NOTES :

1. In view of continuing second waves of COVID-19 pandemic, social distancing is a norm to be followed, the Government of India, Ministry of Corporate Affairs allowed the conducting of Annual General Meeting through Video conferencing (VC) or other Audio visual means (OAVM) without the physical presence of the Members at a common venue. Accordingly, the Ministry of Corporate Affairs, issued General Circular No. 14/2020 dated 8th April, 2020, General Circular No. 17/2020 dated 13th April, 2020, General Circular No. 20/2020 dated 5th May, 2020, and General Circular No. 02/2021 dated 13th January, 2021 (collectively referred to as “MCA Circulars”) prescribing the procedure and manner of conducting the Annual General Meeting through VC/OAVM. In compliance with the provisions of Companies Act, 2013 (“Act”), SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015 (“SEBI Listing Regulations”) and MCA Circulars, the Sixty Seventh Annual General Meeting of the Company is being held through VC/OAVM.
2. Since the AGM is being conducted pursuant to MCA Circulars through VC/OAVM, physical attendance of the Member is dispensed with. Accordingly, facility for appointment of proxies by Members will not be available for the AGM and hence the Proxy Form and Attendance slip are not annexed to this notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting.
3. Members are requested to participate on first come first serve basis, as the participation through video conferencing is limited and will be closed on expiry of 15 minutes from the schedule time of the AGM. Members can login and join 45 (Forty five) minutes prior to the schedule time of meeting and window for joining shall be kept open till the expiry of 15 (fifteen) minutes after the schedule time. The facility of participation will be made available for 1000 members on first come first served basis. However, this will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The Register of Members and Share Transfer Books shall remain closed from Thursday, the 19th August, 2021 to Wednesday, 25th August, 2021 (both days inclusive).
5. Subject to the provisions of Section 126 of the Companies Act, 2013, dividend as recommended by the Board of Directors for the year ended 31st March, 2021, if declared, will be payable to those Members whose names appear in the Register of Members as at the close of the business on 18th August, 2021 and in respect of shares held in dematerialized form, as per the list of beneficial owners furnished to the Company by NSDL/CDSL as at the close of business on 18th August, 2021. The dividend warrants will be dispatched on and around 1st September, 2021 subject to normalization of postal services post covid-19.

6. Mr. U. Chakravarty, General Manager (Finance) and Company Secretary has been designated as the Compliance Officer of the Company. Members may communicate with the Compliance Officer in relation to any query pertaining to their shareholdings.
7. As per Section 72 of the Act, the facility for making nominations is available for Members in respect of shares held by them. Members holding the shares in single name and who have not yet registered their nomination are requested to register the same by submitting the Form No. SH-13. If a member desires to cancel the earlier nomination and record fresh nomination, he may submit the same in Form No. SH-14. Nomination forms can be obtained from MCS Share Transfer Agent Limited, Registrar and Share Transfer Agent of the Company, in case they hold shares in physical form. If they hold the shares in dematerialized form, they may contact their respective depositories for such nominations. However, both the forms may be downloaded from the website of Ministry of Corporate affairs at www.mca.gov.in
8. Members who hold the shares in physical form are requested to inform mandatorily their Income Tax permanent Account Number (PAN) and Bank Account particulars to the R&T Agent. For payment of dividend in future and unclaimed dividend from financial year 2013-14 to 2019-20, Bank Account particulars should contain the information as to (a) Bank Account No. (b) Bank Name & Branch (c) self-attested one photo copy of Cheque (bearing printed name of the shareholder) (d) Reason for dividend remaining unclaimed. However, Members not having cheque bearing their printed name should provide self- attested copy of bank passbook or statement attested by Bank Manager.
9. Members holding shares in physical form are requested to notify change in addresses, if any, quoting their folio numbers to the R&T Agent of the Company.
10. Members holding shares in multiple folios are requested to submit their application to R&T Agent for consolidation of folios into single folio.
11. Members holding shares in physical form are requested to note that in order to avoid any loss/interception in postal transit and also to get prompt credit of dividend through Electronic Clearing Services (ECS) they should submit their ECS details comprising a) Name and branch of the bank in which Members wish to receive the dividend b) Bank Account type c) Bank account No d) 9 digit MICR code number e) 11 digit IFSC code f) Scanned copy of cancelled cheque bearing name of the Members . Alternatively, Members may provide details of their bank accounts quoting their folio numbers to the R& T Agent to enable them to print such details on the dividend warrants. In case shares are held in Demat, Members are requested to contact their respective depository participant (DP) and register bank account details in demat account, as per the process advised by the DP.
12. Members holding shares in electronic form may please note that their bank details as furnished by the respective Depositories to the Company will be printed on the dividend warrants as per the applicable regulations of the Depositories and the Company will not entertain any direct request from such Members for change/deletion in such bank details. Further instructions, if any, already given by them in respect of shares held in physical form will not be automatically applicable to the dividend paid on shares held in electronic form. Members therefore may give instructions regarding bank accounts in which they wish to receive dividend, to their Depository participants.
13. In terms of the provisions of Act, unpaid/unclaimed dividend relating to the financial year 2013-14 which ended on 31st March, 2014 will be transferred to the “Investor Education and Protection Fund” in the month of September, 2021.
14. Pursuant to the provisions of Section 124(5) of the Companies Act, 2013, dividend which remains unpaid or unclaimed for a period of 7 (seven) years is required to be transferred to the “Investor Education and Protection Fund” (IEPF) of Central Government. Members who have not yet encashed dividend from the financial year 2013-14 to 2019-20 are required to send their claims to MCS Share Transfer Agent Limited, 1st Floor, 383, Lake Gardens, Kolkata-700045 immediately along with unencashed dividend warrants lying with them. It may also be noted that once the unclaimed dividend is transferred to the IEPF as above, no claim shall lie in respect thereof.

-
15. In terms of provisions of Section 124(6) of the Act, 2013, read with Rule 6 of the “Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 and Amendment Rules, 2017, all Equity shares in respect of which dividend have remained unpaid/unclaimed for seven consecutive years had been transferred by the Company to the Demat Account of IEPF Authority through Depositories by following the procedures prescribed by Ministry of Corporate Affairs. The Company has communicated this fact in details sent by Registered Post to its concerned shareholders and also through advertisement in the Newspaper. To avoid further transfer of shares to IEPF Authority, Members are requested to comply with the requirements as specified in note No. 14 above.
 16. Members whose shares have already been transferred to the Demat Account of IEPF Authority through Depositories as stated in note No. 15 above, may access to Company’s website at www.wpil.co.in to find out the details and accordingly may prefer an application to Investor Education and Protection Fund Authority (IEPFA) claiming unpaid amount of dividend and shares by filling on line web form no. IEPF-5 (available on www.iepf.gov.in) pursuant to sub-section 3 of Section 125 of the Companies Act, 2013 and rule 6(13) & 8(1) of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016. Mr.U.Chakravarty, General Manager (Finance) and Company Secretary has been designated as the Nodal Officer of the Company to coordinate between Members and IEPFA whenever required. Members may communicate with the Nodal Officer in relation to any query above matter at e-mail address uchakravarty@wpil.co.in.
 17. The notice of the AGM will be available on the Company’s website www.wpil.co.in, website BSE Ltd. at www.bseindia.com and the website of the National Securities Depository Limited (NSDL) at www.evoting.nsdl.com. The Notice of AGM and Annual Report are being sent in only through Electronic mode to Members whose e-mail addresses are registered with the Company or Depositories participant(s). No physical copy of Annual Report shall be sent or available for reference of the Members. Members who have not registered their e-mail addresses with the Company can get the same registered with the Company by following the procedures stated below.
 18. The Register of Directors, and Key Managerial personnel and their shareholdings under Section 170 of the Companies Act, 2013 and all other documents referred to in the Notice will be available for inspection in electronic mode. Members can inspect the same by sending an e-mail to uchakravarty@wpil.co.in.
 19. Relevant statements, pursuant to Section 102(1) of the Companies Act, 2013, in respect of items of special business are annexed hereto.
 20. In Compliance with provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management & Administration) Rules, 2014, as amended from time to time and Regulation 44 of Listing Regulations, the Members are provided with the facility to cast their votes electronically through the e-voting services provided by NSDL on all resolutions set forth in this notice. The instructions of e-voting are given herein below
 - i) The remote e-voting period commences on Sunday, the 22nd August, 2021 at 9.00 A.M. and ends on Tuesday, the 24th August, 2021 at 5.00 P.M. During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on cut-off date of 18th August, 2021, may cast their votes electronically. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution cast by the Member, the Member shall not be allowed to change it subsequently.
 - ii) The Board of Directors of the Company has appointed Mr. P.V.Subramanian, Company Secretary in whole time practice, (CPNo. 2077) as a Scrutinizer for conducting the entire process of polling (both voting electronically through remote e-voting or e-voting during the Meeting) in a fair and transparent manner.
 - iii) A Member may participate in AGM through VC/OAVM even after exercising his right to vote through remote e-voting, but shall not be allowed to vote again at the AGM.

- iv) The Voting rights shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date of 18th August, 2021.
- v) Any person who acquires the shares of the Company and becomes a Member of the Company after dispatch of notice and holding shares as of the cut-off date of 18th August, 2021 may obtain the login ID and password by sending a request at evoting@nsdl.co.in or mcssta@rediffmail.com. However, if he/she is already registered with NSDL for remote e-voting then he/she can use his or her existing user ID and password for casting vote.
- vi) The details of the process and manner for remote e-voting are explained herein below:

The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/ Member’ section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:

- a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
- b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the ‘initial password’ which was communicated to you. Once you retrieve your ‘initial password’, you need to enter the ‘initial password’ and the system will force you to change your password.
- c) How to retrieve your ‘initial password’?
 - (i) If your email ID is registered in your demat account or with the company, your ‘initial password’ is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your ‘User ID’ and your ‘initial password’.
 - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered**

6. If you are unable to retrieve or have not received the “ Initial password” or have forgotten your password:

- a) Click on “Forgot User Details/Password?” (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
- b) **Physical User Reset Password?”** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
- c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
- d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

7. After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.
8. Now, you will have to click on “Login” button.
9. After you click on the “Login” button, Home page of e-Voting will open.

The same will be replied by the company suitably.
 - g) The Chairman shall, at the AGM, after the end of the discussion on the resolutions on which the e-voting is to be held, allow the facility of e-voting to those members who participated at the AGM through VC/OAVM but have not cast their votes by availing remote e-voting facility.
24. The relevant details, pursuant to Regulations 26(4) and 36(3) of the SEBI Listing Regulations and Secretarial Standard on General Meeting issued by the Institute of Company Secretaries of India, in respect of Directors seeking appointment/re-appointment at this AGM are annexed.
25. The Scrutinizer shall, immediately after conclusion of e-voting at the AGM, first count the votes cast during the AGM and thereafter unblock the votes cast through remote e-voting in presence of at least two witnesses, not being in the employment of Company and shall make, not later than forty eight hours of the conclusion of AGM a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman, who shall countersign the same and declare the Results of the voting forthwith.
26. The Results declared along with report of Scrutinizer shall be placed on the Company's website www.wpil.co.in and on the website of NSDL immediately after the declaration of the Results by the Chairman. The Results shall also be immediately forwarded to BSE Limited, Mumbai.

Statement pursuant to Section 102(1) of the Companies Act, 2013

RESOLUTION AT ITEM NO. 4

The Board of Directors of the Company on the recommendations of the Audit Committee has approved the appointment of Messers. D. Radhakrishnan & Co., Cost Accountants, as a Cost Auditors of the Company to conduct audit of the Cost records maintained by the Company in respect of "other machinery" for the year ended 31st March, 2021 at a remuneration of Rs. 85,000 (Rupees Eighty Five thousand only) plus applicable Goods and Service Tax and out of pocket expenses to be incurred for conducting Cost Audit. In terms of provisions of Rule 14 (a) (ii) the Companies (Audit and Auditors) Rules, 2014, for the purpose of sub section (3) of section 148 of Companies Act, 2013, it is necessary for Members to ratify the remuneration of Cost Auditors which has been recommended by Audit Committee and subsequently considered and approved by Board of Directors.

The intimation as to the appointment of Cost Auditors communicated in writing to Messers. D. Radhakrishnan & Co., Cost Accountants, is available for inspection in electronic mode. Members can inspect the same by sending an e-mail to uchakravarty@wpil.co.in.

None of the Directors/Key Managerial Personnel of the Company/their relatives are in any way concerned or interested in this resolution except as Shareholder of the Company. The Board commends the Ordinary Resolution for ratification by the Shareholders. The passing of the aforesaid resolution also do not relate to or affect any other Company.

RESOLUTION AT ITEM NO. 5

Pursuant to the provisions of section 161 of the Companies Act, 2013, read with the provisions of Article 123 of the Articles of Association of the Company and provisions of section 149 of the Companies Act, 2013, and also in terms of the provisions of Regulation 17(1) of SEBI (Listing Obligations and Disclosure Requirements)(Amendment) Regulations, 2018, and recommendation of the Nomination and Remuneration committee, the Board of Directors appointed Mrs. Samarpita Bose (DIN 09101808) as Additional Independent Director of the Company to hold office up to the date of next Annual General Meeting of the Company or last date on which the Annual General Meeting should have held whichever is earlier. A notice in writing, under Section 160 of the Companies Act, 2013 has been received from a member of the Company signifying his intention to propose Mrs. Samarpita Bose as candidate for the office of the Independent Director.

The Directors are of the opinion that her knowledge and experience will be of benefit to the Company. The Board of Directors, therefore, recommends that the resolutions set out at item no. 5 of the Notice convening the meeting be approved and passed.

The notice in writing, under section 160 of the Companies Act, 2013, which has been received from a member of the Company is available for inspection in electronic mode. Members can inspect the same by sending an e-mail to uchakravarty@wpil.co.in .

Except Mrs. Samarpita Bose, none of the Directors or Key Managerial Personnel or their relatives are in any way concerned or interested in passing of the resolution set out at item no. 5 of the Notice.

Final Dividend	732.53	732.53
Tax on Dividend	—	150.57
Balance available in surplus account in Balance sheet	8121.45	6854.46

OPERATIONS

The year 2020-21 was an extremely challenging year with the constant battle against the Covid pandemic. The nationwide lockdown at the start of the year and then a tentative recovery in the second half which was offset by rising commodity prices and culminating with the second wave. The company focused on protecting its employees and we are extremely glad to mention that all employees and spouses could be vaccinated with at least one dose. Furthermore, the next priority was on balance sheet and cash flow improvement and we take this opportunity to share that the company made good progress on debt reduction and cash balances. Finally, full credit to the resilience of the business that we could close the year with a good order book and start looking at growth opportunities next year.

The operations were affected across both the Product and Project Divisions due to lower revenues for disruptions across various project sites which led to defer dispatches. The company could maintain EBIDTA and profitability margins due to cost control measures and improve cash flows by strict monitoring of dispatches.

The second half of the year saw some improvement in demand primarily with the Government focus on water supply and the Jal Jeevan Mission and hence going forward the order book is robust especially in the Project Division where the company received some large orders from Madhya Pradesh Jal Nigam. The company expects business to rebound gradually in next year.

The company continues to expand its product portfolio and market infrastructure across the spectrum of water management and is now well positioned in the municipal, irrigation and industrial sectors. Its focus on new product development and manufacturing infrastructure has allowed it to surpass customer expectation with regards to quality and delivery. Further its focused acquisition of business and new technologies continues to open up new opportunities.

DIVIDEND

After considering the performance of the year, cash flow, and consistent improvement of General Reserve, the Directors of the Company are pleased to recommend dividend of rupees Ten per share for the year ended 31st March, 2021 as against rupees Seven and fifty paise per share recommended in the previous year.

The Dividend, if approved at the forthcoming Annual General Meeting, will be paid to those shareholders whose names are registered at the close of the business on 18th August, 2021 or to their mandates subject however, to the provisions of Section 126 of the Companies Act, 2013.

Pursuant to finance Act, 2020, dividend income is taxable in the hands of the shareholders effective from 1st April, 2020 and the Company is required to deduct tax at source from dividend paid to the Members at the prescribed rates as per the Income Tax Act, 1961.

TRANSFER TO RESERVE

The Board of Directors proposes to transfer Rs.40.00 Crores to the General Reserve. An amount of Rs. 280 Crores is proposed to be retained in the General Reserve Account.

INVESTOR EDUCATION AND PROTECTION FUND

Pursuant to the provisions of Section 124(5) of the Companies Act, 2013, dividend which remains unpaid or unclaimed for a period of seven years from the date of its transfer to unpaid dividend account is required to be transferred by the Company to “Investor Education and Protection Fund” (IEPF) established by the Central Government under the provisions of Section 125 of the Companies Act, 2013. During the year, dividend remaining unpaid/ unclaimed relating to financial year 2012-13 of Rs. 2,61,088/- has been transferred to IEPF. Further in compliance to provisions of Section 124(6) of the Companies Act, 2013, read with Rule 6 of the “Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules 2016 and Amendment Rules, 2017, 63,056 Ordinary shares in respect of which dividend remained unpaid/unclaimed for seven consecutive years had been transferred by the Company to the Demat Account of IEPF Authority so far through Depositories by following the procedures prescribed by Ministry of Corporate Affairs. However, out of such total Equity shares transferred, 885 Equity shares were released to claimants so far (301 Equity Shares were released during the year) by Investor Education and Protection Fund Authority.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

As required by Schedule V(B) under Regulation 34(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Management discussion and analysis report for the year under review is appended below:

A. BUSINESS

The company is focused on the complete value chain of fluid handling – from supply of pumps to turnkey project execution. The Product Division supplies a comprehensive range of pumps to the Municipal, Industrial, and irrigation sectors. The Project Division undertakes water management contracts in the above sectors.

B BUSINESS ENVIRONMENT

The year 2020-21 was dominated by the Covid pandemic and the focus of all Governments was rightly on health infrastructure and vaccine development and safety of people. Hence, the business environment was kept in abeyance and hence supply chains suffered and the price of commodities rose.

As countries accelerated their vaccination programs some economies are starting to return to normalcy and the rest would appear to follow in a staggered manner based on vaccination penetration. Hence, by the second half of 2021-22 most economies should have gained traction and hopefully we would be looking at a growth recovery.

The company feels that there should be renewed focus on the infrastructure sector in the coming months as Governments try to revive growth by public investment. Further private investments should also recover due to the rise in commodity prices and resurgence in demand. The growth is already visible in the municipal water sector.

In this environment the company is strengthening its business activities to resume growth and address the new market opportunities.

