 2019-20 from 6.1% in FY2018-19 majorly on account of weak domestic consumption, subdued investment, extended monsoons and COVID - 19 impact in Q4 FY 2019-20. This is the lowest growth rate recorded in last 11 years. In the final quarter of the year, Jan 2020 to March 2020, the GDP fell to 3.1% reflecting impact of COVID - 19 and lockdown since March 25, 2020.

2. Industry Structure and developments:

It has been witnessed that Steel & Wire Manufacturing Industry is growing very fast. The demand of wires is expected to increase in leaps and bounds in the years to come. Steel Wire Rope industry in India has prospered owing to growth in infrastructure activities and demand in industrial sector. This growth was witnessed majorly due to government initiatives such as Pradhan Mantri Awas Yojana, Atal Mission for Rejuvenation and Urban Transformation (AMRUT), Smart Cities Mission, Delhi Mumbai Industrial Corridor (DMIC) and others. The primary growth drivers for steel wire ropes in India have been infrastructure development, increased industrial activity, enhanced emphasis on shipping and port sector along with growth in the mining industry. The resurgence in the Oil and Gas industry is expected to increase the number of oil rigs which will further add impetus to the growth of steel wire rope industry.

3. Our Business:

Wire ropes are a value-added product, formed from wire rods, which falls in the long steel category of steel products. Over the years, with significant improvement in the strength of steel wire ropes manufactured, the usage of these steel wire ropes has significantly increased in various diverse applications.

Wire rope consists of several strands of metal wire laid (twisted) into a helix. The term “cable” is often used interchangeably with “wire rope”. Bharat Wire Ropes Limited (“the Company”) is a leading steel wire rope manufacturing company established in the year 1986.

The Company has a diverse product mix which includes General Purpose Ropes, Fishing Ropes, Crane Ropes, Structural Ropes, Elevator Ropes, Mining Ropes, Oil & Gas Ropes & Shipping Ropes. In addition to the above Mechanically Spliced Slings, Hand Spliced Slings, Earth Wires, Stay Wires, Guy Wires and Spiral Strands. The Company caters to a rich mix of clients ranging from Overseas Consumers, Private Players, the entire Indian Defense Segment and Government and Semi-Government

Organizations. Providing service to a variety of clients has helped the company develop versatility which makes it better equipped to handle diverse / heterogeneous kinds of enquiries.

Bharat Wire Ropes has a well-diversified customer base from different industries including oil & gas, mining, fishing, ports & marine, elevator, power transmission, railways, construction, infrastructure, defense, crane manufacturers, among others.

4. Segment-wise or Product-wise performance:

The Company believes that its ability to cater a wider customer base on account of its diversified product offering has enabled the Company to provide customization options to its valued customers. To further strengthen the Company’s product mix, the efforts have been made to focus on niche sectors for providing wire ropes such as non-rotating ropes, suspension bridge ropes. The Company believes that its ability to provide a mix of high-value niche products along with being active in the volume segments has helped in balancing the Company’s revenues.

5. Business Strategy:

I. Expansion of Company’s presence in the domestic markets:

The Company is undertaking various marketing activities to expand and enhance its presence in the existing business segments by identifying markets where it can provide cost effective, technically advanced products to its clients. The Company envisage to have close contacts with major end-users to provide greater client-interfacing. Further, the Company has successfully been awarded and it has certified product approvals/registrations from BIS for steel wire ropes and strands etc., and with major engineering consultants and equipment suppliers.

II. Focus on development of international markets for the Company’s Products:

The Company’s products are being supplied to European and Scandinavian Countries, South African, African and the Middle Eastern markets, South East Asia and USA. With continued thrust to expand the company is developing Latin American market.

III. Strengthening of product portfolio and developing capabilities to manufacture a wider range of products:

The company has strengthen the product portfolio by developing capabilities to manufacture a wider range of products. To provide quality product at reasonable prices has always been the ultimate aim of the Company. The Company manufacture all wires at its new plant in Chalisgaon, thereby eliminating the dependency on the limited types

of wires available in the market and enabling the Company to manufacture and offer an increased range of wire rope products, including but not limited to marketing high performance crane ropes for ports, large diameter spiral strands for structures and bridges, elevator ropes, high performance mining ropes, long-life-cycle fishing ropes, onshore and offshore ropes, swaged ropes and special ropes for construction sector.

IV. Meeting Quality Standards and developing customer focus:

Providing quality products at reasonable price has always been the ultimate aim of the Company. The Company has in place the strategy which supports Total Quality Management. Company's technically qualified persons are determined to achieve the objective of zero defects and minimal rejection. The Company has testing facilities to ensure that all our products are thoroughly tested prior to dispatch from our factory so that grievances can be minimized.

Chalisgaon Plant:

Company has been accredited with ISO 9001, ISO 14001 and OHSAS 18001 certifications by TUV SUD South Asia Private Limited.

Company has achieved a major milestone by getting the approval of LLOYDS Register for the plant at Chalisgaon and approvals from Bureau of Indian Standards to put ISI mark on the products confirming to IS: 2266, IS: 2365, IS: 4521, IS: 1835 & IS: 4454 part 1. It has also received approval from Powergrid Corporation of India Limited for manufacturing 7 strand G S Earth-wire." Company also has CE Certification for Chalisgaon Plant.

Atgaon Plant:

Company has been accredited with ISO 9001 certification by TUV SUD South Asia Private Limited for our Atgaon plant. Plant is approved by Central Organization Railway Electrification (CORE) for Stranded Galvanized Steel Anti-creep wire (19/2.50 mm) and also approved by Research Designs & Standards Organization (RDSO) for 8.65 mm Stainless Steel Wire Rope & 5.5 mm Stainless Steel Wire Rope for different Regulating Equipment's and Galvanized Stranded Wire for Traction Bond.

Plant has received approvals from Bureau of Indian Standards to put ISI mark on the products confirming to IS: 2266, IS: 9282 & IS: 12776. It has also received Approval from Powergrid for manufacturing 7 strands & 19 Strands G S Earth-wire."

Atgaon Plant has received Works Approval Certificate from Indian Register of Shipping for Manufacturer of Steel Wire Ropes for Life Boat Fall used on ships.

6. Opportunities and Threats

Government's initiative of expanding infrastructure under various schemes, such as Housing for All, AMRUT, will increase the demand for wire ropes in future. Increasing urbanization in India and growth of nuclear families has led to increase in residential development. This has further increased housing requirements, which will drive the demand for wire ropes.

Rise in mining and quarrying sector will also augment the steel wire ropes in market in India.

The market for steel wire rope is at a matured stage, with a limited number of players dominating the market. Steel Wire ropes are used dynamically for lifting and hosting in applications, and for transmission of mechanical power. The primary drivers of wire rope market in future will be "Housing for all by 2022" project. This will require a series of government projects to be launched which can provide impetus to the construction and allied industries and consequently to the steel wire rope market. It has been anticipated that steel wire ropes production will meet the domestic market demand owing to year-on-year increase in production capacities of the companies. "Smart Cities Mission" has planned to invest INR 1 Billion for each smart city. The aim of the mission is to improve living standards across major cities in India. The mission also aims at improving infrastructure facilities in urban areas in the country which will drive the demand of steel wire ropes in India.

The resurgence in the Oil and Gas industry is expected to increase the number of oil rigs which will further add impetus to the growth of steel wire rope industry.

International customers have shown inclination to divert focus from China to India for procurement of wire ropes in view of recent political differences.

However, high debt levels of manufacturers and actual implementation of infrastructure projects remain a concern for the industry.

FY 2020-21 has begun with the COVID - 19 pandemic and gradually spreading across most parts of the world. The nationwide lockdowns to break the chain of transmission brought economic activities to a near halt, affecting the demand in the month of March and April 2020. Situation has started improving from May onwards.

7. Risks and Concerns

Growth of the sector is depended on the enlargement of allied sectors. Forecasted plans and projections are subject to risk. Various kinds of risk associated with the development are Liquidity Risk, Market Risk and Operational Risk. Other dominant threats faced by the Company are in the form of competition it faces in the industry. In particular, the Company competes with other wire rope manufacturing companies, both in India and abroad, on the basis of a number of factors, including but not limited to quality, time of delivery and price.

Fluctuations in the price, availability and quality of raw materials used in our manufacturing process could have a material adverse effect on cost of sales or the Company’s ability to meet customer demands. There can be no assurance that the Company will always be successful in its efforts to protect the business from the volatility of the market price of raw materials, and the business can be affected by dramatic movements in prices of raw materials.

Risk is the vital factor of every business. The Company has in place a Risk management Committee which outlines the amount of risk involved in the business and various techniques for risk mitigation & Risk minimization. The Company believes that managing risks helps in maximizing returns. The Company’s approach for addressing business risks is comprehensive and includes identification of Risks, periodic review of such risks and measures to for mitigating such risks.

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing a significant disruption and slowdown of economic activity. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing and closures of non-essential services and the uncertainty associated with the lifting or re-imposition of these restrictions, have further aggravated the business environment. As a result, the IMF expects the global economy to contract sharply by 3% in CY 2020, in a baseline scenario, which assumes that the pandemic fades in the second half of CY 2020 and containment efforts can be gradually unwound. The IMF expects the global economy to grow by 5.8 percent in CY 2021 as economic activity normalises, helped by policy support by way of fiscal and monetary stimulus

Key Risks	Impact on the Company	Mitigation
A Slowdown in Economic Growth	Economic factors like increase in rate of inflation, scarcity of credit, increases in commodity and energy prices other factors such as political or regulatory action, including adverse changes in liberalization policies, business corruption, social disturbances, terrorist attacks and other acts of violence or war, natural calamities may impede Company’s growth and expansion plans. Company’s operations and financial condition may be adversely affected by, conditions in financial markets in the global economy.	To constantly review the changes in economic conditions and plan to mitigate the same.
Changes in Technology	Inability to keep pace with the rapidly changing Technological Environment adversely affect the Company’s ability to compete efficiently, reduce competitiveness, ability to develop new products and the consequential quality of Company’s products, and could also adversely affect sales and profitability.	To anticipate and respond on a timely basis and economical basis to technological advances in the sector which Company operates. Preventive maintenance activities will only be productive. Company needs to establish a process for monitoring lifecycle stages of equipment.
Supply of Raw Material	Disruption of supply of raw materials from our suppliers will adversely affect Company’s operations and ability to deliver products on a timely basis.	To enter into an understanding with the suppliers in respect of long term supply of raw material. Monitor price movement regularly and keep inventories of 2-3months
Fluctuation in Cost of raw Material	The prices of Raw Material are subject to price fluctuation which may affect the Profitability and reduce supply leading to increase in supply costs due to which financial performance may be materially and adversely affected.	Timely anticipation of fluctuation in supply cost. Adapt to changing supply cost and adjusting purchasing practices accordingly to be able to negotiate favorable pricing terms with suppliers for such raw material.
Industrial Actions	The Company is exposed to strikes, work stoppages or increased wage demands by the employees or any other kind of disputes with employees of the Company could adversely affect its business and results of operations.	Be Proactive in addressing disputes & grievances. Address the issue as soon as the employee raise them.
Maintenance of adequate health and safety standards	Company is subject to the risk of industrial accidents which could have significant adverse consequences for Company’s workers and facilities, as well as the environment. Such incidents could lead to production stoppages, the loss of key assets, or put at risk employees (including those of sub-contractors and suppliers) or persons living near the affected site. In addition, such incidents could damage Company’s reputation, leading to the rejection of products by customers, These events could have a material adverse effect on the Company’s revenues, results of operations, profitability and cash flows and diversion of management time into rebuilding and restoring its reputation.	Prevent worker contact with all rotating or moving machinery by using guards, enclosures, or guarding devices between the worker and the machine. Implement a lockout procedure. This will ensure that power to equipment is completely disconnected and cannot be reconnected while someone is working on the equipment.

8. Internal Control System and their adequacy:

Company has in place robust Internal Control system to maximize the effectiveness and efficiency by including activities that are tailored to the nature, size and complexity of the entity. The Company follows proper hierarchy for reporting of routine activities. Direct access to the senior Management is available in extreme cases. The Company has framed whistle blower policy to report concerned areas to the Management.

Management is responsible for establishing and maintaining internal financial controls. The Company has adequate Internal Control system with reference to financial statements and to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition. I. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE:

Effective corporate governance is the basis for decision-making and control processes and comprises responsible, value based management and monitoring focused on long-term success, goal-orientation and respect for the interests of our stakeholders. It provides the framework for attaining a company's objectives while balancing the interests of all its stakeholders.

Your Company is dedicated to conduct its business consistently with the highest standards of business ethics and values. We have an obligation towards our stakeholders including shareholders, employees, customers, suppliers and communities to be honest, fair and forthright in our business activities.

The Company's governance framework is based on the following principles:

- Appropriate composition and size of the Board, with all the Members bringing in expertise in their respective domains;
- Availability of information to the Members of the Board and Board Committees to enable them to discharge their fiduciary duties;
- Timely disclosure of material, operational and financial information to the Stakeholders;
- Proper business conduct by the Board, Senior Management and employees.