C. OPERATIONS

STANDALONE

Revenues for 2020-21 were at 362.09 crores from 402 crores in the previous year due to lower dispatches due to Covid related disruptions. Profit before tax was at 79.36 crores against 77.49 crores in 2019-20 supported by lower costs.

The company could improve its order booking during the second half of the year as business activity resumed. Large project orders booked from the municipal sector along with specialized pump orders from the Oil & Gas sector were the major bookings.

The Company is seeing demand traction emerging across all 3 sectors of municipal with the Jal Jeevan Mission, irrigation with growth of piped irrigation and in the industry sector in Oil and Gas. Further, new investments in steel and cement are also expected.

PRODUCT Division

The performance of this division improved in the second half of the year as a large number of pending projects could be dispatched. This also helped improve cash flows.

Furthermore, order booking was also stable and the Division is well placed to resume growth as project demand picks up. Major area of growth appears in the Oil and Gas sector as large investments are planned in the country. The Division is also developing new products in the energy efficiency sector which will help growth in the Indian market and also meet product needs for the Developed markets.

Throughout the year, the division developed and strengthened its product lines to cover all applications in the water sector with emphasis laid on design and manufacturing. Continuous investments in test bed up gradation and installation of new CNC machines along with new product designs are the major focus areas for the division to help consolidate its position as a leading player in its segment.

PROJECT Division

The performance of the Project division was greatly affected by disruptions at its sites with localized lockdowns and hence the division saw a sharp fall in revenues. However, in the second half of the year the company could book major orders from Madhya Pradesh Jal Nigam and a piped irrigation project in Maharashtra.

The Division saw improved performance in the last quarter and hopes to significantly improve performance in 2021-22 based on improving conditions and new contracts.

A major positive is the steady improvement in order backlog which provides sustained visibility for the medium term. Similarly, the order pipeline remains strong and more large contracts are expected in the first half of the new fiscal.

CONSOLIDATED

The consolidated operations of the company comprising its International operations and its domestic Joint Venture Clyde India were also affected by the Covid pandemic particularly in the first half of the year however, the global operations performed stronger in the second half of 2020-21.

Revenues of the consolidated operations in 2020-21 were at 1010 crores and Profit before tax was 108.76 crores against 925 crores and 78 crores respectively in 2019-20. The order booking for the various International businesses were also robust and the company expects a strong performance in 2021-22 .

A major achievement was the monetization of our UK subsidiary real estate assets at a good valuation in these difficult times.

GRUPPO ATURIA

The performance of Gruppo Aturia was improved with good performance in the last quarter. The first half of the year was disrupted by lockdowns in Italy and supply chain disruptions however the order book remained strong enabling the company to perform well in the last quarter backed by good execution.

In 2019 the company had acquired the oil & gas business of Finder Pompe and this has proved very successful with the resurgence of oil prices and renewed expenditure on production and exploration. The company expects this to be a major growth trigger in the medium term. Simultaneously, the uptick in infrastructure investments in the Middle East North Africa also augurs well for growth in supply of large pumps.

Rutschi Pompe, the nuclear subsidiary of Gruppo Aturia also performed well with consistent business in the nuclear aftermarket business along with special nuclear projects which leverage its tremendous expertise and brand potential in the sector.

WPIL South Africa

Wpil South Africa had an excellent year with good execution of project orders and expects to maintain momentum in the new fiscal . The extreme water shortage in South Africa is leading to large public investment in the sector. The company is well placed to leverage this opportunity.

The mining and industrial sector is also expected to get a boost with higher commodity prices.

STERLING PUMPS, Australia

Sterling Pumps acquired United Pumps Australia, a leading oil and gas supplier early 2020 just before the Covid crisis and had a difficult dealing with the acquisition challenges and the Covid crisis. However, the company did well to steam line the acquisition and the strong results of its water business maintained cash flows.

With the surge in oil prices large investments are planned in the Asia Pacific area and United Pumps is expected to be a major beneficiary. The company is working towards strengthening operations and market positioning.

WPIL Thailand

Wpil Thailand is now growing its operations and moving towards bigger projects with its latest large order for Klongsaphan project of RID. The company has grown its project execution expertise over the years and is now a strong player in the Thai market.

CLYDE INDIA

The company had a good year with growth in supply of its API range of pumps to the Indian downstream oil and gas sector

D. FUTURE OUTLOOK

The Global Economy which had plunged into a severe contraction due to the first and second wave of the corona virus pandemic and the shutdown measure to contain it. The operations for the first half of the year are also expected to be affected due to the phased re-opening of various economies. However, with the increased penetration of vaccination a strong economic rebound is expected from the second half of the year.

The Company being one of the leaders in the pump industry foresees good growth in both domestic and international operations and continues to strengthen its business by diversifying across geographies and product categories to both de-risk and grow business. All divisions are well equipped to deal with their growing order book and provide good quality and delivery of products to further enhance market share. The Company continues its development of International markets and its focus on various product groups which along with growth of its Project Division should further strengthen its business for the medium term.

E OPPORTUNITIES AND THREAT, RISK AND CONCERNS

WPIL has strengthened itself with necessary manufacturing infrastructure and financial health to be a very strong Company in its sector. Its products have a technical edge in the market and are the preferred choice of its customers. Along with this its support services and team of competent, qualified and experienced personnel command great respect in the market place. A combination of such strong qualities should help to maintain its growth in the recent past.

The biggest concern remains geo political risks such as major currency fluctuation, political stability and commodity price swings. The company is putting in place policies to minimize impact in such scenarios. Further, second and third waves of Corona virus pandemic may work up as an impediment towards seamless operations and growth of the Company. However, of late, availability and massive application of vaccination throughout the country will taper of intensity of outbreak of corona virus pandemic.

F. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has in place adequate system of internal control through the process of Operational Internal Audit and the same is monitored by the Internal Audit conducted by external professional audit firm, which independently reviews and strengthens the control measures. Internal Audit of all operational units was carried out during the year under report as per the scope approved by the Audit Committee of Directors. The internal audit teams regularly briefs the management and the Audit Committee on their findings and also recommend the steps to be taken with regard to deviations, if any. Internal Audit Reports are regularly submitted for perusal of Senior Management to initiate appropriate action as required.

G. HUMAN RESOURCES AND INDUSTRIAL RELATIONS.

The People process is at the heart of Company's successful story. The Company lays significant importance for all round developments of its Human Resources with special emphasis to train the employees at all levels to enhance their effectiveness in their contribution to the overall performance of the Company through skill up-gradation, knowledge improvement and attitudinal change. These enable the employees at all levels to cope with the competitive environment through which the Company is passing at present and to achieve the desired corporate objective.

The industrial relations climate in the Company continued to remain harmonious and cordial. The Company has a vibrant atmosphere and able to face challenges of economic downturn with fortitude. Various welfare measures and recreational activities are also being continued side-by side of production to maintain such relations.

The Company had 248 employees on the roll at the end of the year under review as against 278 last year.

CORPORATE GOVERNANCE

The Company has always followed the principles of good Corporate Governance through attaining a highest level of transparency, professionalism, accountability and integrity in its functioning and conduct of business with due respect to laws and regulations of the land..

Necessary measures have been adopted to comply with the requirements of the Listing Agreements with Stock Exchange wherein the Company's shares is listed and SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 as amended by SEBI (Listing Obligations and Disclosures Requirements) (Amendment) Regulations, 2018. A separate report on Corporate Governance adopted by the Company, which is given in Annexure- B, forms a part of this report.

A certificate from the Auditors of the Company regarding the compliance of the conditions of Corporate Governance is attached to this report.

BUSINESS RESPONSIBILITY REPORT

The Securities and Exchange Board of India (SEBI) requires certain companies to prepare and present to stakeholders a Business Responsibility Report (BRR). Accordingly, a BRR has been prepared by the Company as per the suggested format of SEBI which is given in Annexure- D, forms a part of this report. The BRR may be accessed to Company's website at www.wpil.co.in

DIRECTORS' RESPONSIBILITY STATEMENT

In terms of the requirements of Section 134 (5) of the Companies Act, 2013, the Directors confirm that;

- (i) in the preparation of the Annual Accounts, the applicable accounting standards had been followed along with proper explanation relating to material departure;
- (ii) the Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit or loss of the Company for that period;
- (iii) the Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance of the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (iv) the Directors had prepared the Annual Accounts on going concern basis;
- (v) the Directors had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively and
- (vi) the Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such system were adequate and operating effectively.

Both, the Managing Director and Executive Director have furnished the necessary certification to the Board on these financial statements as required under Part B of Schedule II under Regulation 17(8) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

DIRECTORS

In accordance with the provisions of Section 152 of the Companies Act, 2013, Mrs Ritu Agarwal retires by rotation and being eligible, offer herself for re-appointment. Mr. V.N. Agarwal resigned as Director from Board of the Company with effect from 3rd February, 2021. Pursuant to the provisions of section 161 of the Companies Act, 2013, read with the provisions of Article 123 of the Articles of the Company and provisions of section 149 of the Companies Act, 2013, Regulation 17(1) of SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, and also in terms of the recommendation of the Nomination and Remuneration committee, the Board of Directors at its meeting held on 12th March, 2021, appointed Mrs. Samarpita Bose as Additional Independent Director of the Company to hold office up to the date of next Annual General Meeting of the Company or last date on which the Annual General Meeting should have held whichever is earlier. A notice in writing, under Section 160 of the Companies Act, 2013 has been received from a member of the Company signifying his intention to propose Mrs. Samarpita Bose as candidate for the office of the Independent Director. The Brief resume of the Directors seeking appointment/re-appointment in the forthcoming Annual General Meeting in pursuance of Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, are annexed to the Notice convening Sixty Seventh Annual General Meeting.

The Company has received declarations from all Independent Directors confirming that they meet the criteria of independence as prescribed in subsection (6) of Section 149 of the Companies Act 2013 read with Companies (Appointment and Qualification of Directors) Second Amendment Rules, 2018 and the 16(1) (b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended by SEBI (Listing Obligations and Disclosures Requirements) (Amendment) Regulations, 2018.

In the opinion of the Board, there has been no change in the circumstances which may affect their status as Independent Director of the Company and the Board is satisfied of the integrity, expertise and experience (including the proficiency in terms of Section 150(1) of the Act and applicable rules thereunder) of all Independent Directors of the Board.

In terms of Section 150 read with Rule 6 of the Companies (Appointment and qualification of Directors) Rules 2014, Independent Directors of the Company have undertaken requisite steps towards inclusion of their names in the data bank of Independent Directors maintained with the Indian Institute of Corporate Affairs.

POLICY FOR DIRECTORS' APPOINTMENT

The Company recognizes that an enlightened Board could effectively create a culture of leadership to provide long term vision, improve the quality of governance and invite the confidence of stakeholders. In order to ensure that Board Directors can discharge their duties and responsibilities effectively, the Company aims to have a Board with optimum combination of experience and commitment. The Company also believes the importance of Independent Directors in achieving the effectiveness of the Board. A diverges Board enables efficient functioning through differences in perspective and skill and also fosters differentiated thought process at the back of varied industrial and management expertise, gender, knowledge and geographical background. The policy of the Company for appointment of Directors and criteria for determining the qualifications, positive attitude and independence of a Director can be accessed to its website at www.wpil.co.in

POLICY FOR REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES'

The Company recognizes the fact that there is a need to align the business objective with the specific and measurable individual objectives and targets. The Company has therefore formulated the remuneration policy for its Directors, Key

Managerial Personnel and other employees keeping in view of the following objectives.

- 1) Ensure that the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully.
- 2) Relationship of remuneration to performance is clear and meets appropriate performance benchmarks and
- 3) Remuneration to Directors, Key Managerial Personnel and Senior Management involve a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The remuneration policy of the Company for its Directors, Key Managerial Personnel and other employees can be accessed to its website at www.wpil.co.in

AUDITORS

Pursuant to the requirements of Section 139 of the Companies Act, 2013, and pursuant to the approval of Members at the Sixty Sixth Annual General Meeting, Messers. Salarpuria & Partners, Chartered Accountants, (ICAI Firm Registration No. 302113E) had been appointed as Statutory Auditors of Company for a term of five years to hold the office from the conclusion of 66th Annual General Meeting till the conclusion of 71st Annual General Meeting. As such no resolution to this effect has been proposed in the notice convening the forthcoming Sixty Seventh Annual General Meeting of the Members of the Company.

COMPANIES (ACCOUNTS) RULES, 2014

Information under section 134(3)(m) of the Companies Act, 2013, read with Rule 8 of the Companies (Accounts) Rules, 2014, relating to Conservation of Energy, Technology Absorption and Foreign Exchange earnings and outgo so far as is applicable to the Company are furnished in Annexure-A which forms a part of this Report.

CODE OF CONDUCT

The Company has formulated Code of Conduct in compliance to the requirements of Regulation 17(5) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. This code of conduct applies to Board Members and Senior Management Personnel of your Company. Confirmations towards adherence to the code during the financial year 2020-21 have been obtained from all Board Members and Senior Management Personnel in terms of the requirements of Regulation 26(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and a declaration relating to compliance to this code during the year under review by all Board Members and Senior Management Personnel has been given by the Managing Director of the Company in terms of Schedule V(D) under regulation 34(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 which accompanies this report.

The Company's shares are under transfer-cum-demat option. Shares of the Company can only be traded in dematerialized form. You have the option to hold the Company's shares in demat form through National Securities Depository Limited (NSDL) or Central Depository Services (India) Limited (CDSL). 99.03% of the total equity share capital of the Company was held in dematerialized form with NSDL and CDSL as on 31st March 2021.

CONSOLIDATED FINANCIAL STATEMENTS

As required under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Companies Act, 2013, the Consolidated Financial Statement of the Company and its group of

entities are provided in this Annual Report. The Consolidated Financial Statements of the Company along with those of its Subsidiaries and Joint Venture Companies have been prepared as per Indian Accounting Standards (IND-AS) 27 issued by the Institute of Chartered Accountants of India and shown the financial resources, assets, liabilities income, profits and other details of the Company and its group of entities as a single entity.

The performance and financial position those of its Subsidiaries and Joint Venture Companies considered in the Consolidated Financial Statements are provided in accordance with the provisions of Section 129 of Companies Act, 2013 read with Rule 5 of the Companies (Accounts) Rules, 2014 as a separate statement annexed to the note on Accounts containing salient features of the financial statements of the Company's subsidiaries/joint ventures in form AOC-1. The Company publishes the Audited Consolidated Financial Statements in the Annual Report. As such, Annual Report 2020-2021 does not contain financial statements of the subsidiaries in terms of General Circular No. 2/2011 dated 8th February, 2011, issued by the Ministry of Corporate Affairs. In terms of the requirements of SEBI (Listing Obligations and Disclosures Requirements) (Amendment) Regulations, 2018, financial statements of subsidiaries have been placed at www.wpil.co.in

COST AUDIT

The Company had appointed M/s. D.Radhakrishnan & Co., Cost Accountants as the Cost Auditors of the Company for the financial year 2020-21 under Section 148 of the Companies Act, 2013 to conduct Cost Audit relating to Cost Records maintained by the Company in respect of other machinery. As required under Rule 14 of the Companies (Audit and Auditors) Rules, 2014, for the purpose of subsection (3) of Section 148 of the Companies Act, 2013, the remuneration payable to the Cost Auditors for the year under review as recommended by Audit Committee and considered and approved by Board will be placed before the members for ratification at the ensuing Annual General Meeting.

EXTRACTS OF ANNUAL RETURN

Companies (Management and Administration) Amendment Rules, 2021 have done away with the requirements of disclosures of extract of Annual Return by the way of Form MGT-9 altogether from Board Report. However, for sake of information of stakeholders, such information for the financial year 2020-21 may be accessed at www.wpil.co.in

NUMBER OF BOARD MEETINGS HELD :

The Board of Directors duly met five times during the Financial Year from 1st April, 2020 to 31st March, 2021. The dates on which the Meetings were held are 2nd July, 2020, 14th August, 2020, 3rd November, 2020, 3rd February, 2021 and 12th March, 2021

SECRETARIAL AUDIT

According to the provisions of Section 204 of the Companies Act, 2013, read with Rule 9 of the Companies (Appointment of and Remuneration of Managerial Personnel) Rules, 2014, every listed Company to annex with its Board report, a Secretarial Audit Report given by Company Secretary in practice in the form MR-3.

The Board of Directors appointed M/s. Rinku Gupta & Associates, Practicing Company Secretaries, as Secretarial Auditors to conduct the Secretarial Audit of the Company for the financial year 2020-21. The report did not contain any qualification, reservation or adverse remark. The Secretarial Audit Report as submitted to the Company is enclosed in Annexure- C which forms a part of this report.

PARTICULARS OF LOAN, GUARANTEE OR INVESTMENTS

Details of Loan, Guarantee or Investments covered under the provisions of Section 186 of the Companies Act, 2013 as

on 31st March, 2021 are attached in Annexure- E which forms a part of this report.

RELATED PARTY TRANSACTIONS

All contracts/arrangements/transactions entered by the Company during the financial year with Related Parties that were on arm's length basis and in the ordinary course of business. As required under SEBI (Listing Obligations and Disclosure Requirements) 2015, related party transactions are placed before the Audit Committee for approval. Wherever required, prior approval of the Audit Committee is obtained on an omnibus basis for continuous transactions and the corresponding actual transactions become a subject of review at subsequent Audit Committee Meeting.

There were no materially significant related party transactions entered into by the Company with Promoters, Directors, Key Managerial personnel or other designated persons which could conflict with the interest of the Company as a whole and as such, disclosure in form AOC-2 pursuant to Rule 8(2) of the Companies (Accounts) Rules, 2014 is not required.