II. THE BOARD OF DIRECTORS:

The Company recognizes and embraces the importance of a diverse Board in its success and it believes that a truly diverse Board would leverage differences in thought, perspective, knowledge, skill and industry experience, which will enrich Board discussions and enable effective decision making. Your Company actively seeks to adopt best practices for an effective functioning of the Board and believes in having a truly diverse Board whose wisdom and strength can be leveraged for earning higher returns for its shareholders and better Corporate Governance. Therefore, the Board is an ideal mix of Knowledge, perspective, professionalism, divergent thinking and experience.

In line with the applicable provisions of the Act and the SEBI Regulations, your Company's Board has an optimum combination of Executive and Non-Executive Directors with more than half of the Board comprising Independent Directors. The Board effectively separates the functions of governance and management and balances deliverables.

Skills / Expertise / Core Competencies of the Board

The Board of the Company is structured having requisite level of education/qualifications, professional background, sector expertise, special skills, nationality and geography. CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members of
Bharat Wire Ropes Limited

We have examined the compliance of conditions of Corporate Governance by Bharat Wire Ropes Limited for the year ended March 31, 2020 as stipulated in Regulations 17, 18, 19, 20, 21, 22, 23, 24, 24A, 25, 26, 27 and clauses (b) to (i) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) (collectively referred to as “SEBI Listing Regulations, 2015”).

The compliance of conditions of Corporate Governance is the responsibility of the Company’s management. Our examination was carried out in accordance with the Guidance Note on Certification of Corporate Governance, issued by the Institute of Chartered Accountants of India and was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. INDEPENDENT AUDITORS' REPORT

To the Members of **BHARAT WIRE ROPES LIMITED**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **BHARAT WIRE ROPES LIMITED**, ("the Company") which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

We draw attention to Note no. 42 of the financial statements pertaining to application for restructuring of overdue term loans. Our report is not modified in respect of this matter.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

- intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements.

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with Ind AS specified under Section 133 of the Act, read with relevant rule issued there under.
 - e. On the basis of written representations received from the Directors as on March 31, 2020, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020, from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of Internal financial controls over financial reporting of the company and the operating effectiveness of such control, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial control over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with requirement of section 197(16) of the Act, as amended:
 - i. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Company.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **BHARAT WIRE ROPES LIMITED** ("the Company") as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls,

material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Significant Accounting Policies and Notes Forming Part of Accounts for the year ended 31st March, 2020

1 GENERAL INFORMATION :

Bharat Wire Ropes Limited (herein referred to as “BWRL” or “the Company”) is engaged in the business of production of Wire, Wire Ropes, Strands, and Slings.

The Company is Public Limited Company which is listed on National Stock Exchange (NSE) and Bombay Stock Exchange (BSE) and is incorporated and domiciled in India. The Address of the Registered Office is Plot No. 4, MIDC, Chalisgaon Industrial Area, Village –Khadki, Taluka – Chalisgaon, Jalgaon – 424 101, Maharashtra, India.

The financial statements were approved for issue by the Board of Directors on July 16, 2020.

2 BASIS OF PREPARATION OF FINANCIAL STATEMENTS :

a) Basis of preparation and Compliance with Ind AS

- (i) The financial statements of the Company comply with and have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and the relevant provisions of the Companies Act, 2013 (“the Act”).
- (ii) The financial statements of the Company comply in all material aspects with Indian Accounting Standards (‘Ind AS’) notified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 (as amended).
- (iii) For financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:
 - Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
 - Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

- Level 3 inputs are unobservable inputs for the asset or liability.

b) Basis of measurement

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including derivative financial instruments which have been measured at fair value and defined benefit plans which have been measured at actuarial valuation as required by relevant Ind AS.

c) Functional and presentation currency and rounding off

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company’s functional currency. All financial information presented in Rupees has been rounded to the nearest lakhs.

2A SIGNIFICANT ACCOUNTING POLICIES :

The Company has applied the following accounting policies to all periods presented in the Ind AS financial statements.

a) Revenue recognition

Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties including taxes. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Effective April 1, 2018, the Company adopted Ind AS 115 “Revenue from Contracts with Customers” using the cumulative catch-up transition method, applied to contracts that were not completed as of April 1, 2018. In accordance with the cumulative catch-up transition method, the comparatives have not been retrospectively adjusted. The effect on adoption of Ind AS 115 was insignificant.

The specific recognition criteria described below must also be met before revenue is recognised:

Sale of goods

Revenue from the sale of goods is recognised when all significant risks and rewards of ownership of the goods have passed to the buyer, which generally coincides with delivery. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of

returns and allowances, trade discounts and volume rebates. Export Sales are accounted for on the basis of date of bill of lading. Gross Sales include excise duty, adjustments for price variation, quality claims, liquidated damages and exchange rate variations related to export realization. Export Benefits is accounted on accrual basis.

Rendering of Services

Revenue from sale of services is recognised upon the rendering of services and is recognised net of GST.

Interest income

Interest income is included in other income in the statement of profit and loss. Interest income is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate when there is a reasonable certainty as to realisation.

b) Property, plant and equipment

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, attributable borrowing cost and any other directly attributable costs of bringing an asset to working condition and location for its intended use.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed and overhaul cost is incurred, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss, when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(i) Capital work in progress

Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised when the asset is available for use but incapable of operating at normal levels until the period of commissioning has been completed. Revenue generated from production during the trial period is credited to capital work in progress.

(ii) Depreciation

Assets in the course of development or construction and freehold land are not depreciated.

Other property, plant and equipment are stated at cost less accumulated depreciation and any provision for impairment. Depreciation commences when the assets are ready for their intended use.

Depreciation is calculated on the depreciable amount, which is the cost of an asset less its residual value.

Pursuant to the enactment of the Companies Act, 2013 ("the Act") and its applicability for accounting periods commencing from April 1, 2014 the company has, wherever required reassessed the useful life of its fixed assets and has computed depreciation with reference to the useful life of the assets as recommended in schedule II of the Act. However as per the valuation report dated 20th January 2015 in case of Atgaon plant Assets & as per the valuation report dated 5th May 2017 & 14th May 2018 in case of Chalisgaon Plant Assets, both certified by Chartered Engineer useful life of the some of the assets have been assessed as ranging between 25 and 60 years which is different than the life prescribed under schedule II of the Act and depreciation is computed accordingly.

Depreciation on tangible fixed assets has been provided on the straight-line method as per

the useful life prescribed in Schedule II to the Companies Act, 2013, except for Tangible Assets for which certificate of the useful life is taken from the competent person in that field.

Individual items of assets costing upto Rs. 5,000 are fully depreciated in the year of acquisition.

Leasehold improvements are depreciated over the unexpired period of respective leases or useful life whichever is shorter.

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Major inspection and overhaul costs are depreciated over the estimated life of the economic benefit derived from such cost. The carrying amount of the remaining previous overhaul cost is charged to the statement of profit and loss if the next overhaul is undertaken earlier than the previously estimated life of the economic benefit.

When significant spare parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

c) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

The Company has intangible assets with finite useful lives.

Intangible assets (computer software) are amortised on straight-line method at the rates determined based on estimated useful lives of 10 years.

d) Foreign currencies

In the financial statements of the Company, transactions in currencies other than the functional currency are translated into the functional currency at the exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in other currencies are translated into the functional currency at exchange rates prevailing on the reporting date. Non-monetary assets and liabilities denominated in other currencies and measured at historical cost

or fair value are translated at the exchange rates prevailing on the dates on which such values were determined.

The Company has applied paragraph 46A of AS 11 under Indian GAAP. Ind AS 101 gives an option, which has been exercised by the Company, whereby a first time adopter can continue its Indian GAAP policy for accounting for exchange differences arising from translation of long-term foreign currency monetary items recognised in the Indian GAAP financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period. Hence, foreign exchange gain/loss on long-term foreign currency monetary items recognized upto 31st March, 2017 has been capitalized. Such exchange differences arising on translation/settlement of long-term foreign currency monetary items and pertaining to the acquisition of a depreciable asset are amortised over the remaining useful lives of the assets.

From accounting period commencing on or after April 1, 2017, exchange differences arising on translation/settlement of long-term foreign currency monetary items, acquired post April 1, 2017, pertaining to the acquisition of a depreciable asset are charged to the statement of profit and loss. A long-term foreign currency monetary item is an item having a term of 12 months or more at the date of its origination. –

e) Government grants

Government grants are credited to profit & loss account on an accrual basis.

f) Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside the statement of profit and loss is recognised either in other comprehensive income or in equity. Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised either in other comprehensive income or in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

g) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they

occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

h) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

For arrangements entered into prior to 1 April 2016, the Company has determined whether the arrangement contains lease on the basis of facts and circumstances existing on the date of transition.

Company as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on the borrowing costs.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

i) Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- Raw materials and packing materials, Stores and spares parts and loose tools: These are valued at lower of cost and net realisable value. However, material and other items held for use in production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- Finished goods and work in progress: These are valued at lower of cost and net realisable value. Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity. Cost is determined on weighted average basis.
- Stock-in-trade: These are valued at lower of cost and net realisable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- Scrap: These are valued at net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Obsolete inventories are identified and written down to net realisable value. Slow moving and defective inventories are identified and provided to net realisable value.

j) Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss.

An assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company with the help of the valuer estimates the asset's or CGU's recoverable amount.

A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss.

k) Provisions, contingent liabilities and contingent assets

Provisions represent liabilities for which the amount or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in the statement of profit and loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that

is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable.

l) Employee benefit schemes

(i) Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, performance incentives and compensated absences which are expected to occur in next twelve months. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognised as an expense as the related service is rendered by employees.

(ii) Post-employment benefits

Defined contribution plan

Post employment and other long-term benefits are recognized as an expense in the statement of Profit and Loss of the year in which the employees has rendered services. The Expense is recognized at the present value of the amount payable determined using actuarial valuation technique. Actual gain and losses in respect of post employment and other long term benefits are recognized in the statement of Profit and loss.

Payments to defined contribution retirement benefits schemes are charged as expenses as and when they fall due.

m) Financial instrument

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are initially measured at fair value. Transaction costs that are attributable to the acquisition of the financial assets (other than

financial assets at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset. The transaction costs directly attributable to the acquisition of financial assets at fair value through

profit and loss are immediately recognised in the statement of profit and loss. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sale the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories as below:

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. This category generally applies to trade and other receivables.

Debt instrument at Fair Value through Other Comprehensive Income

A 'debt instrument' is classified as at the FVOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVOCI category are measured initially as well as at each reporting date at fair value. Fair value movements

are recognized in other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses and reversals and foreign exchange gain or loss in the statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognized in other comprehensive income is reclassified from equity to the statement of profit and loss. Interest earned whilst holding fair value through other comprehensive income debt instrument is reported as interest income using the EIR method.

Debt instrument at Fair Value through Profit and Loss

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as ‘accounting mismatch’). The Company has designated its investments in debt instruments as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised when the rights to receive cash flows from the asset have expired.

Impairment of financial assets

The Company follows ‘simplified approach’ as per Ind AS 109 where the company provides for losses based on lifetime Expected Credit losses at each reporting date right from initial recognition.

Financial liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through statement of profit and loss, loans and borrowings, payables or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of financial liabilities at amortised cost, net of directly attributable transaction costs.

The Company’s financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

Financial Liabilities at Fair Value through Profit and Loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to profit or loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Company has designated forward exchange contracts as at fair value through profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate (EIR) method. Gains and losses are recognised in statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial

liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the consolidated balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

n) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

o) Cash dividend distributions to equity holders

The Company recognises a liability to make cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

p) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss before OCI for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

q) Share-based payment arrangement

Equity-settled share-based payments to employees are measured at the fair value of the equity instruments/ option at the grant date.

The fair value determined at the grant date of the equity settled share-based payments is expensed on a straight line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in statement of profit and loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the share options outstanding reserve.

r) Segment Reporting - Identification of Segments

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by operating segments.

s) Current/Non current classification

An asset is considered as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle, or
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is considered as current when it is:

- Expected to be settled in normal operating cycle, or
- Due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

t) **Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

u) **Use of estimates and critical accounting judgements**

The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income,

expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

38 Financial Risk Management

The Company's activities expose it to credit risk, liquidity risk and market risk.

(I) Credit risk

“Credit risk is the risk that counter party will not meet its obligation under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities primarily trade receivables.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition.”

a) Trade receivables

Credit risk has been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally covered by letters of credit. The company uses a simplified approach as per Ind AS 109 and an impairment analysis is performed at each reporting date on an individual basis for significant clients.

NOTES FORMING PART OF BALANCE SHEET AS AT MARCH 31, 2020 AND STATEMENT OF PROFIT AND LOSS FOR THE YEAR ENDED MARCH 31, 2020

(All amounts are in rupees lakhs, unless otherwise stated)

(II) Liquidity risk

The Company filed an application on December 06, 2018 to the bankers requesting restructuring of Term Loans and Working Capital. This application for restructuring is pending for consideration by the Consortium. Till the time the restructuring plan is approved, the Company does not have any sources of funds infusion. The company has to manage its cash flows on a day to day basis to maintain operations that for the most of the year. The company is dependent upon timely receipt of sales proceeds and delays in sales realizations can severely impact the current level of operations.

Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

All non derivative financial liabilities and derivative financial instruments for which the contractual maturities are essential for an understanding of the timing of the cash flows.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not material.

(III) Market risk - foreign currency risk

The Company undertakes transactions denominated in foreign currencies, consequently, exposures to exchange rate fluctuations arise. Exchange rate exposures are managed utilising forward foreign exchange contracts.

The Company uses foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to certain firm commitments, highly probable forecast transactions and foreign currency required at the settlement date of certain receivables/payables.

RESOLVED FURTHER THAT the offer, issue and allotment of the aforesaid CCPS to the Proposed Allottees and the Equity Shares resulting from the exercise of the entitlement of the said CCPS, shall be subject to applicable guidelines, notifications, rules and regulations and on the terms and conditions given herein below:

1. The ‘Reference Date’ for the purpose of determination of issue price of the Equity Shares arising on conversion of CCPS, shall be determined in accordance with the RBI Directions read with ICDR Regulations and other extant regulations and/or guidelines of the SEBI and the RBI (including relevant provisions relating to the applicable lock-in restriction pertaining to the Equity Shares);

a) In terms of RBI Directions, the following are the conversion terms:

The issue price of the equity shall be the lower of (i) or (ii) below:

i.a. The average of the weekly high and low of the volume weighted average price of the related equity shares quoted on the recognized stock exchange during the twenty- six weeks preceding the ‘reference date’ or

i.b. The average of the weekly high and low of the volume weighted average prices of the related equity shares quoted on a recognized stock exchange during the two weeks preceding the ‘reference date’, whichever is lower; and

ii. Book value: Book value per share to be calculated from the audited balance sheet as on March 31st of the immediate preceding financial year (without considering ‘revaluation reserves’, if any) adjusted for cash flows and financials post the earlier restructuring, if any. The balance sheet shall not be more than a year old. In case the audited balance sheet as on March 31st of the immediate preceding financial year is not available the total book value of the borrower company shall be reckoned at Re.1.

b) In the case of conversion of convertible securities into equities, the ‘reference date’ shall be the date on which the Lenders approve the conversion of the convertible securities into equities.

c) The price at which each Equity Shares will be issued and allotted to each Preference Shareholder on conversion, will be determined in accordance with aforesaid RBI Directions read with ICDR Regulation and other applicable law and other extant regulations and/or guidelines of the SEBI and the RBI.

2. The CCPS and the Equity Shares to be allotted pursuant to conversion of the CCPS shall be in dematerialised form and subject to lock-in as applicable under ICDR Regulations;

3. The payment consideration for the allotment of the CCPS shall be by appropriation of the outstanding loan/debt due to the Lenders, payable by the

Company under the unsustainable portion of the entire balance outstanding of the Company, in accordance with the terms of the BWRL RP; there is no upfront payment of consideration, as the loan/debt which is outstanding from the Company to the Lenders as the unsustainable portion of the entire balance outstanding of the Company as per BWRL RP shall have to be appropriated at the time of allotment of the CCPS;

4. Equity Shares allotted pursuant to conversion of the CCPS shall only be made in dematerialized form and shall, subject to receipt of necessary approvals, be listed and traded on the BSE Limited and National Stock Exchange of India Limited.
5. In pursuance of the Preferential Issue, as aforesaid, the CCPS to be allotted to the Proposed Allottees shall remain locked-in for such period as specified under the ICDR Regulations.
6. The terms of the CCPS do not confer to the Proposed Allottees any rights similar to that of the equity shareholders of the Company unless converted into resultant Equity Shares;
7. In the event of any liquidation or winding up of the Company, CCPS holders shall be entitled to receive, in preference to the holders of the Equity Shares and any series of preferred stock in the Company, any accrued but unpaid dividends. Thereafter, the remaining assets shall be distributed to the holders of the Equity Shares and CCPS;
8. The CCPS holders shall be entitled to receive non-cumulative dividends in preference to any dividend on the Equity Shares and any series of preferred stock at the Coupon Rate (i.e. 0.01%) applied on the face value of the CCPS.
9. The CCPS shall carry voting rights in accordance with Companies Act 2013. However, all equity shares issued upon conversion will have same voting rights as other Equity Shares of the Company;
10. Each CCPS (including premium) is convertible into such number of shares at such price to be determined in accordance with ICDR Regulations read with the RBI Directions, and other extant regulations and/or guidelines of the SEBI and RBI in this regard, at any time in terms of the BWRL RP documents by the Lenders or holders of CCPS
11. The Board be and is hereby authorized to decide and approve the other terms and conditions of the issue of CCPS, and also shall be entitled to vary, modify or alter any of the terms and conditions, as it may deem expedient, subject however to compliance with the Listing Regulations with the Stock Exchange(s), and applicable guidelines, notifications, rules and regulations in this regard(if applicable);

12. The Board be and is hereby authorized to delegate all or any of the powers herein conferred by this resolution to any Director(s) or to any Committee of Directors or employee or officer of the Company, as it may consider appropriate, to give effect to the aforesaid resolution.

RESOLVED FURTHER THAT pursuant to the applicable provisions of the Companies Act, 2013 the names of the Lenders be recorded for the issue of invitation to subscribe to the CCPS and a private placement offer letter in Form No. PAS-4, if so required, together with an application form be issued to the Lenders inviting them to subscribe to the CCPS, and consent of the Shareholders is hereby accorded to the issuance of the same to the Lenders inviting them to subscribe to the CCPS.

RESOLVED FURTHER THAT the Board be and is hereby authorized to issue and allot such Equity Shares as may be required to be issued and allotted upon conversion of the said CCPS and that Equity Shares shall be subject to the provisions of the Memorandum of Association and Articles of Association of the Company and shall rank pari-passu in all respects, including entitlement for dividend, with the existing equity shares of the Company.

RESOLVED FURTHER THAT the Board be and is hereby authorized to decide and approve other terms and conditions of the issue of the CCPS and shall also be entitled to vary, modify or alter any of the terms and conditions, as it may deem fit, subject however to the compliance with the applicable guidelines, notifications, rules and regulations.

RESOLVED FURTHER THAT the Board be and is hereby authorized to accept the terms, conditions, modifications and stipulations as the GOI, RBI, SEBI, MCA or Stock Exchanges or any other regulatory authority may stipulate while granting approval to the Company for issue of the CCPS as aforesaid.