The Board of Directors of the Company has, on the recommendation of Audit Committee, adopted a policy to regulate transactions between Company and related parties, in compliance of applicable provisions of the Companies Act, 2013, the Rules thereunder and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Policy on materiality of Related Party Transactions and dealing with Related Party Transactions as approved by the Board may be accessed to Company's website www.wpil.co.in

CORPORATE SOCIAL RESPONSIBILITY (CSR)

The Company has been a socially responsible corporate and its core value defines the way it operates and create value with the larger society. The company's four basic principle comprising safety, integrity, sustainability and respect form the basis of its CSR policy. The Company is therefore committed to behave responsibly towards people and society at large where it operates to develop social welfare. In line with its CSR Policy, the Company, CSR commitment centres around three thematic areas- Education, Health & Hygiene, and Safe Drinking water. In terms of Section 135 and Schedule VII of the Companies Act, 2013, the Board of Directors of the Company had constituted a CSR Committee comprising of three Directors, one of whom is Independent. CSR Committee of the Board has formulated a CSR policy of the Company and recommended same to the Board. The Board had approved the CSR activities undertaken by the Company as recommended by the CSR Committee which are enclosed in Annexure-F. Some of the CSR projects/ initiative taken up/sustained during the year include distribution of spectacles, distribution of books at school run by NGO at Kolkata, and Uttar Kashi, distribution of projectors for smart education at school run by NGO at Kolkata, re-imburement of honorarium paid to teachers engaged in school run by NGO at Purulia, Setting up water vending machines to provide supply of safe drinking water, arrangement to supply safe drinking water from deep tube well through overhead storage tanks at five dispensing points in three villages at Salboni, in the district of West Midnapur, arrangement to provide supply of safe drinking water through installation of deep hand tubewell at Uluberia, Howrah etc. Some CSR initiatives and projects planned during the year could not be taken up due massive outbreak of COVID-19 pandemic, where social distancing is a norm to be followed and consequent restriction imposed by the State Government. The CSR Policy as approved by the Board may be accessed to Company's website at www.wpil.co.in

VIGIL MECHANISM/ WHISTLE BLOWER POLICY

In pursuant to the provisions of Section 177(9) & (10) of the Companies Act, 2013, a vigil mechanism of Directors and Employees to report genuine concerns has been established. The Whistle Blower Policy (vigil Mechanism) may be accessed

to Company's website at www.wpil.co.in. During the year under review, no protected disclosure from any whistle blower was received by the designated officer under the Vigil Mechanism.

RISK MANAGEMENT

The Risk Management Committee consists of Mr. P. Agarwal (Chairman), Mr. S.N.Roy and Mr. K.K. Ganeriwala. The Committee has been entrusted with the task for rendering assistance to the Board in (a) assessing and approving the Company's wide risk management framework; (b) Overseeing that all risks that the organization faces comprising Strategic, financial, Credit, Market, Liquidity, Investment, Property, legal, Regulatory Reputational and other risks of the Company have been identified and assessed and there is adequate Risk Management Infrastructure in place capable of addressing those risks in time and effectively. The holistic approach provides the assurance that, to the best of its capabilities, the Company identifies, assesses and mitigates risks that could materially impact its performance in achieving stated objectives.

The Company manages monitors and reports on principal risks and uncertainties that can impact its ability to achieve its strategic objectives. Organizational structures, processes, standards, code of conduct and behaviors all taken together constitute the management system of the Company that governs as to how Company conducts its business and manages risks associated with it.

The Company has introduced several improvements to integrated Enterprises Risk Management, internal control management and assurance framework and processes to drive a common integrated view of risks, optimal risk mitigation responses and efficient management of internal control supplemented by Internal Audit and assurance activities. The integration is enabled by all three being fully aligned across group wide Risk Management, Internal Control and Internal Audit methodologies and processes. Going forward, the criticality of Risk Management an organization faces, the Company is constantly striving for developing a strong culture for Risk Management and awareness within the organization across all verticals.

INTERNAL FINANCIAL CONTROL

The Company has in place adequate Internal Financial Controls with reference to financial statement. During the year such controls were tested and no reportable material weakness in the design and operation has been noticed.

Particulars of Employees and related disclosures

Disclosures pertaining to remuneration and other details as required under Section 197(12) of the Companies Act, 2013, read with Rules 5 (1) of the Companies (Appointment and Remuneration of Managerial personnel) Rules, 2014, as amended are provided in Annexure – G. Pursuant to provisions of Section 197(12) of the Companies Act, 2013, read with Rules 5 (2) of the Companies (Appointment and Managerial personnel) Rules, 2014, as amended, a statement containing the names and other prescribed particulars of top 10 employees in terms of remuneration drawn is annexed to and forms a part of this report. However, having regards to the provisions of first proviso of Section 136(1) of the Companies Act, 2013, the Annual Report is being sent to all the Members of the company excluding this information. The aforesaid statement is available for inspection in electronic form up to the date of the ensuing Annual General Meeting. Any shareholder interested in obtaining a copy of the said information may send a e-mail to the Company Secretary at uchakravarty@wpil.co.in and same will be furnished on request. The said information may be accessed at the website of the Company. Disclosures pertaining to remuneration and other details as required under Section 197(12) of the Companies Act, 2013 read with Rules 5 (2) (i), are furnished in Annexure H. However, information as to the requirements under 5(2) (ii) & (iii) & 5(3) of the Companies (Appointment and Managerial Personnel) Rules, 2014, as amended are not furnished since there was no employee during the year who was in receipt of remuneration set out in the said Rules.

BOARD EVALUATION

Pursuant to the provisions of the Companies Act, 2013, and as prescribed by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015, the Board of Directors has carried out an annual evaluation of its own performance, Board Committee and Individual Directors of the Company.

The Board evaluated its performance after considering the inputs received from all Directors based on the Criteria comprising composition and structure of the Board with diverse background and experience, flexible and effective board procedures, inflow of the right amount and quality of timely information and functioning etc.

The Board evaluated performance of its Committee after considering the inputs received from all Committee Members based on the Criteria involving composition of the Committee with diverse experience and skill, effectiveness of the Committee etc.

The Board and the Nomination and Remuneration Committee reviewed the performance of the Individual Directors on the basis of the criteria such as, contribution of the Individual Directors to the Board and Committee Meetings like preparedness on the issue to be discussed meaningful and constructive contribution, inputs in meetings, updated on skill, knowledge, familiarity with Company and its business etc. Similarly, Board evaluated the performance on the Chairman based on the criteria of effective leadership, constructive relationships and communications within the Board, addressing of the issue and concerns raised by the Members of the Board etc. The evaluation of Independent Directors had been undertaken by the entire Board of Directors except Independent Directors who was subject to evaluation. The evaluation of Independent Directors were primarily focused on performance of Director together with fulfillment of Criteria of Independence as specified in SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended by SEBI (Listing Obligations and Disclosures Requirements) (Amendment) Regulations, 2018.

The Independent Directors at their separate meeting evaluated the performance of Board as a whole, and performance of Non-Independent Directors after taking into accounts the views of Executive Directors and Non-Executive Directors. The same was discussed in the Board Meeting held following the meeting of the Independent Directors, at which the performance of the Board, its committees and Individual Directors was also discussed.

VOLUNTARY DELISTING OF EQUITY SHARES

The Company had submitted application to The Calcutta Stock Exchange Limited (CSE) towards Voluntary Delisting of its Equity Shares under Regulations 6(a) and 7 of the SEBI (Delisting of Equity Shares), Regulation, 2009 only from CSE while the Equity Shares of the Company will continue to remain listed on BSE Limited which has nationwide trading terminal. The CSE after examining application of the Company to the above effect and on compliance of subsequent formalities by the Company has granted clearance to the proposal of the Company for Voluntary Delisting of its Equity Shares from CSE under SEBI (Delisting of Equity Shares), Regulation, 2009 with effect from 6th May, 2021.

INVESTOR SERVICES

In compliance to the requirements of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has dedicated a separate page for Investors Services in its Website at www.wpil.co.in. This page contains particulars for the information of Investors as prescribed under Regulation 46 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Company keeps on updating these particulars as and when necessary.

STATUTORY DISCLOSURES

None of the Directors of the Company are disqualified as per the provisions of Section 164(2) of the Companies Act, 2013. The Directors of the Company has made necessary disclosures as required under various provisions of the Companies Act,

2013 and SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015. Further the company has complied with all applicable secretarial standards during the year as prescribed by The Institute of Company Secretaries of India and this disclosure is made in conformity with the requirements of revised version of secretarial standards SS-1 effective from 1st October, 2017 issued by The Institute of Company Secretaries of India.

PUBLIC DEPOSITS

The company has not accepted any deposits from public within the meaning of Section 73 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014 and no public deposits were outstanding or remained unclaimed as on 31st March, 2021.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS

There are no significant and material orders passed by the Regulator or Courts or Tribunal that would impact the going Concern status of the Company and its future operations.

DISCLOSURE UNDER SEXUAL HARASSMENT OF WOMEN AT WORKPLACE

The Company is committed to provide and promote a safe healthy and congenial atmosphere irrespective of gender, cast, creed or social class of the employees. The Company has in place the requisites Internal Committee as envisaged in the Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal) Act, 2013 to redress complaints, if any, received regarding sexual harassment. No complaints on the issues covered by the said act were reported to the Internal Committee / Board during the year.

MATERIAL CHANGES AND COMMITMENT

There were no material changes and commitments affecting the financial Position of the Company, which has occurred between the financial year to which these financial statements relate and date of this report.

INSTANCES OF FRAUD, IF ANY REPORTED BY THE AUDITORS

There have been no instances of any fraud reported by the Statutory Auditors under Section 143(12) of the Companies Act, 2013.

COMMODITY PRICE RISK OR FOREIGN EXCHANGE RISK AND HEDGING ACTIVITIES.

In terms of circular SEBI/HO/CFD/CMD1/CIR/P/2018/0000000141 dated 15th November, 2018 and pursuant to SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015, the Board of Directors, is of opinion that the Company does not deal with products which requires it to enter into forward contract to hedge against price fluctuation that may end up in a substantial loss.

GREEN INITIATIVE

The Company has taken initiative of going green and minimizing the impact on the environment. The Company has been circulating the copy of the Annual Report and disseminating other information in electronic format to all those Members whose email address are available with the Company. The Ministry of Corporate Affairs through its general circular 20/2020 issued on 5th May, 2020 read with General Circular No. 02/2021 dated 13th January, 2021 mandated that in view of the prevailing situation (due to outbreak of COVID-19 Pandemic) and owing to the difficulties involved in dispatching of Physical copies of the financial statements (including Board Report, Auditors Report and other documents required to be attached therewith), such documents shall be sent only by e-mail to the Members. Accordingly, those members have

not yet registered their e-mail ID with the Registrar and Transfer Agent of the Company or their depository participants may do the same forthwith in accordance with procedure mentioned in the notice convening Sixty Seventh Annual General Meeting for receiving Annual Report and other communications in electronic form and participation in e-voting. Further SEBI vide its circular no. SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 dated 20.04.2018 directed all Companies to make payment of dividend to the shareholders through approved electronic modes and also directed that updated Bank Details of the shareholders must be maintained by the Companies and if not available, the same must be obtained from the concerned shareholders. The Members are requested to ensure compliances of these requirements

DISCLAIMER

Statement in the management discussion and analysis and Directors' Report describing the Company's strength, projections and estimates are forward-looking statements and progressive within the meaning of applicable laws and regulations though the Company believes expectations reflected in such forward looking statements are reasonable. However, no assurance can be given that such expectations will prove to have been correct. Actual results may vary from those expressed and implied, depending upon the economic conditions, Government Policies and other incidental factors. Readers are cautioned to repose undue reliance on the forward looking statements.

ACKNOWLEDGEMENT

The Directors take this opportunity to express their whole-hearted appreciation for the unstinted support and co-operation received from the Central Government, various State Governments and Government undertakings, Banks, Financial Institutions, Customers and Shareholders during the year under review. The Directors also wish to place on record their appreciation for the service rendered by the employees at all levels in the Company and for their valuable contributions towards the performance of the Company.

The Directors deeply mourn the loss of life due to COVID-19 pandemic and are grateful and convey profound respect for every person who risked their life and safety to combat this pandemic.

PARTICULARS OF DISCLOSURE UNDER RULE 8 OF THE COMPANIES (ACCOUNTS) RULES, 2014.

A) CONSERVATION OF ENERGY

Following measures were adopted during the year for conservation of energy. The impact of the above measures have the effect of reduction of energy consumption leading to saving of energy cost by Rs. 50000/- per month.

AT KOLKATA OPERATION

- In the factory shed, 34 Nos overhead old 480 Watt Illumination Fittings were replaced by 80 Watt LED,
- Manufacturing operations of Shop No 1 at Panihati has been relocated to other Shops. Thus Illumination Power Cost of Shop No 1 has been reduced.
- For the office building, many of old electrical utilities / wiring have been replaced by new wiring.
- Officer's posting at different factories were reorganized for process efficiency optimization and indirectly helped in reducing office area occupancy / electricity cost.

AT GHAZIABAD PLANT

Conservation Of Energy

- Power saving awareness monitoring program is ongoing.
- Major saving of power due to replacement of Conventional Bulb with LED inside the Workshop & Offices. Replacement of street Light from Mercury Vapour to Solar.

B) RESEARCH & DEVELOPMENT (R&D)

Following are the specific areas in which R&D activities have been carried out by the Company during the year under review.

AT PANIHATI PLANT

New Pump Models/Components Developed:

- Hydraulic design of high efficiency, large vertical turbine pumps of Francis type for Lift Irrigation System (Sp Speed 2500-2600 Ns US) of design flow 34000 – 38000 m³/hr and head range 58 – 62 m.

AT GHAZIABAD PLANT

DESIGN/DEVELOPMENT & ENGG.

HSC PUMPS

- 8WLN29B –API Pump development in SDSS-ONGC
- 20LN28D New Impeller Design for IOCL Panipat.
- Casing redesigned for High Flange forces and movements.

HORZ. AXIAL FLOW PUMPS

- Modular design concept, Mech & CFD analysis done.

SELF PRIMING PUMPS FOR NAVY/MARINE APPLICATION

- Aquafit Monoblock-Feed T/F Pump designing
50-32-200Y Casing & Impeller design.

- Aqualine Monoblock-Aux Circulating Pump set designing
40-200Y Casing & Impeller design
80-200Y Casing & Impeller design
- Single Phase Motor 5HP design

DOCUMENTATION & STANDARDIZATION

- HSC- LN,LR- Redesigned to O&G – EIL Specifications
- Development of Cast Iron Base Frames.

SEWAGE/SCF PUMP MOTORS

- 132,120,100 & 90 Motor Frame designed/under development
- 2 Pole,4 Pole,6 Pole & 8 Pole LT motors. Stator & Rotor Electric dimensioning and Winding diagram designed. Samples under Production & Testing
- WQ WXH 300-500 New pump designed with 850 HP 3KV VSCF Pump Set for State Irrigation developed & Tested
- Motor Auto Cooling System for 400 KW Motor designed under development

BORWELL SUBMERSIBLE MOTOR PUMP

- 140F,180F Motor redesigned for higher efficiency, reliability and life A/C ESSL Nema shaft coupling introduced
- Pump redesigned with double Bearings and longer suction cases standardized Borewell size wise
- Higher efficiency Pump Hydraulic design with 5% increase

SOFTWARE - CFD/MECHANICAL ANALYSIS

- Nozzle & Forces Structural analysis 20LN28 Lower Casing-redesigned to higher limits than ISO 5199
- CFD GM9SC Pump for efficiency & performance improvement. Efficiency improvement achieved is 4%.
- Electrical analysis and magnet FEA for 10HP Solar Pump Motor
- Pump high performance improvement by template calculation SW with CSD and ansys mech. under process
- 9H High efficiency Pump analysis (Bowl & Impeller)
- Electrical analysis and magnet FEA for 40HP Solar Pump Motor(PMSM Motor).
- Data collection, Electrical analysis and Magnet FEA for less than 10HP Solar Pump Motor (SRM Motor)

Addition of new facilities:

- Plant Office renovation completed.
- Officer's/Visitors 4 wheeler parking area developed near main gate.
- Replacement of asbestos Roof Sheet of old foundry shed to introduce finishing/packing/dispatch of pumps completed.
- New gantry crane at rod cutting area installed.
- Separate enclosed storage for Motor completed.

- Major required changes i.e. civil work in Old foundry shop is under progress to develop Pump manufacturing facility.
- Shifting of existing small patterns at new identified area completed.
- Reallocation of Air compressor for CNC Plano Milling Machine completed.
- Floor painting in SPD shed under progress.

AT PANIHATI PLANT

(C) TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATION

- CFD (Computational Fluid Dynamics) laboratory already established at R&D department further strengthened by skilled manpower. Internationally acclaimed CFD software ANSYS CFX has been installed at Kolkata and Ghaziabad design centres. These design centres are regularly conducting Flow Pattern Analysis for performance improvement of pumps and sump flow pattern analysis.

FUTURE PLAN OF ACTION

- PLC based Data Acquisition System for Hydraulic Test Laboratory at Panihati. This will help to test and assess hydraulic performance of pumps more accurately in less time.
- New design and development of high performance axial flow pump with adjustable propeller angle.
- New CNC machines installed to enhance manufacturing capability of pump components in large nos.
- New plant layout for machining and assembly of pumps to enhance productivity.

TRAINING

- * R&D engineers attended in-house workshop on “PLC Based Data Acquisition system for testing of pumps” conducted by internal faculty.

INTERNATIONAL CERTIFICATIONS

AT GHAZIABAD PLANT

- Internal Auditors training & Internal Audit for ISO 45001-2018 completed.
- TUV certification of ISO 45001-2018 obtained for 3 years and suggested improvement by auditor implemented.

CONTINUAL IMPROVEMENT

- Re-arranging of Machines & Tools to upgrade the existing facilities.
- New design and development of high performance models for additional pump ranges.
- Product standardization.

HUMAN RESOURCE & DEVELOPMENT:

- Training by internal & external faculty on environment, health & safety.
- On job training being imparted in development of Pump assly. area.

AT PANIHATI PLANT

FOCUS ON PUMP PERFORMANCE:

- Continuous review and analysis of past and present pump performance test results. Corrective and preventive measures are being taken regularly.

VALUE ENGINEERING:

- Value engineering and performance improvement of Horizontal and Vertical Pumps and development of investment cast impellers of Horizontal pumps is a continual process

STANDARISATION

- Standardization of vertical turbine pump components and Horizontal pump components with focus on reduction of size and configuration variation. Overall goal is to reduce pump delivery time by maintaining stock of standard components. The design standardization of pump components on shaft size basis is complete and has substantially improved on delivery of horizontal pumps. Standardization of vertical pump Bowl Assembly items have also been completed. This will help reducing delivery time of long-setting vertical turbine pumps. Now focus is on developing modular design for Auxiliary Systems of Pumps.

QUALITY SYSTEM

- Awareness training conducted for Kolkata operation plants implementation of IMS (as per ISO 9001:2015, ISO 14001:2015 & ISO 45001:2018.).

REPORT ON CORPORATE GOVERNANCE

Annexure – B

Pursuant to para C, D & E of Schedule V under Regulation 34(3) of SEBI (LODR) Regulations, 2015 as amended by SEBI (LODR)(Amendment) Regulations, 2018 to the extent applicable.