RESOLVED FURTHER THAT the Board of Directors or Company Secretary of the Company, be and are hereby authorized to take necessary steps for listing of the equity shares allotted upon conversion of CCPS on Stock Exchanges, where the Company's shares are listed, as per the terms and conditions of the Listing Regulations, and in accordance with such other guidelines, rules and regulations as may be applicable with regard to such listing.

RESOLVED FURTHER THAT for the purpose of giving effect to the resolution, the Board be and is hereby authorized to engage / appoint lead managers, brokers, underwriters, guarantors, depositories, custodians, registrars, stabilizing agent, trustees, bankers, and other consultants and advisors to the issue and to remunerate them by way of commission, brokerage, fees and/or

other charges and also to enter into and execute all such arrangements, agreements, memorandum, documents, etc. with such agencies, as may be required, and as permitted by law.

RESOLVED FURTHER THAT for the purpose of giving effect to the resolution, the Board be and is hereby authorized to delegate any or all of the powers conferred upon it by this resolution to any committee of directors, any other director(s), and/or officer(s) of the Company.

RESOLVED FURTHER THAT for the purpose of giving effect to this resolution, the Board, any of the Directors of the Company and Company Secretary, be and are hereby jointly and severally authorized to do all such acts, deeds, matters and things as the Board may, in its absolute discretion, deem necessary, expedient, usual, proper, incidental or desirable and to settle any question, difficulties or doubts that may arise in this regard and in regard to the issue, allotment of the CCPS and/or equity shares and utilisation of the issue proceeds, to prescribe the forms of applications, enter and execute all such deeds, documents, agreements or other instruments, and to take such actions/directions as they may consider as being necessary or desirable and to obtain any approval, permissions, sanctions which may be necessary or desirable as they may deem fit.”

The Resolution regarding the appointment of the JMD at Item No. 6 is commended for approval by the Members.

Item No. 7:

Your Company generally enters into transaction with related parties as prescribed in the table of resolution

no. 7 in ordinary course of business and at arm's length basis, which would fall in the definition of "Related Parties" under the Companies Act, 2013 ("the Act") and/or the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements).

Section 188 of the Act read with the Companies (Meetings of Board and its Powers) Rules, 2014 ('Rules') exempts a company from obtaining consent of the Board of Directors and the members in case the related party transactions entered into by the Company are in the ordinary course of business and on arm's length basis.

However, Regulation 23 of the Listing Regulations requires approval of the members through a resolution for all material related party transactions, even if they are entered into in the ordinary course of business and on arm's length basis, if the same is not exempt under Regulation 23(5) of the Listing Regulations. For this purpose, a transaction with a related party is considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds ten percent of the annual consolidated turnover of the Company as per the last audited financial statements.

Your Company had entered into related transactions falling under the category of material related party transaction requiring shareholders' approval. Further, your Company may have to enter into similar material related party transactions in future requiring shareholders' approval, the framework of which has been recommended by the Audit Committee and approved by the Board of Directors of the Company in the text of the resolution proposed in the Notice. All the material related party transactions entered/ to be entered into by the Company (for which members approval is being sought) are/would be on arm's length basis and in the ordinary course of business and approval of the Audit Committee / Board is obtained/would be obtained, wherever required.

Information required to be given in the explanatory statement pursuant to Rule 15 of Rules forms part of the resolution. Shareholders' approval by way of an Ordinary Resolution is therefore sought for the resolution set out in this Notice in terms of Regulation 23 of the Listing Regulations.

Except Mr. Murarilal Mittal and Mr. Mayank Mittal along with their relatives, none of the Directors and/or any Key Managerial Personnel of the Company and/or their relatives may be concerned or interested (financially or otherwise) in the Resolution.

Item No. 8:

In terms of the In-Principle 'Resolution Plan' of the Company as advised by the Lenders and the Lenders' advisor BOB Capital Markets Limited formulated under the Reserve Bank of India (Prudential Framework for Resolution of Stressed Assets) Directions, 2019 issued

by Reserve Bank of India vide its Circular dated June 07, 2019 (hereinafter referred to as the “RBI Directions”) for restructuring of the debt of the Company, it has to, inter alia, undertake preferential allotment of (a) Compulsory Convertible Preference Shares and (b) Equity Shares to one or more Lenders and Equity Shares to Promoters and Investors. In view of the same and to meet to the future requirements of the Company, it has been felt necessary to increase the authorised share capital of the Company from existing Rs.52,00,00,000/ (Rupees Fifty Two Crores) divided into 5,20,00,000 (Five Crores Twenty Lakhs) Equity shares of Rs 10/- (Rupees Ten Only) to Rs. 65,50,00,000 (Rupees Sixty-Five Crore Fifty Lakhs) divided into 6,54,60,000 (Six Crore Fifty-Four Lakhs Sixty Thousand) Equity Shares of Rs. 10/- (Rupees Ten Only) each and Rs. 4,00,000 (Rupees Four Lakhs Only) divided into 40,000 (Forty Thousand) 0.01% Compulsorily Convertible Preference Shares of Rs. 10/- (Rupees Ten Only) each, by creation of additional 1,34,60,000 (One Crore Thirty-Four Lakhs Sixty Thousand) Equity shares of Rs. 10/- (Rupees Ten Only) each and 40,000 (Forty Thousand) 0.01% Compulsorily Convertible Preference Shares of Rs. 10/- (Rupees Ten Only).and for that purpose, the Memorandum of Association and Articles of Association of the Company are proposed to be suitably altered as set out at Item No. 8 of the accompanying Notice.

The provisions of the Companies Act, 2013 require the Company to seek the approval of the Members for increase in the Authorised Share Capital and for alteration of Capital Clause of the Memorandum of Association and Articles of Association of the Company and accordingly the Board at its meeting held on August 16, 2020 had approved and hereby recommends the Resolution as set in item no. 8 as a Special Resolution for the approval of the Members.

Copies of documents relevant to this Resolution including a copy of the amended Memorandum of Association and Articles of Association of the Company shall be made available on the website of the Company to facilitate online inspection.

None of the Directors of the Company or key managerial personnel or their respective relatives are, in any way, concerned or interested in the Resolutions except to the extent of their shareholding in the Company, if any.

Item No. 9, 10 and 11:

There are substantial debt servicing obligations without corresponding substantial cash inflows. Given the above situation, it is imperative for the Company to arrive at a viable solution with the support of Lenders which would address the current issues and allow the Company to reach its potential cash flow generation to ensure smooth debt servicing going forward.