1. COMPANY’S PHILOSOPHY ON CODE OF GOVERNANCE

Your Company’s philosophy on Corporate Governance aims to attain the highest level of transparency, professionalism, accountability and integrity in its functioning and conduct of business with due respect to laws and regulations of the land. It is directed in such a way that it performs effectively keeping in view customers and its business, employees and long term interest of the stakeholders. Your Company is committed to good Corporate Governance and continuously reviews various investors’ relationship measures with a view to enhance stakeholders’ value. Your Company within its web of relationships with its borrowers, shareholders and other stakeholders has always maintained its fundamental principles of Corporate Governance- that of integrity, transparency and fairness. For your Company, Corporate Governance is a continuous journey, seeking to provide an enabling environment to harmonize the goals of maximizing the shareholders’ value and maintaining a customer centric focus.

Your Company maintains that efforts to institutionalize Corporate Governance practices cannot solely rest upon adherence to a regulatory framework. Your Company’s Corporate Governance compass has been its newly adopted business practices, its values and personal beliefs, reflected in actions of each of its employees.

Your Company believes that while an effective policy on Corporate Governance must provide for appropriate empowerment to the executive management, it must also create a mechanism of internal controls to ensure that powers vested in the executive management are properly used with appropriate consideration and responsibility so as to fulfill the objectives of the Company.

The Board of Directors fully support and endorse Corporate Governance practices as per the provisions of the Listing Agreements as applicable from time to time. Your Company takes proactive approach and revisits its governance practices from time to time so as to meet business and regulatory approach. The Corporate Governance structure in your Company is based on an effective independent Board, the separation of the Board’s supervisory role from the executive management and constitution of Board Committees primarily focused on independent Directors and chaired by independent Directors to oversee the critical areas.

2. BOARD OF DIRECTORS

Your Company has a broad-based Board of Directors constituted in compliance with the terms of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended and in accordance with best practices in Corporate Governance. The Board of Directors of your Company comprises Executive and Non-Executive Directors; the latter include independent professionals who are also Independent Directors.

In accordance with the governance policy, Directors are eminent professionals with experience in business /finance / management. Managing Director and Executive Director are appointed /re-appointed with the approval of shareholders for a period of three years or for a shorter duration as the Board deems fit from time to time. All Directors other than Independent Directors, Managing Director and Executive Director are liable to retire by rotation. One-third of the Directors retire by rotation every year and are eligible for re-election. In terms of the Articles of Association of the Company, as amended, the strength of the Board shall not be less than three or more than twelve. The present strength of the Board of Directors is seven, of which two are Executive Directors.

The following is the composition of Board as on 31st March, 2021.

None of the directors on the Board of the Company is a Director in more than Seven listed companies and is a member of more than ten committees and/or acts as a chairman/chairperson of more than five committees across all the listed companies in which he/she is a Director.

Further, no Independent Director serves in more than seven listed companies and no person who is serving as a Whole-time Director in a listed company is serving as an Independent Director in more than three listed companies.

Details of Board Meetings held during the financial year

During the Financial Year 2020-21, Five Board Meetings were held on 2nd July, 2020, 14th August, 2020, 3rd November, 2020, 3rd February, 2021, and 12th March, 2021.

3. COMMITTEE OF THE BOARD

Presently, there are six Committees of the Board- (1) Audit Committee, (2) Nomination and Remuneration Committee, (3) Stakeholders Relationship Committee, (4) Corporate Social Responsibility Committee (5) Share Transmission and issue of Duplicate Shares Committee and (6) Risk Management Committee.

The terms of reference of Board Committees are determined by the Board from time to time. Meetings of each Board Committee are convened by Committee Chairman. Minutes of Board Committee Meetings are placed at the Board for information. The respective roles and compositions of these Committees, including the number of meetings held during the financial year and the related attendance are provided below:-

I. AUDIT COMMITTEE

The Audit Committee provides general direction and oversees the audit and risk management function in the Company. It carries out periodic review of accounting policies and internal control systems, reviews the quality of internal and management audit reports, ensures the reliability of financial and other management information and adequacy of disclosures; it also acts as an interface between the Statutory and the Internal Auditors and the Board of Directors.

The terms of reference of the Audit Committee are in line with Part C of Schedule II of Regulation 18(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 177 of the Companies Act, 2013.

The terms of references of Audit Committee include the followings:

- Overseeing Company's financial reporting process and disclosures of its financial information.
- Recommending appointment or removal of the Statutory Auditors, fixing of audit fees and approving payments for any other services. +
- Reviewing with the management the quarterly and annual financial statements with primary focus on:
 - a) Matters to be included in the Directors' Responsibility Statement comprised in the Board Report in terms of Clause (c) of sub-section (3) of Section 134 of the Companies Act, 2013.
 - b) Accounting policies and practices.
 - c) Compliance with Accounting Standards.
 - d) Accounting- based on exercise of judgment by management.
 - e) Qualification in the draft Audit Report.
 - f) Compliance with listing Regulations and other legal requirements concerning financial statements.
 - g) Significant adjustments arising out of audit.
 - h) The going concern assumptions.
 - i) Related party transactions.
- Reviewing with the Management, the Internal and the Statutory Auditors the adequacy and compliance of internal control systems.
- Reviewing Company's financial and risk management policies.
- Reviewing the Internal Audit functions and reports and major findings of the Internal Auditors.
- Pre-audit and post-audit discussions with the Statutory Auditors to ascertain the area of concern.

The Audit Committee comprises of two Non-Executive Directors, and one Executive Director. All the Non-Executive Directors are Independent Directors. Members of the Committee are financially literate and have accounting and financial management expertise. The General Manager (Finance) and Company Secretary acts as the Secretary to the Committee. The Managing Director and the representatives of the Internal and the Statutory Auditors are permanent invitees to the Audit Committee Meeting. The Committee constituted with Mr. Anjan Dasgupta, (Independent Director) as Chairman and Mr. S.N.Roy (Independent Director) and Mr. K.K.Ganeriwala (Executive Director) respectively as members of this Committee.

During the year ended 31st March, 2021, the Audit Committee Meetings were held 2nd July, 2020, 14th August, 2020, 3rd November, 2020, and 3rd February, 2021.

The composition of the Audit Committee and the attendance of the members as on 31st March, 2021 are furnished below:

Sl. No.	Name of Member of Audit Committee	No. of meetings attended	Number of meetings held during Members tenure
1.	Mr. Anjan Dasgupta	4	4
2.	Mr. S. N. Roy	4	4
3.	Mr. K. K. Ganeriwala	4	4

II. Nomination and Remuneration Committee

The composition of Nomination and Remuneration Committee of Directors as on 31st March, 2021, consists of Mr. Anjan Dasgupta, Independent Director (Chairman), Mr. S.N.Roy Independent Director and Mrs. Ritu. Agarwal, Non-Executive Director (appointed on 3rd February, 2021 in place of Mr. V. N. Agarwal who resigned from the Board on 3rd February, 2021). The terms of reference of the Nomination and Remuneration Committee primarily cover formulation of criteria for determining the qualifications, positive attitudes and independence of Directors, recommend to the Board a policy relating to the remuneration of Directors, Key Managerial Personnel and other employees. Identify the persons who are qualified to become Director and who may be appointed as Senior Management Personnel in accordance with criteria laid down and recommend to the Board for their appointment and removal and to carry out evaluation of performance of every Director. Fixation of remuneration, gradation, scales, perquisites, increments etc. of the Managing Director and the Executive Director.

The remuneration of the Managing Director/ Executive Director is determined by the Board of Directors within the statutory limits subject to the Shareholders approval and on the basis of recommendations of the Nomination and Remuneration Committee.

During the Financial year 2020-21, two Nomination and Remuneration Committee Meetings were held on 3rd February, 2021 and 12th March, 2021 respectively which were attended by all members constituting the Committee.

The criteria for performance evaluation of Independent Directors as laid down by Nomination and Remuneration Committee are furnished below:

Criteria for performance evaluation of Independent Directors

- a) Updated on skills, knowledge, familiarity with the Company and its business.
- b) Acts objectively and constructively while exercising duties.
- c) Participates in development of strategies and risk management.
- d) Committed to the fulfillment of a Director obligations and fiduciary responsibilities- these include participation and attendance.
- e) Demonstrates quality of analysis and judgment related to progresses and opportunities and need for changes.
- f) Contributes towards and monitor Company's Corporate Governance Practice.
- g) Keeps well informed about the Company and the external environment in which it operates.
- h) Does not unfairly obstruct the functioning of an otherwise proper Board or Committee of Board.
- i) Pays sufficient attention and ensures that adequate deliberations are held before approving the Related Party Transactions.
- j) Contributes adequately to address the top management issues.

- k) Acts within authority and assists in protecting the legitimate interests of the Company, its Shareholders and its employees.
- l) Ensures that vigil mechanism has been properly implemented and monitored.
- m) Reports concerns about unethical behavior, actual or suspected fraud or violation of the Company’s code of conduct or ethics policy.
- n) Does not disclose confidential information, commercial secrets, technologies, unpublished price sensitive information unless such disclosure is expressly approved by the Board or required by law.
- o) Attendance at the General Meeting of the Company.

The Non-Executive Directors draw remuneration from the Company by way of sitting fees for attending the Meetings of the Board and its Committees. The fees are determined by the Board from time to time within the statutory guidelines. However, Non-Executive Directors as a whole are entitled to receive commission not exceeding 1% of Net Profit of the Company in lieu of their services to the Company.

Independent Auditor’s Report on compliance with the conditions of Corporate Governance as per provisions of Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

The Members of WPIL Limited
Trinity Plaza, 3rd Floor,
84/1A, Topsia Road (South)
Kolkata- 700 046

1. We, Salarpuria & Partners, Chartered Accountants, Statutory Auditors of WPIL Limited (the “Company”), have examined the compliance of conditions of Corporate Governance by the Company for the year ended March 31, 2021, as stipulated in regulations 17 to 27 and clauses (b) to (i) of sub – regulation (2) of regulation 46 and para C, and D of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“the Listing Regulations”).

Management’s Responsibility

2. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in Listing Regulations.
3. The Management along with the Board of Directors are also responsible for ensuring that the Company complies with the conditions of Corporate Governance as stipulated in the Listing Regulations, issued by the Securities and Exchange Board of India.

Auditor’s Responsibility

4. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
5. We conducted our examination of the Corporate Governance Report in accordance with the Guidance Note on Reports or Certificates for Special Purposes and the Guidance Note on Certification of Corporate Governance, both issued by the Institute of Chartered Accountants of India (“ICAI”). The Guidance Note on Reports or Certificates for Special Purposes requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

7. Based on the procedures performed by us and according to the information and explanations given to us by the management , we are of the opinion that the Company has complied with the conditions of Corporate Governance as specified in the Listing Regulations, as applicable for the year ended March 31, 2021.

Other matters and Restriction on Use

8. This report is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

9. This report is addressed to and provided to the members of the Company solely for the purpose of enabling it to comply with its obligations under the Listing Regulations with reference to compliance with the relevant regulations of Corporate Governance and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care or for any other purpose or to any other party to whom it is shown or into whose hands it may come without our prior consent in writing. We have no responsibility to update this report for events and circumstances occurring after the date of this report.

Form MR-3
SECRETARIAL AUDIT REPORT

[Pursuant to Section 204(1) of the Companies Act, 2013 and
Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2021

To
The Members of
M/s. WPIL Limited

We have conducted the Secretarial Audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by M/s. WPIL Limited (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's Books, Papers, Minute Books, Website, Forms and Returns filed and other Records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives and information received by the Company from MCS Registrar and Transfer Agent Limited as may be considered relevant during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the financial year commencing from 1st April, 2020 and ended 31st March, 2021, complied with the statutory provisions listed hereunder and also that the Company has proper Board process and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter :

1. We have examined the Books, Papers, Minute Books, Forms, Returns filed and other Records maintained by M/s. WPIL Limited (“The Company”) for the financial year ended on 31st March, 2021, according to the provisions of:
 - i. a) The Companies Act, 2013 (the Act) and the Rules made thereunder.
b) The Companies (Amendment) Act, 2017 to the extent applicable.
 - ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
 - iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
 - iv. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Overseas Direct Investments;
 - v. The Securities and Exchange Board of India Act, 1992 ('SEBI Act') :
 - a. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015
 - b. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018.
 - c. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 as amended, 2015.
 - d. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;

2. Provisions of the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') were not applicable to the Company during the financial year under report:
 - i. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - ii. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 as amended from time to time;
 - iii. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - iv. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - v. The Securities and Exchange Board of India (Share based Employee Benefits) Regulations, 2014.
3. We have also examined compliances with the applicable clauses and regulations of the following:
 - i. Secretarial Standards issued by The Institute of Company Secretaries of India under the provisions of Companies Act, 2013 and
 - ii Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018
 - iii During the financial year under report, the Company has complied with the provisions of the Companies Act, 2013, as amended 2017 to the extent applicable and the Rules, Regulations, Guidelines, Standards, etc., mentioned above subject to the following observations;

4. OBSERVATIONS :

- (a) As per the information and explanations provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we report that the provisions of the Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder have been complied with to the extent of Overseas Direct Investments.
 - (b) As per the information and explanations provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we report that the Company has not made any GDRs/ ADRs or any Commercial Instrument during the financial year under report.
 - (c) As per the information and explanations provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, there was delay in ensuring compliance as to the requirements of Regulation 17(1) of SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018.
5. We have relied on the information and representations made by the Company and its Officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company.

6. MANAGEMENT RESPONSIBILITY

- a) Maintenance of Secretarial records is the responsibility of the Management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
- b) We have followed the audit practices and the processes as were considered appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test

basis to ensure that correct facts are reflected in secretarial records. We believe the processes and practices, we followed provide a reasonable basis for our opinion.

- c) We have not verified the correctness or appropriateness of financial records and Books of Accounts of the Company.
- d) Where ever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
- e) The Compliance of the provisions of Corporate and other applicable laws rules. Regulations and standard is the responsibility of the management. Our examination was limited to the verification of procedure on test basis.
- f) The Secretarial Audit Report is neither an assurance as to the future viability of the Company nor the efficacy or effectiveness with which the management has conducted the affairs of the Company.

7 We further report that :

- (a) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were changes in the composition of the Board of Directors during the year consequent upon appointment of an additional Independent director and resignation tendered by a non-executive non-Independent Director.
 - (b) Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation of the meeting.
 - (c) Unanimous consents were accorded by the Board Members in respect of the business transacted during the financial year under review.
 - (d) The Board of Directors of the Company at its meeting held on 3rd February, 2021 had approved a proposal of voluntary delisting of Equity Shares of the Company from Calcutta Stock Exchange only pursuant to the Regulations 6(a) and 7 of the SEBI (Delisting of Equity Shares), Regulations, 2009. The Equity Shares of the Company will continue to remain listed on BSE Limited which has a nationwide trading terminal and investors have access to trade and deal in Company's equity shares across the country. Based on the application of the Company to the Calcutta Stock Exchange (CSE) on the above effect and compliance of subsequent formalities, the CSE has granted clearance to the proposal of the Company for voluntary delisting of the Equity Shares of the Company from CSE under SEBI (Delisting of Equity Shares), Regulations, 2009 with effect from 6th May, 2021.
- 8 We further report that there are adequate systems and processes in the Company with the size and operations of the Company to monitor and ensure compliances with applicable Laws, Rules, Regulations and Guidelines.

Note 1. We comply with applicable standards laid down by Bureau of Indian Standards and International Standard Organization respectively, the provisions of Companies Act, 2013 on CSR, Indian Accounting standards for accounting, other applicable laws etc. The Company is committed to adhere to high standards for diversity and ensures safety, health, care for environment and quality, human right and prevention of bribery and corruption.

2. Governance related to BR

- (a) Indicate the frequency with which the Board of Directors, Committee of the Board or CEO assess the BR performance of the Company. Within 3 months, 3-6 months, annually more than 1 year.

- (b) Does the Company publish a BR or a Sustainability Report What is the hyperlink for viewing this report? How frequently It is published?

The BR performance of the Company is reviewed annually by the Board of Directors/ Managing Directors. The CSR committee reviews the implementation of projects/initiative/activities to be undertaken by The Company in the field of CSR. The Company Secretary coordinates with other supporting functions on periodic basis to assess the BR performance of the Company.

The Company from now onwards will publish the information on BR under Business Responsibility Report which forms part of Annual Report of the Company accessible at the website on <http://www.wpil.co.in>

Section E : Principle-wise performance

Principle 1

- 1. Does the policy relating to ethics, bribery and corruption cover only the Company? Yes/No. Does it extend to the group/joint Ventures/suppliers/contractors/NGO/Others?

- 2. How many shareholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the Management? If so provide details thereof in about 50 words or so.

WPIL code of conduct which inter alia covers aspects like Ethics, Bribery, corruption extends to dealing with customers, suppliers, shareholders, employees, government Communities and public at large.

During relevant financial year, the Company receives no complaint which comes within purview of this principle.

Principle 2

- 1. List up to three of your products whose design has incorporated social or environmental concerns, risks/and or opportunities.

- 2) For each such products, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional).

- a) Energy efficient submersibles under EESL contract
- b) Concrete Volute Pump
- c) Metallic Volute Pump

Efficient use of resources enables to reduce environmental impact and curtail cost. Resources used throughout the process of manufacturing and testing of our products are

- a) Electrical energy for manufacturing and testing
- b) Water for testing
- c) Castings (both ferrous and non-ferrous), forging, plates (carbon steel and stainless steel) are major raw materials used for pump manufacturing. As our pumps are not manufactured on mass production basis, determination of resource Per unit of product is not applicable.

- (a) Reduction during sourcing/ production/ distribution achieved since the previous year throughout the value chain?

Not applicable as the sourcing is done based on order quantum.

- | | |
|--|--|
| <p>(b) Reduction during usage by consumers (energy, water) has been achieved during the previous year.</p> | <p>By changing the conventional light to LED light in shop and office, nearly 10% reduction has been achieved in electrical consumption in the last year compared to the previous year.</p> |
| <p>3 Does the Company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably? Also provide details thereof, in about 50 words or so.</p> | <p>While selecting suppliers, apart from commercial consideration comprising quality, price, availability etc. we do weigh also on aspects on safety and environment. Inputs like castings forgings, plates, standard buyout like motor, fasteners etc. are sourced.</p> |
| <p>4 Has the Company taken any steps to produce goods and services from Local & small producers including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?</p> | <p>The Company for the purpose of carrying day to day production procures goods and services from MSME vendors. Effort are being made to increase the use of Goods supplied by local producers or services provided by local service providers at our various plants and offices spread across the country which has positive impact on the communities. Proper job training including on safety are imparted to people at the plants and offices to create awareness and capability on these matters.</p> |
| <p>5 Does the Company have a mechanism to recycle products and waste? If yes, what is the percentage of recycling of products and waste (separately <5%, 5-10%, >10%). Also provide details thereof in about 50 words or so.</p> | <p>As the products of the Company are different type of pumps, no waste other than swarf is generated during machining operations and some off-cut are left over after fabrication. These are sold as scrap.</p> |

Principle 3

- | | |
|--|---|
| <p>1. Please indicate the total number of employees</p> | <p>WPIL Limited had 248 employees on its pay rolls as on 31st March, 2021.</p> |
| <p>2. Please indicate the total number of employee hired on temporary/Contractual/casual basis.</p> | <p>WPIL Limited had 206 temporary/ Contractual employees as on 31st March, 2021</p> |
| <p>3. Please indicate number of permanent woman employees</p> | <p>WPIL Limited had 7 permanent woman employees as on 31st March, 2021.</p> |
| <p>4. Please indicate number of permanent employees with disabilities</p> | <p>There was no permanent employees with disabilities as on 31st March, 2021.</p> |
| <p>5. Do you have an employee association that is recognised by management?</p> | <p>Yes. Workers' unions recognised by the Management do exist.</p> |
| <p>6. What percentage of permanent employees is members of this recognised employee association?</p> | <p>100% workers are members of this recognised union.</p> |

7.	Please indicate number of complaints relating to child labour, forced labour, Involuntary labour, sexual harassment in the last financial year and pending, as on the end of financial year.	No. Category	No. of Complaints filed during the Financial year.	No. of Complaints pending as on end of the Financial year.
		1 Child labour/ forced labour/Involuntary labour	NIL	NIL
		2 sexual harassment	NIL	NIL
		3 Discriminatory Employment	NIL	NIL
8.	What percentage of your under mentioned employees were given safety & skill up-gradation training in the last year?	No. Category	Safety	Skills Development
	(a) Permanent Employee	1 Permanent Employee	100%-	—
	(b) Permanent Woman Employee	2 Permanent Woman Employee	100%	—
	(c) Casual/Temporary/Contractual Employees	3 Casual/Temporary/Contractual Employees	100%	—
	(d) Employees with Disabilities	4 Employees with Disabilities	NA	NA

Principle 4

1.	Has the Company mapped its internal and external stakeholders?	Yes.
2.	out the of the above, has the Company identified the disadvantaged, Vulnerable and marginalized stakeholders?	Yes.
3.	Are there any special initiative taken by the Company to engage with the disadvantaged, Vulnerable and marginalized stakeholders. If so, provide details thereof, in about 50 words or so.	Yes. WPIL Limited is committed to improve the communities in which it operates through its CSR initiative. The Company's Corporate Social Responsibility programme reaches out to the different sections of the disadvantaged, Vulnerable and marginalized members of the communities to make positive impact on their lives in various ways.

Principle 5

1.	Does the policy of the Company on human rights cover only the Company or extend to the group/joint venture/suppliers/contractors/NGO/others?	The respect for people is enshrined in WPIL value. The Company complies applicable Laws and Regulations governing the occupational health and safety, applies principle of equal opportunity, fair treatment and zero tolerance for any form of unlawful discrimination or harassment of employees. The Company also encourages its suppliers and other business partners, etc,to share its commitment in this regard.
2.	How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management.	Nil.

Principle 6

- | | |
|---|---|
| <p>1. Does the policy related to principle 6 covers only the Company or extends to the Groups/Joint Ventures/Suppliers/Contractors/NGO/Others ?</p> | <p>WPIL is committed to ensure no harm from its operations inflicts to the people, the environment or the communities in which its operates. It is committed to work with its business partners,including suppliers, contractors etc to promote and enforce compliance with this policy.</p> |
| <p>2. Does the Company have strategies /initiatives to address global environmental issues such as climate change, global warning etc.? Y/N</p> | <p>No.</p> |
| <p>3. Does the Company identify and assess potential environmental risks? Y/N</p> | <p>Yes. The Company is certified with ISO 14001: 2015 Standard and conducts HIRA (Hazard identification and risk analysis). Evaluation of environmental risk is being done by the ISO certified body in their yearly audit.</p> |
| <p>4. Does the Company have any project related to clean Development mechanism? If so, provide the details thereof, in about 50 words or so. Also if yes, whether any environmental compliance report is filed.</p> | <p>No. The Company does not have presently any project related to clean Development mechanism.</p> |
| <p>5. Has the Company undertaken any other initiatives on-clean technology, energy efficiency, renewable energy etc. Y/N. if yes, please give hyperlink for web page etc</p> | <p>The Company has been taking on an ongoing basis towards conservation of energy and improving energy efficiency at its various plant locations. The details of these initiatives are contained in Annexure-A of the Director Report for the year 2020-21. The Annual Report 2021 is available at the website of the Company at www.wpil.co.in</p> |
| <p>6. Are the Emissions/Waste generated by the Company within the permissible limits given by CPCB/SPCB for the financial year being reported?</p> | <p>As the Company is engaged in pump manufacturing which involves fabrications, machining assembly and testing process, there is no emission/ waste generation. However, each manufacturing is having “ consent to operate” certificate from SPCB.</p> |
| <p>7. Number of show cause/legal notices received from CPCB/SPCB which are pending (i.e not resolved to satisfaction) as on end of financial year.</p> | <p>Nil</p> |

Principle 7

- | | |
|--|---|
| <p>1. Is your Company a member of any trade and Chamber or association? If yes, name only those major ones that your business deals in.</p> | <p>Yes. The Company is a member of following trade and Chamber or association.
 a) Confederation of Indian Industries.
 b) Project Export Promotion Council of India.</p> |
| <p>2. Have you advocated/lobbied through above associations for the advancement or Improvement of public good? CORPORATE SOCIAL RESPONSIBILITY

The Board of Directors of the Company had constituted Corporate Social Responsibility Committee (CSR) pursuant to the provisions of Section 135 of the Companies Act, 2013 read with Companies (Corporate Social Responsibility Policy) Rules, 2014. Particulars of CSR activities to be undertaken by the Company as recommended by CSR Committee and approved by the Board are furnished below:

<p>1. A brief outline of the Company policy including overview of projects or programmes proposed to be undertaken and a reference to the web-link to CSR policy and projects or programmes.</p>	<p>The CSR Committee in brief identified the following activities in which amount to be spent by the Company to fulfil its CSR obligations.</p> <ol style="list-style-type: none"> 1) Eradication of poverty, promoting preventive health care, sanitation and availability of safe drinking water. 2) Promoting education, including special education and employment enhancing vocation skill. 3) Promoting Gender Equality empowering woman. 4) Ensuring environmental sustainability and Conservation of natural resources and maintaining quality of water. 5) Contribution to National Relief fund 6) Contribution to Swachh Bharat Kosh and Clean Ganga Fund set up by the Central Government <p>Weblink www.wpil.co.in under Investors Service</p>
<p>2. Composition of CSR Committee</p>	<ol style="list-style-type: none"> 1) Mr. S. N. Roy - Chairman 2) Mr. Prakash Agarwal - Member 3) Mr. K. K.Ganeriwala - Member
<p>3. Average Net Profit of the Company for last three financial years</p>	<p>Average Net Profit of Rs. 87,41,25,000/-</p>
<p>4. Prescribed CSR expenditure (two per cent of the amount as in item 3 above)</p>	<p>Rs. 1,74,82,500/-</p>
<p>5. Details of CSR spent during the financial year 2020-21 (as shown below)</p>	<p>Rs. 28,59,016/-</p>
<p>a) Total amount to be spent for the financial year 2020-21 b) Amount unspent, if any</p>	<p>Rs. 1,74,82,500/- Rs. 1,46,23,484/-</p>
<p>6. Reason for unspent for CSR Activities</p>	<p>Towards the end of the financial year, large number of CSR activities organised and scheduled to be initiated, could not be undertaken due to massive outbreak of COVID-19 pandemic followed by nation-wide lockdown pronounced by Govt. of India. This factor was responsible for lower spending on CSR activities during the year. Besides, prescribed CSR amount could not be spent also due to financial tightness experienced by the Company following honouring huge financial commitments against inconsistent recovery for irregular payment by customers and depressed industrial situation continued almost third quarter of the year. However, as required by Companies (Corporate Social Responsibility Policy) Amendment, Rules, 2021, the Company will ensure to transfer the above unspent amount to any fund specified in Schedule VII of the Act, within six months from the end of the year.</p>

IMPLEMENTING AGENCIES

(1) Bhalopahar

Bhalopahar is a Society (Registration number. S/83195 of W.B. Act 26/1961) for Culture, Ecology & Rural Development, located at Bandwan block of Purulia District, West Bengal.

The concept is "total education" - a formal school education integrated with rural development, ecology (afforestation and preservation of forest and endangered plant species), conservation of folk culture and tradition, primary health care and community hygiene, farming and cultivation. The dry and empty landscape changed into a lush green forest with small clearings for cultivation of rice and other food grains.

(2) Sankara Nethralaya

A not-for-profit charitable hospital, embarked on a relentless journey on September 6, 1978 to provide world-class tertiary eye care in India. Its growth since then has been phenomenal — thanks to the unconditional and generous support received from all quarters of society.

At the heart of every endeavour of Sankara Nethralaya is a strong focus and emphasis on community service, which has been vehemently pursued over the years. The community service initiatives include conducting eye-camps in rural areas, conducting free surgeries to those in need and relentlessly taking mobile tele-ophthalmology benefits to the door steps of the poor in rural India. All of this has been possible due to the tremendous support that Institution received from organizations and individuals over the years.

About 50 % of the Out-Patient Department and 35 % of the surgeries are done free of cost to the underprivileged. Donations received have helped to cater to the medical and post-operative needs of indigent patients.

(3) Vivekananda Adarsha Milan Mandir

Vivekananda Adarsha Milan Mandir is a registered social welfare non-profit organization which runs non-formal education centre for the underprivileged students of the slums (Tollygunge Railway station area). The also provides vocational training, health treatment & other activity free of any cost to these students. This organization is affiliated to Kolkata Ramkrishna Vivekananda Bhava Pracher Parishad as advised by Ramkrishna Math, Belur.

(4) Akash Ganga Educational Society

Akash Ganga Educational Society (AGES) was registered under Societies Registration Act in Uttarkashi in December, 2012 with a vision of providing holistic education to children of economically humbled background in rural Area. The AGES formed a school name "Himalayan School of life" (HSL) situated in the remote village of Uttarkashi district of Uttarakhand for last four and half years with minimum infrastructure as a primary school following the support of local community and parents. Over the year, with the growth of infrastructure and number of students, the school received official recognition from competent authority to run upper primary English Medium upto 8th grade in July, 2017. The HSL became the first school in the area to pioneer the ideas of "smart class" by offering to student audio-video based support in their learning process.

(5) Social Welfare Association & Research Centre (SWARC)

SWARC is an NGO formed in 1985 by a group social activists and is registered under West Bengal Societies Registration Act, XXVI of 1961. The primary mission and objective of SWARC is to provide health and hospital care service at affordable cost to the people living within its influence area and particularly weaker section of

the Society without any discrimination of class, cast, race or religion. The hospital has an outdoor and an indoor unit with 15 Beds along with an Operation Theatre, Pathology and X-Ray facility. SWARC also provides Arthopedic, ENT, Eye and Dental care both for children and adults. Treatments are also provided in General Medicine and General Surgery. Health awareness Camp, Blood Donation Camp, Eye Care Camp are also held regularly.

(6) Mother'Nest

Mother's Nest is a registered social welfare non-profit Society (Registration No. 19030 of 2016) which runs non-formal education centre for the Orphan, underprivileged and downtrodden children living on the fringes of Kolkata Canal around Gouribari, Kolkata - 4 who need all-round academic supports. Besides this, the society provides basic food and playing items to these students.

(7) Rabindra Sarobar Nagarik Committee

Rabindra Sarobar a registered social welfare non-profit Society (Registration No. S/74719 of 1993) which runs non-formal education centre for the underprivileged students of the slums around Sarobar area who need all-round academic supports. Besides this society provides medical support amongst slum-dwellers of Sarobar area.

- (8) Sri Ramaakrishna Ashrama, Brindabonpur, Uluberia, Howrah-711316 is a Charitable Trust registered on 17.07.2006 with Registrar in Uluberia. The Ashrama is in a remote village and does philanthropic works for the villagers which inter alia include the running of charitable dispensary free medicines, free coaching centre for poor students. The Ashrama also maintains a Boys Hostel where students studying from class V to IX reside.
- (9) Ramakrishna Mission Sevashrama at Kozhikode, Kerala, a branch of Ramakrishna Mission was started in 1930 and serves inter alia to the local underprivileged Community by providing education through setting up school and promoting health care by setting up polyclinic comprising various departments. The Sevashrama remains engrossed in the service for the wellbeing of underprivileged section of the Community.

CSR Committee Responsibility Statement : The CSR Committee confirms that the implementation and monitoring of the CSR activities of the Company are in line with compliance with the CSR objective and policy of the Company.

Particulars of Employees and Related Disclosures.

(a) The Ratio of remuneration of each Director to the Median remuneration of Employees of the Company for the Financial Year (FY):

Sl.No.	Name	Designation	Remuneration Paid FY 2020-21 (Rs.in lakhs)	Ratio/Times per Median of employee remuneration for the financial year
1.	Mr. Prakash Agarwal	Managing Director	109.63	6.88
2.	Mr. K. K. Ganeriwala	Executive Director	82.17	5.15

The Non-executive Directors receive remuneration towards sitting fees for attending Board and Committee Meetings besides commission on a percentage of profit. Such remuneration payable to each of the Non-Executive Directors for the financial year was lower than the median remuneration of employees of the year.

(b) The percentage of increase in remuneration of each Director, Chief Financial Officer, Chief Executive Officer and Company Secretary in the financial year:-

Sl.No.	Name	Designation	Remuneration Paid FY 2020-21 (Rs. in lakhs)	Remuneration Paid FY 2019-20 (Rs. in lakhs)	Increase in remuneration from previous year (Rs. in lakhs)
1.	Mr. Prakash Agarwal	Managing Director	109.63	100.87	8.76
2.	Mr. K. K. Ganeriwala	Executive Director	82.17	75.01	7.16
3.	Mr. U. Chakravarty	G.M.(F) & CS (KMP)	17.44	17.14	0.30

There was no increase of remuneration payable to Non-Executive Directors during the current year over the remuneration paid in the previous year as the amount of commission and amount of sitting fee for attending the Board or Committee Meetings remained same. The variation of remuneration of each of the Non-Executive Director during the year over previous year is attributable to the number of Board and committee Meetings held during the year over previous year and number of meeting a Director attended during the year over last year.

(c) The percentage of decrease in the median remuneration of employee in the financial year is 4.32% for the impact of COVID 19 pandemic.

(d) The number of permanent Employee on the rolls of the Company:- 248

(e) The explanation on the relationship between average increase in remuneration and Company performance:

On an average, Employees received an annual increase of 6%. The individual increments varied from 4% to 10% based on individual performance. In order to ensure that remuneration reflects to company performance, the performance pay is also linked to organisation performance besides individual's performance.

(f) Average percentile increase already made in the salaries of Employees other than Managerial Personnel in the last financial year and its comparison with the percentile increase in the Managerial remuneration and justification thereof and point out if there are exceptional circumstances for increase in the Managerial remuneration.

The average annual increase was around 6%. However, during the course of the year the total employee benefit expense has decreased over last year for the impact of COVID 19 pandemic followed by nationwide lock down declared by Government. Managerial Personnel are re-appointed and Managerial remuneration are paid in terms of recommendation of Nomination and Remuneration Committee of Directors and subsequent approval of the Board subject to the consent of Members at the forthcoming General Meeting.

(g) Affirmation that the remuneration is as per the remuneration policy of the Company.

The Company affirms that remuneration is as per the remuneration policy of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of WPIL Limited

Report on the Audit of the standalone Ind AS financial statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of WPIL Limited (“the Company”), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss, including other comprehensive income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (which also includes five (5) Joint Operations).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the joint operations, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Standalone Ind AS Financial Statements’ section of our report. We are independent of the Company in accordance with the ‘Code of Ethics’ issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Emphasis of Matter

We draw attention to Note 58 to the standalone Ind AS financial statements which, describes the assessment and impact of ongoing pandemic and various restrictions imposed by State Governments as well as Central Government on Company’s operations and results. The Company has also completed assessments regarding future economic outflow, uncertainty and potential impact. The actual results may differ from such estimates depending on future developments. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of audit procedures performed by us and by other auditors of joint operations not audited by us, as reported by them in their audit reports furnished to us by the management, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter.
Revenue recognition on projects	
<p>The Company is also involved in pumps projects (works contracts) for which it recognises revenue and profit/loss based on stage of completion on the proportion of contract cost incurred till the period end/year end, relative to the total estimated cost of the contract at completion (percentage of completion method).</p> <p>Any contingencies related to contracts which might increase the cost, are included in the estimates to take into account specific uncertain risk arising within each contract and these contingencies are reviewed by the management on regular basis. Also, the management considers and adjusts such contingencies in financial statements wherever required and appropriate.</p> <p>The revenue from contracts may also include an element of variable consideration, including variations and claims net of assessed value of liquidated damages, if any. Variable consideration is recognised when it's recovery is assessed to be highly probable. This often involves a high degree of judgment due to the uncertainty about costs to complete and uncertainty about the outcome of discussions with customers on variation orders and claims, and therefore this is considered to be a key audit matter for the purpose of our audit.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • Understood and evaluated the design and process followed by the company in determination of the estimates of Construction contract cost, contract revenue and variable considerations including approvals thereof. • Tested the design and implementation of internal control over the quantification of the estimates used as well as the operating effectiveness of such control. • Inspected minutes of project review meetings with appropriate participation by those charged with Governance in relation to estimates and status of the project. • Tested samples of contract for: <ul style="list-style-type: none"> a) Obtained and reviewed project related source documents such as contract agreements and variation order. b) Assess the basis for determining the total cost including changes made over period by reference to supporting documentation and estimates made in relation to complete the project. c) Evaluated the reasonableness of key assumptions included in the estimates in relation to revenue recognised. d) Assess the appropriateness of the revenue recognition policies in line with IND AS 115- Revenue from Contract with Customer. <p>Based on the procedures performed above no significant exceptions were noted in estimates of construction contract revenue, related cost and disclosures made.</p>
Assessment of litigation and contingent liabilities and their related disclosures (refer note 44 to the standalone Ind AS financial statements)	
<p>As at 31st March ,2021 Company has exposure towards litigations related to Direct Tax and Indirect Tax. The Company's management performs an assessment of pending litigations and mixed decision thereof.</p> <p>The company also has exposure towards corporate guarantee. The Company's management performs an assessment of corporate guarantee to determine the probability of occurrence of material outflow of economic</p>	<p>Our procedures included the following:</p> <ul style="list-style-type: none"> • Tested the design and implementation of internal control over the quantification of the estimates used as well as the operating effectiveness of such control. • Discussed with Company's tax/legal team, the recent developments and status of the material litigations matters relating to Direct Tax and Indirect Tax which were reviewed and noted by Board of Directors. • Reviewed the financial statements of the company (on whose behalf the corporate guarantee is given) and their

<p>resources and whether a provision should be recognised or a disclosure should be made.</p> <p>These assessments are also supported with, transfer pricing reports, credit assessment and financial statements of companies on whose behalf corporate guarantee is given.</p> <p>As the ultimate outcome of the matters are uncertain and the positions taken are based on application of the best judgement including those relating to interpretation of laws/regulations and company's status to bear such corporate guarantee and litigation related to Direct Tax and Indirect Tax , it is considered to be as the Key Audit Matter.</p>	<p>ability to pay the loan against which the guarantee stands.</p> <ul style="list-style-type: none"> • Obtained minutes of the Board Meetings from Company Secretary to understand the merit and approval of the corporate guarantee. We assessed the independence, objectivity and competence of the decision made by the Board. • Reviewed the corporate guarantee charges received and decided in the Meeting of Board and those charged with governance to ensure the completeness of such corporate guarantee. • Assess the adequacy of the company's disclosure. <p>Based on the above work performed , Company's tax/legal team's assessment in respect of litigations related to Direct Tax and Indirect Tax and management assessment towards corporate guarantee and related disclosures under contingent liability in the financial statements are considered to be reasonable.</p>
---	--

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company including its joint operations in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments

and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statement

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the management and Board of Directors.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements for the financial year ended March 31, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The IND AS financial statements of the company for the year ended 31st March 2020, included in these standalone IND AS financial statements have been audited by the predecessor auditor who expressed an unmodified opinion on these statements on July 2 ,2020.