In view of the above, as advised by Lenders and the Lenders’ advisor BOB Capital Markets Limited it was decided to adopt a Resolution Plan in line with the Reserve Bank of India (Prudential Framework for Resolution of Stressed Assets) Directions, 2019 dated June 07, 2019 (“RBI Directions”) which is subject to the approval of the Lenders

Based on the RBI Directions, the Company proposes to adopt the proposed BWRL Resolution Plan.

The broad contours of the proposed BWRL Resolution Plan are as under:

- Implementation Date – September 30, 2020 or such other date as may be advised in consultation with Lenders.
- Restructuring of outstanding debt facilities of the Company as on March 31, 2019 net off Priority Payments received and interest accrued till the date at which all the condition precedents have been met for implementation of Resolution Plan from March 31, 2019 at 9% p.a. in below parts.
 - A. Rupee Term Loan of upto Rs 170 Crore (out of which upto Rs 25 Crore to be repaid upfront)
 - B. Fund based working capital facility of upto Rs 55 Crores.
 - C. Balance debt to be converted into Compulsorily Convertible Preference Share (CCPS).
- Fresh NFB limit sanction of upto Rs 25 Crore to the Company.
- Upfront Equity infusion of upto Rs 25 Crore by Promoters and Investors in the Company.
- Waiver of all additional interests/ penal interest/ other charges till date.

Note: The broad scheme and the figures stated above may vary at the time of actual implementation of the resolution plan.

Pursuant to the implementation of the proposed BWRL Resolution Plan, it is proposed to consider the issue of CCPS and Equity Shares, on preferential basis as per applicable laws and extant regulations of RBI and SEBI in the manner set out in the Special Resolution at Item No. 9, to be allotted to the Lenders, based on the respective Lenders’ subscription for the CCPS and Equity Shares, respectively of the Company.

In terms of RBI Directions and pursuant to the provisions of Sections 62 and 42 of the Companies Act, 2013 read with rules made thereunder, conversion of debt into CCPS and Equity Shares needs to be approved by the shareholders which is proposed by way of Special Resolution Nos.

9 to 11 of this Notice Furthermore, as per Section 55 of the Companies Act, 2013, the issue of Preference Shares with option to convert such Preference shares into Equity shares, in whole or in part, requires to be approved by a Special Resolution passed at a General Meeting.

Since the proposed Special Resolution at Item No. 9, 10 and 11 would result in issue of CCPS and Equity Shares of the Company to the Lenders on a preferential basis, who may or may not be the members of the Company, in the manner laid down under Section 62 of the Companies Act, 2013, the consent of the shareholders is being sought pursuant to the provisions of Sections 42, 55 and 62 and all other applicable provisions of the Companies Act, 2013, and the rules framed thereunder, ICDR Regulations, and the SEBI LODR Regulations.

Accordingly, the Board at its meeting held on August 16, 2020 had approved and hereby recommends the resolutions as set out in Item No. 9, 10 and 11, to enable the Lenders, in terms of the proposed BWRL Resolution Plan, other relevant Agreements/ Documents, entered/to be entered, and as may be specified under the financing documents already executed or to be executed in respect of the financial assistance availed/to be availed, at their option, to convert the whole or part of their respective outstanding financial debt into CCPS and Equity Shares, of the Company and to permit the Company to issue the said Securities to the Lenders (members as well as non-members) of the Company in the manner and upon such terms and conditions as may be deemed appropriate by the Board and at a price to be determined in accordance with the ICDR Regulations, RBI Directions, and other extant regulations and/or guidelines of the SEBI and RBI in this regard, Companies Act, 2013 and/or any other regulations applicable at the time of conversion

The Equity Shares to be issued and Equity Shares as aforesaid arising from conversion of CCPS, would be listed on the Stock Exchanges, subject to obtaining necessary regulatory approvals, if any.

In terms of the requirements of Sections 55 and 62 of the Companies Act, 2013 read with Rule 13(2) of the Companies (Share Capital & Debentures) Rules, 2014 and Chapter VII of the ICDR Regulations the following disclosures are been made:

1. **Objective of the issue**

The object of the preferential issue of the CCPS and Equity Shares is to comply with the proposed BWRL Resolution Plan for the Company. In terms of the proposed BWRL Resolution Plan, the Lenders of the Company have the right to convert part of the unsustainable portion of debt into CCPS and Equity Shares. Hence it is proposed to issue CCPS and Equity Shares, to Lenders on a preferential basis in accordance with the proposed BWRL Resolution

Plan and the applicable laws for the time being in force including the extant guidelines and regulations of RBI and SEBI.

2. **Total No. of Securities to be issued:** Issue of upto 40,000 (Forty Thousand) 0.01% Compulsory Convertible Preference Shares (“CCPS”) of the face value of Rs. 10/- each (Rupees Ten Only) fully paid up at an issue price of upto Rs. 1,00,000 (Rupees One Lakh Only) to one or more Lenders on conversion of loan to the extent of upto Rs. 400 Crores (Rupees Four Hundred Crores Only) and Equity Shares on preferential basis by issuance of 62,57,320 (Sixty-Two Lakhs Fifty Seven Thousand Three Hundred Twenty Only) Equity Shares however not exceeding 63,00,000 (Sixty Three Lakhs) equity shares of the face value of Rs. 10/- each (Rupees Ten Only) at an issue price of Rs. 08.69 (Book Value as on March 31, 2020) (Rupees Eight and Sixty-Nine Paise Only) or at such other price to be determined in accordance with ICDR Regulations read with the RBI Directions (i.e. reference date the date on which the Lenders approve the restructuring plan) and not exceeding 10% of the issued, subscribed and paid-up capital of the Company calculated assuming full issuance of Equity Shares to the Promoters/other investors as envisaged under the proposed BWRL Resolution Plan and as envisaged in the Special Resolution at Item No. 12, under the aforesaid RBI Directions.

3. **Terms of Issue of the Securities, if any.**

- The holders of the CCPS shall be entitled to receive non-cumulative dividends in preference to any dividend on the Equity Shares and any series of preferred stock at the Coupon Rate (i.e. 0.01%) applied on the face value of the Preference Shares.
- No dividends will be paid on the Equity Shares or any series of preferred stock ranking junior to the CCPS, unless all accrued and unpaid dividends (to the extent payable for non-cumulative instruments) on the CCPS have been paid in full.
- The Promoters / associates and/or their assignees shall have call option against the Lenders from 2nd year of Implementation of the Resolution Plan onwards till the 20th year to buy CCPS at a value per CCPS at 12% p.a. discount factor. If the call option is exercised by the Promoters / associates and/or their assignees, then redemption cannot happen from the Company’s cash flow prior to repayment of entire sustainable debt consisting of Term Loan, ECB, and Working Capital and exercising call option for the aggregate number of CCPS issued to the Lenders.