We did not audit the financial statements and other financial information, in respect of five (5) joint operations included in the IND AS financial statements of the company, whose IND AS financial statements/information reflect total assets of Rs. 6875.99 lacs as at March 31, 2021, total revenue of Rs. 9398.81 lacs for the year ended March 31,2021 and total net cash outflow of Rs. 396.83 lacs for the year ended on that date. These Ind AS financial statements and other financial information of the said joint operations have been audited by other auditors, whose financial statements, other financial information and auditor's reports have been furnished to us by the Management. Our opinion on the standalone Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these joint operations and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid joint operations, is based solely on the reports of such other auditors. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We / the other auditors whose reports we have relied upon, have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and report of the other auditors;
 - (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

- (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors of the Company as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in “Annexure 2” to this report;
- (g) With respect to the matter to be included in the Auditors’ Report under Section 197(16) of the Act:
In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act read with Schedule V of the Act.
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate Ind AS financial statements of the joint operations as noted in the Other Matter:
 - i The Company has disclosed the impact of pending litigations on its financial position in its Standalone Ind AS financial statements – Refer Note 44 to the Standalone Ind AS financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts – Refer Note 29 and Note 38 to the Standalone Ind AS financial statements;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the company.

Annexure 1 referred to in paragraph 1 of the section on “Report on other legal and regulatory requirements” of our report of even date on the standalone Ind AS financial statements of WPIL Limited

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) All fixed assets have not been physically verified by the management during the year but there is a regular programme of verification once in three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given by the management, the title deeds of immovable properties, included in property, plant and equipment are held in the name of the company, except for the immovable properties acquired during merger of a subsidiary. As explained to us, registration of title deeds is under progress in respect of an immovable property acquired pursuant to aforesaid merger aggregating Rs. 281.55 lacs.
- (ii) The physical verification of inventory was carried out by the management at reasonable intervals. In our opinion, the frequency of verification is reasonable. No material discrepancies were noticed on such physical verification. Inventories lying with third parties have been confirmed by them as at March 31, 2021 and no material discrepancies were noticed in respect of such confirmations.
- (iii) (a) The Company has granted loans to two body corporates – Aturia International Pte Ltd, Singapore amounting to Rs. 14,852.72 lacs (as at 31.03.2021) and Sterling Pumps Pty Ltd, Australia amounting to Rs. 167.11 lacs (as at 31.03.2021) covered in the register maintained under section 189 of the Companies Act, 2013. In our opinion and according to the information and explanations given to us, the terms and conditions of the grant of such loans are not prejudicial to the company’s interest.
- (b) The Company has granted loans that are re-payable on mutual consent, to body corporates covered in the register maintained under section 189 of the Companies Act, 2013 and the principal portion has been repaid as and when demanded. The payment of interest fallen due during the year has been regular as stipulated in the agreement.
- (c) There are no amounts of loans granted to companies listed in the register maintained under section 189 of the Companies Act, 2013 which are overdue for more than ninety days.
- (iv) In our opinion and according to the information and explanations given to us, provisions of section 185 of the Companies Act, 2013 in respect of loans and advances given, and guarantees and securities given, have been complied with by the Company.

In our opinion and according to the information and explanations given to us, provisions of section 186 of the Companies Act 2013 in respect of loans and advances given, investments made, guarantees and securities given have been complied with by the Company.
- v. The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.

- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, and are of the opinion that prima facie, the specified amounts and records have been made and maintained. We have not, however made a detailed examination of the same.
- (vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, goods and services tax, duty of custom, cess and other statutory dues have generally been regularly deposited with the appropriate authorities.
- (b) According to the records of the Company, the dues outstanding (net of amount paid under dispute) of income-tax, sales-tax, service tax, goods and services tax, duty on custom, duty of excise, value added tax and cess on account of any dispute, are as follows:

Name of the Statute	Nature of dues	Amount (Rs. in lacs)	Period to which the amount relates (Financial Year)	Forum where dispute is pending
Income Tax Act, 1961	Arms' length pricing and disallowance of expenses	50.67	2012-13, 2013-14	Commissioner of Income Tax (Appeals)
Central Excise Act, 1994	Despatch to mega power plant under exemption notification being allowed	831.58	2005-2014	CESTAT & Commissioner Appeal-1
Central Excise Act, 1994	Disallowance of cenvat credit	560.81	1997-98, 2006-2016	CESTAT & Commissioner Appeal-1
Finance Act, 1994	Disallowance of cenvat credit	2254.24	2008-09 to 2016-17	CESTAT Commissioner and Commissioner Appeal-1

- (viii) According to information and explanations given by the management, we are of the opinion that the Company has not defaulted in repayment of loans or borrowings to banks. The Company did not have any outstanding loans or borrowings dues in respect of a financial institution or to government or dues to debenture holders during the year.
- ix. According to the information and explanations given by the management, term loans were applied for the purpose for which the loans were obtained. The Company has not raised any money way of initial public offer / further public offer / debt instruments during the year.
- x. Based upon the audit procedures performed for the purpose of reporting the true and fair view of the standalone Ind AS financial statements and according to the information and explanations given by the management, we report that no fraud by the Company or on the Company by the officers and employees of the Company has been noticed or reported during the year.
- xi. According to the information and explanations given by the management, the managerial remuneration has been paid / provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.

-
- xii. In our opinion, the Company is not a Nidhi company. Therefore, the provisions of clause 3(xii) of the order are not applicable to the Company and hence not commented upon.
 - xiii. According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable Indian accounting standards.
 - xiv. According to the information and explanations given to us and on an overall examination of the balance sheet, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and hence not commented upon.
 - xv. According to information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with him.
 - xvi. According to the information and explanations given to us, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.

Annexure 2 to the Independent Auditors’ report of even date on the standalone Ind AS financial statements of WPIL Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of WPIL Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements.

Meaning of Internal Financial Controls Over Financial Reporting With Reference to these standalone Ind AS financial statements.

A company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with Reference to these Standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and such internal financial controls over financial reporting with reference to these standalone Ind AS financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

For and on behalf of Board of Directors

P. AGARWAL Managing Director DIN 00249468	K. K. GANERIWALA Executive Director DIN 00408722
U. CHAKRAVARTY General Manager (Finance) & Company Secretary (FCS F 5127)	

Notes to standalone Ind AS financial statements as at and for the year ended 31st March, 2021 (contd.)

1. Corporate information

WPIL Limited ('the Company') is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company's registered office is at Trinity Plaza, 3rd Floor, 84/1A, Topsia Road (South) Kolkata – 700046. Its shares are listed on the Bombay Stock Exchange Limited in India.

The Company is principally engaged in designing, developing, manufacturing, erecting, commissioning and servicing of pumps & pumping systems. The Company in the past few years has started construction contracts related to water supply and irrigation. The Company caters to both domestic and international markets.

2. Basis of preparation and compliance with Ind AS

The standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the standalone financial statements.

The standalone Ind AS financial statements have been prepared on a historical cost convention on accrual basis except for certain financial instruments which are measured in terms of relevant Ind AS at fair value / amortised costs at the end of each reporting period as and wherever applicable.

The standalone financial statements are presented in INR and all values are rounded to the nearest lacs (INR 00,000), except when otherwise indicated.

2.1 Summary of significant accounting policies

a. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in Company's operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in Company's operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle for its production unit or sale of pumps and pumping systems. However, for construction contracts it varies according to the terms of the contract.

b. Foreign currencies

The financial statements are presented in INR, which is the Company's functional currency.

Notes to standalone Ind AS financial statements as at and for the year ended 31st March, 2021 (contd.)

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

c. Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

d. Revenue recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer.

Sale of goods

Revenue from sale of goods is recognised at the point in time when control of the goods is transferred to the customer. The revenue is measured based on the consideration defined in the contract with a customer, including variable consideration, such as discounts, volume rebates, or other contractual reductions. As the period between the date on which the Company transfers the promised goods to the customer and the date on which the customer pays for these goods is generally one year or less, no financing components are considered.

The Company typically provides warranties for general repairs on all its products sold, in line with the industry practice. These assurance-type warranties are accounted for under Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets. Refer to the accounting policy on warranty provisions in section (l) Provisions.

Export entitlements are recognised when the right to receive the credits as per the terms of the schemes is established in respect of the exports made by the Company and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

Construction Contracts

Revenue on contracts is recognised using input method where revenue is accounted on the basis of the entity's efforts or inputs to the satisfaction of a performance obligation relative to the total expected inputs to the satisfaction of that performance obligation (akin to Percentage of Completion method) as per Ind AS 115.

The amount of revenue and profit recognised in a year on projects is dependent, inter alia, on the actual costs incurred, the assessment of the percentage of completion of (long-term) contracts and the forecasted contract revenue and costs to complete of each project. Furthermore, the amount of revenue and profit is influenced by the valuation of variation orders and claims.

In cases, where the current estimates of the total contract cost and revenue indicate a loss, such loss is recognized as an expense.

Contract Balances

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in section (o) Financial instruments – initial recognition and measurement.

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

Rendering of services

Revenue from sale of services is recognised upon the rendering of services and are recognised net of goods and services tax and other applicable taxes.

Interest income

Interest income is included in other income in the statement of profit and loss. Interest income is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate when there is a reasonable certainty as to realisation.

Dividends

Revenue is recognised when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of dividend can be measured reliably.

Rental income

Rental income arising from operating leases is accounted for as per the lease terms and is included in revenue in the statement of profit or loss due to its operating nature.

Notes to standalone Ind AS financial statements as at and for the year ended 31st March, 2021 (contd.)

e. Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except, when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except, when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty. The Company applies significant judgement in identifying uncertainties over income tax treatments.

f. Property, plant and equipment

Capital work in progress, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2021 (contd.)**

Land and buildings are measured at cost less accumulated depreciation on buildings and impairment losses, if any. An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of the asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Depreciation is provided at rates calculated to write off cost, less estimated residual value, of each asset on a straight line basis using the estimated useful lives of the assets (determined by management based on technical estimates) as follows –

Class of Asset	Useful Lives estimated by the management
Factory Buildings	30 years
Non-Factory Buildings	3 to 60 years
Plant and equipment	10 to 40 years
Patterns and moulds	15 years
Furniture & Fixtures	10 years
Computers	3 to 6 years
Office Equipment	5 years
Vehicles	8 to 10 years

Depreciation on fixed assets added / disposed-off during the year is provided on pro-rata basis with reference to the date of addition/ disposal. The management has estimated, supported by technical assessment by experts, the useful lives of certain plant and equipment which are different than those indicated in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Major inspection and overhaul costs are depreciated over the estimated life of the economic benefit derived from such cost. The carrying amount of the remaining previous overhaul cost is charged to the statement of profit and loss if the next overhaul is undertaken earlier than the previously estimated life of the economic benefit.

When significant spare parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

g. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Intangible assets with indefinite useful lives including Goodwill are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the

Notes to standalone Ind AS financial statements as at and for the year ended 31st March, 2021 (contd.)

indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

Research and development costs

Research costs are expensed as incurred. Development expenditures on an individual project are recognised as an intangible asset when the Company can demonstrate:

- The technical feasibility of completing the intangible asset so that the asset will be available for use or sale
- Its intention to complete and its ability and intention to use or sell the asset
- How the asset will generate future economic benefits
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when development is complete and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

During the period of development, the asset is tested for impairment annually.

h. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

i. Leases

Ind AS 116 supersedes Ind AS 17 Leases including its appendices. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to recognise most leases on the balance sheet.

The Company has adopted Ind AS 116 using the modified retrospective method of adoption under the transitional provisions of the Standards, with the date of initial application on 1st April, 2019. The Company also elected to use the recognition exemptions for lease contracts that, at the commencement date, have a lease term of 12 months or less and do not contain a purchase option (short-term leases), and lease contracts for which the underlying asset is of low value (low-value assets). The impact of adoption of Ind AS 116 on the financial statements of the Company has been described under Note 52.

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses and adjusted for any

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2021 (contd.)**

remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right of use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. Refer to the accounting policies in section (k) Impairment of non-financial assets.

Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

The Company's lease liabilities are included in Other financial liabilities (see Note 21 and Note 27).

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of offices, godowns, equipment, etc. that are of low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as a lessor

Lessor accounting under Ind AS 116 is substantially unchanged from Ind AS 17. Lessors will continue to classify leases as either operating or finance leases using similar principles as in Ind AS 17. Therefore, Ind AS 116 does not have an impact for leases where the Company is the lessor.

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

j. Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- Raw materials and components: cost includes cost of purchase and other costs excluding taxes subsequently recoverable from tax authorities incurred in bringing the inventories to their present location and condition. The cost is calculated on weighted average method.
- Finished goods: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. The cost is calculated on weighted average method.
- Work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on

Notes to standalone Ind AS financial statements as at and for the year ended 31st March, 2021 (contd.)

the normal operating capacity depending upon the stages of completion, but excluding borrowing costs. The cost is calculated on weighted average method.

- Stores and spare parts: cost of purchase and other costs excluding taxes subsequently recoverable from tax authorities incurred in bringing the inventories to their present location and condition. The cost is calculated on weighted average method.
- Scrap items are valued at net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

k. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

The Company bases its impairment calculation on forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss.

An assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss.

l. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Warranty provisions

Provisions for warranty-related costs are recognised on the basis of product sold or service provided to the customer. Initial recognition is based on historical experience and management's decision based on technical advice. The initial estimate of warranty-related costs is revised annually.

Onerous contracts

If the Company has a contract that is onerous, the present obligation under the contract is recognised and measured as a provision. However, before a separate provision for an onerous contract is established, the Company recognises any impairment loss that has occurred on assets dedicated to that contract.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2021 (contd.)**

An onerous contract is a contract under which the unavoidable costs (i.e., the costs that the Company cannot avoid because it has the contract) of meeting the obligations under the contract exceed the economic benefits expected to be received under it. The unavoidable costs under a contract reflect the least net cost of exiting from the contract, which is the lower of the cost of fulfilling it and any compensation or penalties arising from failure to fulfil it.

m. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. After making proper assessments, it has been concluded that the Company is not required to recognize contingent liabilities. However, the Company discloses its existence in the financial statements and makes such assessments regularly.

n. Retirement and other employee benefits

Retirement benefit in the form of Provident Fund and Superannuation Schemes are defined contribution schemes. The Company has no obligation, other than the contribution payable to the respective funds. The Company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service.

Gratuity liability is funded defined benefit obligation and is provided for on the basis of actuarial valuation done on projected unit credit method at the end of each reporting period.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods. Current and non-current classification is based on the actuarial valuation report.

The Company treats accumulated leaves expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the end of each financial year. The Company presents the leave as current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement beyond 12 months after the reporting date. Where the Company has unconditional legal and contractual right to defer the settlement for the period beyond 12 months, the same is presented as non-current liability. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

o. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets*Initial recognition and measurement*

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in section (d) Revenue from contracts with customers.

Notes to standalone Ind AS financial statements as at and for the year ended 31st March, 2021 (contd.)

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

Subsequent measurement of financial assets is described below -

■ Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

■ Debt instruments at fair value through other comprehensive income (FVTOCI)

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

■ Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

■ Equity instruments measured at fair value through other comprehensive income (FVTOCI)

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income, subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to the Statement of Profit and Loss, even on sale of investment.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115
- c) Financial guarantee contracts which are not measured as at FVTPL

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade receivables, the Company applies a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Company has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original Effective Interest Rate (EIR). Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss. This amount is reflected under the head 'other expenses' (or 'other income') in the Statement of Profit and Loss.

Financial liabilities*Initial recognition and measurement*

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method.

Notes to standalone Ind AS financial statements as at and for the year ended 31st March, 2021 (contd.)

Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit or Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

p. Business combination

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any noncontrolling interests in the acquiree. For each business combination, the Company elects whether to measure the noncontrolling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred. At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values.

Any business combinations involving entities or businesses under common control are accounted for using the pooling of interests method:

- The assets and liabilities of the combining entities are reflected at their carrying amounts.
- No adjustments are made to reflect fair values, or recognise any new assets or liabilities. The only adjustments that are made are to harmonise accounting policies.

q. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

r. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. Revenue and expenses are identified to segments on the basis of their relationship to the operating activities of the segment. Revenue, expenses, assets and liabilities which are not allocable to segments on a reasonable basis, are included under "Unallocated revenue/ expenses/ assets/ liabilities".

The analysis of geographical segments is based on the areas in which customers of the Company are located.

Segment accounting policies are in line with the accounting policies of the Company. In addition, the following specific accounting policies have been followed for segment reporting:

- i) Segment revenue includes sales and other operational revenue directly identifiable with/allocable to the segment including inter segment revenue.
- ii) Expenses that are directly identifiable with/allocable to segments are considered for determining the segment result.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2021 (contd.)**

- iii) Most of the centrally incurred costs are allocated to segments mainly on the basis of their respective expected segment revenue estimated at the beginning of the reported period.
- iv) Income which relates to the Company as a whole and not allocable to segments is included in “unallocable corporate income/(expenditure)(net)”.
- v) Segment result includes margins on inter-segment capital jobs, which are reduced in arriving at the profit before tax of the Company.
- vi) Segment result includes the finance costs incurred on interest bearing advances with corresponding credit included in “unallocable corporate income/(expenditure)(net)”.
- vii) Segment results have not been adjusted for the exceptional item attributable to the corresponding segment. The said exceptional item has been included in “unallocable corporate income/(expenditure)(net)”. The corresponding segment assets have been carried under the respective segments without adjusting the exceptional item.
- viii) Segment revenue resulting from transactions with other business segments is accounted on the basis of transfer price which are either determined to yield a desired margin or agreed on a negotiated basis.
- ix) Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable corporate assets and liabilities represent the assets and liabilities that relate to the Company as a whole.
- x) Segment non-cash expenses forming part of segment expenses includes the fair value of the employee stock options which is accounted as employee compensation cost [Note 1(r) supra] and is allocated to the segment.

s. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

t. Investment in joint operations:

A joint operation is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the assets, and obligations for the liabilities, relating to the arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

The Company has interest in certain joint operations, and accordingly, it recognizes in relation to its interest in joint operations, its:

- Assets, including its share of any assets held jointly
- Liabilities, including its share of any liabilities incurred jointly
- Revenue from the sale of its share of the output arising from the joint operation
- Share of the revenue from the sale of the output by the joint operation
- Expenses, including its share of any expenses incurred jointly

Unrealized gains and losses resulting from transactions between the Company and the joint operations are eliminated to the extent of the interest in the joint operation.

(c) There has been no change in the number of equity shares in the current year and in the corresponding previous year.

(d) Terms and Rights attached to Equity Shares

"The Company has issued Equity Shares having a face value of Rs 10 each. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividend in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders at the ensuing Annual General Meeting and is accounted for in the year in which it is approved by the Shareholders in the General Meeting.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive any of the remaining assets of the Company after distribution of all preferential amounts. The distribution will be in the proportion to the number of equity shares held by the shareholders.

The Board of Directors, in its meeting on 28 May, 2021 have proposed a final dividend of Rs 10.00 per equity share for the financial year ended 31st March, 2021 (31 March, 2020 : Rs 7.50/- per equity shares). The proposal is subject to the approval of shareholders at the forthcoming Annual General Meeting and if approved would result in a cash outflow of Rs 976.71 lacs (31 March, 2020 : Rs 732.53 lacs). Proposed dividend is accounted for in the year in which it is approved by the shareholders.

Performance Obligation

Sale of goods

The performance obligation is recognised at the point in time when control of the goods - pumps, pumping systems and spares is transferred to the customer and the payment is generally due within 30 to 90 days from such delivery.

Sale of services

The performance obligation is satisfied over-time and payment is generally due upon completion of erection, commissioning and servicing services by the Company and its due acceptance by the customer.

Construction Contracts

The performance obligation is satisfied over-time and is calculated based on percentage completion method when the outcome of the contract can be estimated reliably. Payment is generally based on financial milestones as per terms set out in the contract and its due acceptance by the customer.

Particulars	Year ended 31st March, 2021	Year ended 31st March, 2020
Profit after tax (Rs in lacs.)	5,972.99	5,924.69
Face value per share (Rs.)	10.00	10.00
Weighted average number of shares	97,67,080	97,67,080
Basic and Diluted Earnings Per Share (Rs.)	61.15	60.66

40 40.1 Significant accounting judgements, estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

40.2 Employee benefit plans

Gratuity: The cost of defined benefit gratuity plan and its present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, an employee benefit obligation is highly sensitive to changes in these assumptions particularly the discount rate and estimate of future salary increase. All assumptions are reviewed at each reporting date. The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds. The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases are based on expected future inflation rates. Further details about gratuity obligations are given in Note 41.1.

Leave Encashment: The Company has a policy on Leave Encashment which is accumulating in nature. The Expected Cost of Accumulated Leave Encashment is determined by Actuarial Valuation performed by an independent actuary using Project Unit Credit Method as per Ind As 19 on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the Balance Sheet date. Further details about leave encashment obligations are given in Note 41.2.

The Code on Social Security 2020 (Relating to employee benefits during and post employment) has received the President's assent in the month of September 2020 but has not yet been made effective. The Company shall analyse its impact on the financial statements as and when it is made effective and give the effect of the same to its financial statements accordingly.

40.3 Warranty

Warranty costs are accrued at the time the products are sold. The Company estimates the provision for warranty based on past trend of actual sale of pumps. As at 31 March 2021, the estimated liability towards warranty amounted to approximately Rs. 106.36 lacs (31 March 2020: Rs. 114.72 lacs.)

The provision towards warranty is not discounted as the management, based on past trend, expects to use the provision within twelve months after the Balance Sheet date.

40.4 Estimation of expected useful lives and residual values of property, plant and equipment

Property, plant and equipment are depreciated at historical cost using straight-line method based on the estimated useful life, taken into account at residual value. The asset's residual value and useful life are based on the Company's best estimates and reviewed, and adjusted if required, at each Balance Sheet date.

40.5 Revenue from Construction Contracts

Contract Revenue is recognised under 'percentage of completion method. When the outcome of a construction contract can be estimated reliably contract revenue and contract costs associated with the construction contracts are recognised as revenue and expenses respectively by reference to the stage of completion of the contract activity.

Individual project budgets are reviewed regularly with project leaders to ensure that cost estimates are based upon up to date and as accurate information as possible, and take into account any relevant historic performance experience. Furthermore, all completed projects are reviewed to ensure that all relevant costs have been recorded/accrued at the time of project completion in the relevant period and that no further costs will be incurred in addition to the above costs.

Contract variations are recognized as revenues to the extent that it is probable that they will result in revenue which can be reliably measured, which requires the exercise of judgment by management based on prior experience, application of contract terms and relationship with the contract owners. Claims are recorded as revenue when negotiations have reached to an advance stage such that it is probable, the customer will accept the claim and amount can be measured reliably, which requires the exercise of judgment by management based on prior experience.

For further details, refer Note 54.

40.6 Provision for Expected Credit Losses

The Company measures Expected Credit Loss (ECL) for financial instruments based on historical trend, industry practices and the business environment in which the Company operates. The Company bases the estimates on the ageing and credit-worthiness of the receivables and historical write-off experience and variation in the credit risk on year to year basis. The assumptions and estimates applied for determining the provision for impairment are reviewed periodically. For further details refer Note 49.

40.7 Impairment of Investments in Subsidiaries

Determining whether the investments in subsidiaries are impaired requires an estimate of the value in use of investments. In considering the value in use, the management anticipates the order book, operating margins, discount rates and other factors of the underlying businesses/operations of the subsidiaries.

40.8 Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair values are measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

40.9 Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the recoverable amounts of cash-generating units have been determined based on value in use calculations. These calculations require the use of estimates such as discount rates and growth rates.

41 Gratuity and other post-employment benefit plans

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service is entitled to gratuity on terms not less favourable than the provisions of The payment of Gratuity Act, 1972. The scheme is funded with an insurance company in the form of qualifying insurance policy.

41.1 The following table summarises the components of net benefit expenses recognised in the Statement of Profit and Loss and the funded status and amounts recognised in the Balance Sheet for the post retirement benefit plans (gratuity).

49 Financial risk management objectives and policies

The Company's financial liabilities comprise loans and borrowings, trade and other payables etc. The main purpose of these financial liabilities is to finance the Company's operations. The Company's financial assets include trade and other receivables, cash and cash equivalents, that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company has a risk management policy, and its management is supported by a Risk management committee. The Risk management committee provides assurance to the Company's management that the Company's risk activities are governed by appropriate policies and procedures and that the financial risks are identified, measured and managed in accordance with Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks which are summarised below :

49.1 Market risks :

Market risk is the risk that the fair value of future cash flow of a future instrument will fluctuate because of changes in market prices. Market risk comprises of three types of risks, currency risk, interest rate risk and other price risk such as commodity price risk and equity price risk. Financial instrument affected by market risk include trade payables, trade receivables, borrowings etc.

49.2 Interest rate risk :

The Company's exposure to the risk of changes in market interest rates relate primarily to the Company's debt.

Interest rate sensitivity :

The following table demonstrates the sensitivity to a reasonable possible change in interest rates. With all other variables held constant, the Company's profit before tax is affected through the impact of floating rate as follows :

(Rs. in Lacs)

Particulars	Increase/decrease in basis points	Effect on profit before tax +/-
31st March, 2021	50 basis points	19.21
31st March, 2020	50 basis points	25.18

49.3 Foreign Currency Risk:

Foreign Currency Risk is the risk that the fair value or future cash flow of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of change in the foreign exchange is detailed below :

Particulars	Currency	Increase/ decrease in basis points	Effect on	
			Year ended 31st March, 2021	Year ended 31st March, 2020
Trade payables	USD	50 basis points	(8.29)	(0.12)
Trade payables	EURO	50 basis points	(21.07)	(2.16)
Trade payables	GBP	50 basis points	—	(0.06)
			(29.36)	(2.34)
Trade receivables	USD	50 basis points	0.05	2.93
Trade receivables	EURO	50 basis points	0.10	20.91
Other Receivables - Loans given & interest receivable	USD	50 basis points	10.05	25.67
Other Receivables - Loans given & interest receivable	GBP	50 basis points	—	5.43
Other Receivables - Loans given & interest receivable	EURO	50 basis points	71.09	66.07
Other Receivables - Loans given & interest receivable	AUD	50 basis points	0.89	0.97
			82.18	121.98

49.4 Credit risk:

Credit risk is the risk that counterparty will not meet its obligation under a financial instrument or a customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables).

Trade receivables :

Customers' credit risk is managed by the respective department subject to Company's established policy, procedure and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit limits as defined by the Company. Outstanding customers' receivables are regularly monitored.

An impairment analysis is performed at each reporting date on an individual basis. The calculation is based on historical data of credit losses.

The ageing analysis of receivables (gross of provisions) has been considered from the date the invoice falls due.

(Rs. in Lacs)

Trade receivables	Within credit period	0-181 days	Less than 1 year	More than 1 year	Total
As at 31st March, 2021					
Unsecured	12,242.38	4,819.64	559.21	2,492.60	20,113.83
Less- Allowance for Bad and Doubtful debtors					928.04
Total					19,185.79
As at 31st March, 2020

Less- Allowance for Bad and Doubtful debtors					1,229.42
Total					21,556.30

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2021 (contd.)**

(Rs. in Lacs)

The movement of Trade Receivables and Expected Credit Loss are as follows:

Particulars	As at 31st March, 2021	As at 31st March, 2020
Trade Receivables (Gross)	20,113.83	22,785.72
Expected Credit Loss	928.04	1,229.42
Trade Receivables (Net)	9,185.79	21,556.30

49.5 Liquidity risk :

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligation or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are monitored by Company's senior management. Management monitors the Company's net liquidity position through rolling forecast on the basis of Company's expected cash flow.

The Company's objective is to maintain a balance between the continuity of funding and flexibility through the use of cash credit, bank loans amongst others.

Maturity profile of Financial Liabilities :

The table below provides details regarding remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscovered payments :

(Rs. in Lacs)

Financial liabilities	0-1 year	More than 1 year	Total
As at 31st March, 2021 :			
- Borrowings (including current maturities and interest payable in future)	568.60	74.93	643.53
- Trade payables	7,346.28	—	7,346.28
- Other financial liabilities	443.60	541.76	985.36
- Total	8,358.48	616.70	8,975.18
As at 31st March, 2020 :			
- Borrowings	7,138.97	24.19	7,163.16
- Trade payables	10,902.77		10,902.77
- Other financial liabilities	779.78	911.41	1,691.19
- Total	18,821.52	935.60	19,757.12

50 Capital management

For the purpose of Company's capital management, capital includes issued equity capital and all other equity reserves attributable to equity holders. The primary objective of the Company's capital management is to maximise the shareholder value and keep the debt equity ratio within acceptable range.

The Company manages its capital structure and makes adjustment in the light of changes in economic conditions and the requirement of financial covenants. The Board of Directors seeks to maintain prudent balance between different components

Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2021 (contd.)

(Rs. in Lacs)

of the Company's capital. Net debt is defined as current and non-current borrowings (including current maturities of long term debts and interest accrued) as reduced by cash and cash equivalents.

Particulars	As at	As at
	31st March, 2021	31st March, 2020
Net debt (Rs in lacs)	455.74	6,805.36
Total equity (Rs in lacs)	47,001.40	41,734.41
Net debt plus total equity (Rs in lacs)	47,457.14	48,539.77
Gearing ratio	0.01	0.16

51 Categorization of Financial Instruments:

The fair value of the financial assets (excluding investments in subsidiaries and associate) and liabilities approximates their carrying amounts as at the Balance Sheet date.

52 Leases

Company as Lessee

The Company has applied Ind AS 116 Leases for the first time. The nature and effect of the changes as a result of adoption of this new accounting standard is described in the Note 2(i) of the Accounting Policies.

Impact on Balance Sheet (Increase / Decrease):

(Rs. in Lacs)

	31st March, 2021	31st March, 2020
Assets		
Right-of-use assets	1,284.98	1,534.74
Liabilities		
Lease liabilities	1,006.24	1,213.00

Impact on Statement of Profit and Loss (Increase in Profit)

	31st March, 2020
Depreciation and amortisation	242.60
Other expenses	(303.80)
Finance cost	97.04
Profit for the year	35.84

Impact on Statement of Cash Flows

31st March, 2020

Payment of principal portion of lease liabilities	206.76
Payment of interest portion of lease liabilities	97.04
Net cash flows used in financing activities	303.80

There is no material impact on other comprehensive income or the basic and diluted earnings per share.

The Company has lease contracts for various properties used in its operations having lease terms of 5 years . The Company's obligations under its leases are secured by the lessor's title to the leased assets. Generally, the Company is restricted from assigning and subleasing the leased assets.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2021 (contd.)**

The Company also has certain leases of properties with lease terms of 12 months or less and leases of properties with low value. The Company applies the 'short-term lease' and 'lease of low-value assets' recognition exemptions for these leases.

Set out below are the carrying amounts of right-of-use assets recognised and the movements during the period:

	(Rs in lacs)
a) Initial Recognition on adoption of Ind AS 116	1,213.00
b) Reclassified from PPE to ROU asset on adoption of Ind AS 116	321.74
As at 1 April, 2019	1,534.74
Depreciation expense on (a) above	242.60
Depreciation expense on (b) above	7.16
As at 31 March, 2020	1,284.98

Set out below are the carrying amounts of lease liabilities and the movements during the year:

	31 March, 2021 (Rs in lacs)	31 March, 2020 (Rs in lacs)
Opening	1,006.24	1,213.00
Accretion of interest	80.49	97.04
Payments	(303.80)	(303.80)
Closing	782.93	1,006.24
Current	241.17	223.31
Non-current	541.76	782.93

The maturity analysis of lease liabilities are disclosed in Note 49.

The effective interest rate for lease liabilities is 8.0%, with maturity between 2021-2022

The following are the amounts recognised in Statement of Profit and Loss:

	31st March, 2021 (Rs in lacs)	31st March, 2020 (Rs in lacs)
Depreciation expense of right-of-use assets	257.42	249.76
Interest expense on lease liabilities	80.49	97.04
Expense relating to other leases (included in other expenses)	99.11	100.39
Total amount recognised in Statement of Profit and Loss	437.02	447.19

Company as a Lessor

The Company has entered into operating lease of its property having lease term of 11 months. The lease contract includes extension clause and a clause to enable upward revision of the rental charge by 5% on such extension. Rental income recognised by the Company during the year is Rs 30.07 lacs (Rs 28.52 lacs during the year ended 31 March, 2020).

53 Disclosure as required by Ind AS 108, Operating Segments

The Company prepares this financial statements alongwith the consolidated financial statements. In accordance with Ind AS 108 for Operating Segments, the Company has disclosed the Segment Reporting and information in its consolidated financial statements.

54 Disclosure in accordance with Indian Accounting Standard - 115 on "Construction Contracts"

(Rs. in Lacs)

Particulars	As at 31st March, 2021	As at 31st March, 2020
Contract assets	3,599.20	3,913.67
Contract liabilities	10,095.67	11,006.14

(i) Significant changes in contract assets and liabilities

Contract assets are initially recognised for revenue earned from designing, developing, manufacturing, erecting, commissioning and servicing of pumps and pumping systems, as receipt of consideration is conditional on successful completion of above milestones. Upon completion and acceptance by the customer, the amounts recognised as contract assets are reclassified to trade receivables.

Contract liabilities include advances received / advanced billing majorly in connection with supply, erection and commissioning services of pumps and pumping systems. The outstanding balances of these accounts decreased in FY 2020-21 by Rs. 796.68 lacs due to the increase in billing on achievement of financial milestones for which certain activities are yet to be provided by the Company.

Other than above, there was further decrease in advances received from customers other than for construction projects during the year amounting to Rs. 113.79 lacs.

(ii) Revenue recognised in relation to contract liabilities

The following table shows the amount of revenue recognised in the current reporting period which relates to carried-forward contract liabilities :

(Rs. in Lacs)

	Year ended 31st March, 2021	Year ended 31st March, 2020
Amounts included in contract liabilities at the beginning of the year	11,006.14	4,361.23

(iii) Unsatisfied performance obligations

The following table shows unsatisfied performance obligations resulting from construction contracts -

	As at 31st March, 2021	As at 31st March, 2020
Transaction price allocated to unsatisfied performance obligations		
- Within one year	63,650.45	39,077.89
- More than one year	63,158.86	14,290.61
	<u>126,809.31</u>	<u>53,368.50</u>

The Company expects that 50% of the transaction price allocated to unsatisfied performance obligations as at March 31, 2021 will be recognised within one year based on the tenure of the project and expected work completion stage and initial assessment related to uncertainties of Covid-19 pandemic. Balance portion is expected to be received after one year without any significant delay.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2021 (contd.)**

Other than construction contracts, all other contracts have original expected duration of one year or less. As permitted under Ind AS 115, transaction price allocated to these unsatisfied contracts has not been disclosed.