- Lenders shall have put option against Promoters from 13th year of implementation of the proposed BWRL Resolution Plan till the 20th year i.e. the expiry of tenure of CCPS (1/8th each year).
 - If the Promoters do not honour put option or after three years from the date of implementation of the proposed BWRL Resolution Plan there is default in payments of sustainable loan, then each of the Lenders shall have right to convert their respective CCPS into Equity Shares of the Company post cure period of 90 (ninety) days in consultation with the Promoters and joint Lenders' meeting.
 - Conversion of CCPS in to equity shares of the Company shall be only done post full payment of sustainable debt or on exercise of call/put option
 - The conversion price of CCPS shall be determined at the time of conversion as per RBI Directions read with ICDR Regulations and other extant regulations and/or guidelines of the SEBI and RBI in this regard, Companies Act, 2013 and/or any other regulations applicable at the time of conversion.
 - In the event the CCPS is transferred by the Lenders to the transferee, the conversion or redemption option, as the case may be, shall be the right of the Company and not in favour of the transferee of the CCPS. However, at any time, when sustainable debt is outstanding, Company's cashflows cannot be utilised to redeem CCPS in full or in part.
 - The Lenders will have the option to only convert the CCPS and shall not be entitled for redemption in cash from the Company.
 - On exercise of the put option, Promoters will have right to convert the CCPS into equity.
 - The voting rights for the aforesaid CCPS shall be as per the provisions of the Companies Act, 2013. However, all equity shares of the Company issued on conversion of the CCPS will have same voting rights as other Equity Shares of the Company.
 - The Equity Shares to be allotted and the Equity Shares issued on conversion, pursuant to the proposed Special Resolutions shall rank in all respects pari passu with the existing Equity Shares of the Company including dividend.
 - In the event of any liquidation or winding up of the Company, the holders of the CCPS shall be entitled to receive, in preference to the holders of the Equity Shares and any series of preferred stock in the Company, any accrued but unpaid dividends. Thereafter, the remaining assets shall be distributed to the holders of the Equity Shares, CCPS and other Preference Shares
4. **Change in control:**
- There shall be no change in management or control of the Company pursuant to the issue of the Securities as aforesaid.
5. **Pricing of Preferential Issue**
- As per the provisions of Regulation 158 (6) the ICDR Regulations, the provisions of Chapter V of the ICDR Regulations will not apply where the preferential issue of specified securities is made to the lenders pursuant to conversion of their debt, as part of a debt restructuring scheme implemented in accordance with the guidelines specified as per RBI Directions issued by the Reserve Bank of India, subject to the following conditions as mentioned in point 11 of the explanatory statement.
- Accordingly, 40,000 (Forty Thousand) 0.01% Compulsory Convertible Preference Shares ("CCPS") will be issued at the face value of Rs. 10/- each (Rupees Ten Only) fully paid up at an issue price of upto Rs. 1,00,000 (Rupees One Lakh Only)
- Further, the pricing of Equity shares will be as per RBI Directions read with ICDR Regulation which is Rs. 08.69 (Book Value as on March 31, 2020) (Rupees Eight and Sixty-Nine Paise Only) or at such other price determined in accordance with RBI Directions read with ICDR Regulations. (i.e. reference date- the date on which the Lenders approve the restructuring plan)
6. **Reference date and the basis on which the price has been arrived at:**
- The Equity Shares proposed to be issued to the Lenders in terms of Resolution No. 11 and Equity Shares arising out of conversion of CCPS, shall be issued at an issue price (including premium, if any) determined in accordance with RBI Directions read with ICDR Regulations, and other extant regulations and/or guidelines of the SEBI and the RBI.
- In terms of RBI Directions, the following are the pricing terms:
- The issue price of the equity shares shall be the lower of (i) or (ii) below:
- i a. The average of the weekly high and low of the volume weighted average price of the related equity shares quoted on the recognised stock exchange during the twenty- six weeks preceding the 'reference date' or

- i.b. The average of the weekly high and low of the volume weighted average prices of the related equity shares quoted on a recognised stock exchange during the two weeks preceding the 'reference date', whichever is lower; and
- ii. Book value: Book value per share to be calculated from the audited balance sheet as on March 31st of the immediate preceding financial year (without considering 'revaluation reserves', if any) adjusted for cash flows and financials post the earlier restructuring, if any. The balance sheet shall not be more than a year old. In case the audited balance sheet as on March 31st of the immediate preceding financial year is not available the total book value of the borrower company shall be reckoned at Re.1.

In the case of conversion of debt into equity, the 'reference date' shall be the date on which the bank approves the restructuring scheme. In the case of conversion of convertible securities into equity, the 'reference date' shall be the date on which the bank approves the conversion of the convertible securities into equities.

7. Intention of promoters / directors / key managerial personnel to subscribe to the offer:

ITEM No-13

The Company had granted stock options under BHARAT WIRE ROPES LIMITED EMPLOYEES STOCK OPTION PLAN-2017 (BWRL ESOP 2017) on various occasions in different tranches at an exercise price ranging from Rs. 77.35 to Rs. 111 per option to identified eligible employees for the benefit of eligible permanent employees, Directors, employee-directors of the Company, and its present and future Indian/foreign subsidiary companies, (excluding the Promoter Directors and Independent Directors) and

such other persons as may be permitted from time to time, under prevailing laws, rules and regulations and/or amendments thereto from time to time.

However, over the period the price of shares of the Company has fallen below the exercise price, rendering the options unattractive to such employees who were granted stock options. Accordingly, The Nomination and Remuneration Committee at its meeting held on August 16, 2020 had approved and proposed to reprice these 18,08,500 stock options already granted at exercise price ranging from Rs. 77.35 to Rs. 111 per option to Rs. 24.40 (Rupees Twenty Four and Forty Paise Only) per option being the closing market price of shares on a recognized Stock Exchange on which higher trading volume were transacted on the date immediately prior to the date of the Nomination and Remuneration Committee Meeting, in which the proposal for re-pricing was considered. As per clause 25 of the said scheme and as per Regulation 7 of the SEBI (Share Based Employee Benefits) Regulations, 2014, the Company can vary the terms of the schemes offered and may reprice the options granted, subject to the approval of the shareholders by way of special resolution in the general meeting.

The Board of Directors hereby recommends the Special Resolutions as set out at Item No. 13 of the Notice for approval of the Members.

None of the other Directors and Key Managerial Personnel of the Company and their relatives are, in any way, may be deemed to be concerned or interested, financially or otherwise, in the resolution set out at item No. 13 of the Notice except to the extent of stock options granted to some of them under the aforesaid ESOP scheme and to the extent of their shareholding in the Company.