55 Details of CSR expenditure

(Rs. in Lacs)

Particulars	Year ended 31st March, 2021	Year ended 31st March, 2020
(a) Gross amount required to be spent by the Company	174.83	111.06
(b) Amount spent during the year :		
(i) on construction / acquisition of any asset	—	—
(ii) on purposes other than (i) above (as per notification no 10/2020 dated 28th March, 2020)	28.59	29.66
(c) Provision of Unspent CSR amount to be transferred as per provisions of law	146.24	—

56 Distribution of Dividend

(Rs. in Lacs)

Particulars	Year ended 31st March, 2021	Year ended 31st March, 2020
Dividend on Equity shares declared and paid :		
Final dividend for the year ended 31 March, 2020 :		
Rs. 7.50 per share (31 March, 2019 : Rs 7.50 per share)	732.53	732.53
Dividend distribution tax on final dividend	—	150.57
	<u>732.53</u>	<u>883.10</u>
Proposed dividend on Equity shares :		
Proposed dividend on equity shares for the year ended 31 March, 2021 :		
Rs 10.00 per share (31 March, 2020 : Rs 7.50 per share)	976.71	732.53
	<u>976.71</u>	<u>732.53</u>
This proposed dividend is subject to the approval of shareholders in the ensuing annual general meeting.		

57 The Company entered into a binding business transfer agreement with Hindusthan Udyog Limited (HUL) on 14 July ,2017 for acquisition of its Nagpur Unit which involved transfer of leasehold land, movable assets, related liabilities and other assets as stated in the agreement. The proposed acquisition would enable the Company in its backward integration for manufacture of pumps. It was approved by the Board of Directors at its meeting held on 14 July, 2017 and was intimated to stock exchanges on the same date. The Purchase consideration has been agreed upon the parties based on Independent Valuation Report. The Company has advanced Rs. 4,200 lacs towards the transaction which is currently outstanding as at 31 March, 2021.

In order to complete the transaction, the Company requires approval from Maharashtra Industrial Development Corporation (MIDC) for transfer of land. The Company could not submit its request to MIDC for transfer of Land, due to ongoing labour dispute at HUL which got settled only in February, 2020. The process of submitting the request further got delayed due to outbreak of coronavirus pandemic in India since March, 2020.

**Notes to standalone Ind AS financial statements
as at and for the year ended 31st March, 2021 (contd.)**

Considering that approval of MIDC is a substantive process to complete the acquisition and is not a mere administrative formality, the Company has not accounted for such acquisition as on 31 March 2021, to comply with Ind AS 103. The acquisition accounting shall be done once the Company get MIDC approval and all substantive process for transfer of business is completed.

- 58** On account of the outbreak of COVID-19 virus, the Government of India had imposed a nation-wide lockdown on March 24, 2020 leading to temporary shut-down of the Company's manufacturing facilities and operations. The Government of India had progressively relaxed lockdown conditions and had allowed industries and businesses to resume operations and the Company had commenced its manufacturing and project operations across all its plants and project sites in a phased manner during the month of May, 2020 after obtaining permissions from appropriate government authorities. However, the second wave of the pandemic COVID-19, has started in the month of March, 2021 and the Government has started imposing restrictions and guidelines relating to factories, sites and workplaces. The Company is regularly monitoring the prevailing situation and after making proper assessments no such financial impact can be seen as of now. The management has assessed its liquidity position as on March 31, 2021 and does not anticipate any challenge in the Company's ability to continue as a going concern including recoverability of the carrying value of its property, plant and equipment and intangible assets. The impact of the pandemic in the subsequent periods is highly dependent on the situations as they evolve and hence eventual impact may be different from that as estimated as at the date of approval of these financial results.
- 59** The above standalone Ind AS financial statements include figures for five (31 March, 2020: six) joint operations whose financial statements include total assets of Rs. 6,875.99 lacs and Rs. 8,643.97 lacs as at 31 March, 2021 and 31 March, 2020 respectively, and total revenues of Rs. 9,398.81 lacs and Rs. 14,028.01 lacs, total net profit of Rs. Nil and Rs. Nil, total comprehensive income of Rs. Nil and Rs. Nil and net cash inflows/(outflows) of Rs. (396.83) lacs and Rs. (8.97) lacs for the year ended 31 March, 2021 and 31 March, 2020 respectively, as considered in the audited standalone financial results which have been reviewed by their respective other auditors.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WPIL LIMITED

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of WPIL Limited (hereinafter referred to as “the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”) its associate, joint venture and joint operations comprising of the consolidated Balance Sheet as at March 31, 2021, the consolidated Statement of Profit and Loss including other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated Ind AS financial statements”).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, associate, joint venture and joint operations, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013, as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associate, joint venture and joint operations as at March 31, 2021, their consolidated profit including other comprehensive gain, their consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the consolidated Ind AS Financial Statements’ section of our report. We are Independent of the Group, associate, joint venture and joint operations in accordance with the ‘Code of Ethics’ issued by the Institute of Chartered Accountants of India and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated IND AS Financial Statements.

Emphasis of Matter

We draw attention to Note 61 to the consolidated Ind AS financial statements which, describes the assessment and impact of ongoing pandemic and various restrictions imposed by the respective Governing Authorities on the Group’s operations and results. The Company has also completed assessments regarding future economic outflow, uncertainty and potential impact. The actual results may differ from such estimates depending on future developments. Our opinion is not modified in respect of this matter.

We draw attention to the para (c) of the Other Matter which states that the Consolidated Ind AS Financial Statements include one (1) joint venture of Aturia International Pte Ltd whose total net profit of Rs. 68.04 lakhs and total comprehensive income of Rs. 68.04 lakhs for the year ended 31st March, 2021 have not been audited by any other auditor. The Management has certified the accounts of such joint venture. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated Ind AS financial statements. The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter.
<p>Revenue recognition on projects</p> <p>The Group is also involved in pump projects (Works contract) for which it recognises revenue and profit/loss based on stage of completion on the proportion of contract cost incurred till the period end/year end, relative to the total estimated cost of the contract at completion (percentage of completion method).</p> <p>Any contingencies related to contracts which might increase the cost, are included in the estimates to take into account specific uncertain risk arising within each contract and these contingencies are reviewed by the management on regular basis.</p> <p>Also, the management considers and adjusts such contingencies in financial statements wherever required and appropriate.</p> <p>The revenue from contracts may also include an element of variable consideration, including variations and claims net of assessed value of liquidated damages, if any. Variable consideration is recognised when its recovery is assessed to be highly probable. This often involves a high degree of judgment due to the uncertainty about costs to complete and uncertainty about the outcome of discussions with customers on variation orders and claims, and therefore this is considered to be a key audit matter for the purpose of our audit.</p>	<p>Our procedures included the following:</p> <ul style="list-style-type: none"> • Understood and evaluated the design and process followed by the group in determination of the estimates of Construction contract cost, contract revenue and variable considerations including approvals thereof. • Tested the design and implementation of internal control over the quantification of the estimates used as well as the operating effectiveness of such control. • Inspected minutes of project review meetings with appropriate participation by those charged with Governance in relation to estimates and status of the project. • Tested samples of contract for: <ol style="list-style-type: none"> a) Obtained and reviewed project related source documents such as contract agreements and variation order. b) Assess the basis for determining the total cost including changes made over period by reference to supporting documentation and estimates made in relation to complete the project. c) Evaluated the reasonableness of key assumptions included in the estimates in relation to revenue recognised. d) Assess the appropriateness of the revenue recognition policies in line with IND AS 115- Revenue from Contract with Customer. <p>Based on the procedures performed above no significant exceptions were noted in estimates of construction contract revenue, related cost and disclosures made.</p>

Assessment of litigation and contingent liabilities and their related disclosures (refer note 45 to the consolidated Ind AS financial statements)

As at 31st March, 2021 the Holding Company has exposure towards litigations related to Direct Tax and Indirect Tax. The Holding Company management performs an assessment of pending litigations and mixed decision thereof.

The Holding Company also has exposure towards corporate guarantee. The Holding Company management performs an assessment of corporate guarantee to determine the probability of occurrence of material outflow of economic resources and whether a provision should be recognised or a disclosure should be made.

These assessments are also supported with transfer pricing reports, credit assessment and financial statements of companies on whose behalf corporate guarantee is given.

As the ultimate outcome of the matters are uncertain and the positions taken are based on application of the best judgement including those relating to interpretation of laws/ regulations and Holding company's status to bear such corporate guarantee and litigations related to Direct Tax and Indirect Tax , it is considered to be as the Key Audit Matter.

Our procedures included the following:

- Tested the design and implementation of internal control over the quantification of the estimates used as well as the operating effectiveness of such control.
- Discussed with Holding Company's tax/legal team, the recent developments and status of the material litigations matters relating to Direct Tax and Indirect Tax which were reviewed and noted by Board of Directors.
- Reviewed the financial statements of the companies (on whose behalf the corporate guarantee is given) and their ability to pay the loan against which the guarantee stands.
- Obtained minutes of the Board Meetings from Company Secretary to understand the merit and approval of the corporate guarantee. We assessed the independence, objectivity and competence of the decision made by the Board.
- Reviewed the corporate guarantee charges received and decided in the Meeting of Board and those charged with governance to ensure the completeness of such corporate guarantee.
- Assess the adequacy of the Holding Company's disclosure.

Based on the above work performed ,Holding Company's tax/legal team's assessment in respect of litigations related to Direct Tax and Indirect Tax and management's assessment towards corporate guarantee and related disclosures under contingent liability in the financial statements are considered to be reasonable.

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the consolidated Ind AS financial statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group including its associate, joint venture and joint operations in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group and of its associate, joint venture and joint operations are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and of its associate, joint venture and joint operations and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group and of its associate, joint venture and joint operations are responsible for assessing the ability of the Group and of its associate, joint venture and joint operations to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate, joint venture and joint operations are responsible for overseeing the financial reporting process of the Group and of its associate, joint venture and joint operations.

Auditor's Responsibilities for the Audit of the consolidated Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that

includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, Individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate, joint venture and joint operations to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate, joint venture and joint operations to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate, joint venture and joint operations of which we are the Independent auditors to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated IND AS financial statements of which we are the Independent auditors. For the other entities included in the consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated Ind AS financial statements of which we are the Independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding Independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our Independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) The IND AS financial statements of the company for the year ended 31st March 2020, included in these consolidated IND AS financial statements have been audited by the predecessor auditor who expressed a qualified opinion on these statements on July 2, 2020 on account of unaudited financial statements of one (1) direct subsidiary, one (1) subsidiary of WPIL SA Holdings Pty Limited (SAHPL) and one (1) subsidiary of Aturia International Pte Limited (AIPL).
- (b) We did not audit the financial statements and other financial information, in respect of five (5) joint operations, whose Ind AS financial statements include total assets of Rs. 6,876 lakhs as at March 31, 2021, total revenues of Rs. 9398.81 lakhs, total net profit after tax of Rs. NIL and total comprehensive income of Rs. NIL for the year ended March 31, 2021 and net cash outflow amounting to Rs. 396.83 lakhs for the year ended on that date, as considered in the Consolidated IND AS financial statements. The Consolidated IND AS financial statements also include the Group's share of Net Profit of two (2) direct subsidiaries, one (1) subsidiary of Sterling Pumps Pty Limited (SPL), two (2) subsidiaries of Aturia International Pte Limited (AIPL), three (3) subsidiaries of WPIL SA Holdings Pty Limited (SAHPL) and consolidated financial information of one (1) subsidiary of AIPL including its two (2) subsidiaries included in the consolidated financial statements, whose financial information reflect total assets of Rs. 83,817.64 Lakhs as at March 31, 2021, and total revenue of Rs. 64,808.69 lakhs, total net profit after tax of Rs. 3,679.38 lakhs, total comprehensive income of Rs. 5,051.13 lakhs for the year ended March 31, 2021, and net cash inflows of Rs. 4,801.65 lakhs for the year ended March 31, 2021, as considered in Consolidated IND AS financial statements, whose financial statements and other financial information have not been audited by us. We also did not audit the financial information of one (1) associate included in the consolidated financial statements, whose financial information reflect total net profit of Rs. 148.47 lakhs and total comprehensive income of Rs. 148.47 lakhs for the year ended March 31, 2021 as considered in the Consolidated IND AS financial statements. These financial statement and other financial information have been audited by other auditors, whose financial statements, other financial information and auditor's reports have been furnished to us by the management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, step down subsidiaries, associates and joint operations and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, step down subsidiaries, associates and joint operations is based solely on the reports of such other auditors.

Certain of these subsidiaries (direct and step-down) are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial

statements of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

- (c) We did not audit the financial statements and other financial information, in respect of one (1) joint venture of Aturia International Pte Ltd. whose financial statements include total net profit of Rs. 68.04 lakhs and total comprehensive income of Rs. 68.04 lakhs for the year ended 31st March, 2021. These financial statement and other financial information have not been audited by other auditors, which financial statements and other financial information have been furnished to us by the management. Our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of this joint venture, and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid joint venture, is based solely on the information given by the management.

Our opinion above on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, associate, joint venture and joint operations, as noted in the 'other matter' paragraph we report, to the extent applicable, that:

- (a) We/the other auditors whose reports we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements;
- (d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2021 taken on record by the Board of Directors of the Holding Company, none of the Directors of the Group's Companies and associate incorporated in India is disqualified on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and its associate company, incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure 1" to this report;

- (g) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, in our opinion and according to the information and explanations given to us, the remuneration paid during the year ended 31st March ,2021, by the Holding Company and its associate and joint operations which are incorporated in India to its directors is in accordance with the provisions of Section 197 of the Act read with Schedule V of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associate, joint venture and joint operations in its consolidated Ind AS financial statements – Refer Note 45 to the consolidated Ind AS financial statements;
 - ii. Provision has been made in the consolidated Ind AS financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts, if any – Refer Note 23, 30 and 39 to the consolidated Ind AS financial statements in respect of such items as it relates to the Group, it's associate, joint venture and joint operations and the Group's share of Net profit/loss in respect of its associate.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its associate company incorporated in India during the year ended March 31, 2021.

Annexure 1 to the Independent Auditor's Report of even date on the consolidated Ind AS financial statements of WPIL Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of WPIL Limited as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of WPIL Limited (hereinafter referred to as the "Holding Company") and its associate company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal financial control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements.

Meaning of Internal Financial Controls Over Financial Reporting With Reference to these consolidated Ind AS financial statements

A company's internal financial control over financial reporting with reference to these consolidated Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting with reference to these consolidated Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with Reference to these consolidated Ind AS financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us by the Holding company's management and based on the consideration of the reports of other auditors, the holding company and its associate which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the criteria for internal financial controls over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of internal financial Controls over Financial reporting issued by the Institute of Chartered Accountants of India.

1. Corporate information

WPIL Limited ('the Company') is a public Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company's registered office is at Trinity Plaza, 3rd Floor, 84/1A, Topsia Road (South) Kolkata – 700046. Its shares are listed on the Bombay Stock Exchange Limited.

The Company and its subsidiaries (collectively referred to as 'Group'), its associate and a joint venture are principally engaged in designing, developing, manufacturing, erecting, commissioning and servicing of pumps & pumping systems. The Group caters to both domestic and international markets.

These consolidated Ind AS financial statements were approved for issue by the Board of Directors on May 28, 2021.

2. Basis of preparation and compliance with Ind AS

The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the consolidated financial statements.

The consolidated Ind AS financial statements have been prepared on a historical cost convention on accrual basis except for certain financial instruments which are measured in terms of relevant Ind AS at fair value / amortised costs at the end of each reporting period, as and wherever applicable.

The consolidated financial statements are presented in INR and all values are rounded to the nearest lacs (INR 00,000), except when otherwise indicated.

2.1 Basis of consolidation

The consolidated financial statements comprise the financial statements of the Group, its associate and a joint venture as at 31 March, 2021. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Group's voting rights and potential voting rights
- The size of the group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary.

Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)

member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31 March. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary.

Consolidation procedure:

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- (c) Eliminate in full intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intra-group losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intra-group transactions.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary
- Derecognises the carrying amount of any non-controlling interests
- Derecognises the cumulative translation differences recorded in equity
- Recognises the fair value of the consideration received
- Recognises the fair value of any investment retained
- Recognises any surplus or deficit in profit or loss
- Re-classifies the parent's share of components previously recognised in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities

2.2 Summary of significant accounting policies

a. Investments in associate and joint venture

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies.

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries.

The Group's investments in its associate and joint venture are accounted for using the equity method. Under the equity method, the investment in an associate or a joint venture is initially recognised at cost. The carrying amount of the

investment is adjusted to recognise changes in the Group's share of net assets of the associate or joint venture since the acquisition date. Goodwill relating to the associate or joint venture is included in the carrying amount of the investment and is not tested for impairment individually.

The statement of profit and loss reflects the Group's share of the results of operations of the associate or joint venture. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate or joint venture, the Group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group and the associate or joint venture are eliminated to the extent of the interest in the associate or joint venture.

If an entity's share of losses of an associate or a joint venture equals or exceeds its interest in the associate or joint venture (which includes any long term interest that, in substance, form part of the Group's net investment in the associate or joint venture), the entity discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture. If the associate or joint venture subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The aggregate of the Group's share of profit or loss of an associate and a joint venture is shown on the face of the statement of profit and loss.

The financial statements of the associate or joint venture are prepared for the same reporting period as the Group. When necessary, adjustments are made to bring the accounting policies in line with those of the Group.

After application of the equity method, the Group determines whether it is necessary to recognise an impairment loss on its investment in its associate or joint venture. At each reporting date, the Group determines whether there is objective evidence that the investment in the associate or joint venture is impaired. If there is such evidence, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate or joint venture and its carrying value, and then recognises the loss as 'Share of profit of an associate and a joint venture' in the statement of profit or loss.

Upon loss of significant influence over the associate or joint control over the joint venture, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate or joint venture upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognised in profit or loss.

b. Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle for its Production Unit or Sale of Pumps and Pumping Systems. However, for construction contracts it varies according to the terms of the contract.

c. Foreign currencies

The financial statements are presented in INR, which is the Group's functional currency.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Group at their respective functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

d. Fair value measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

e. Revenue recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services. The Group has generally concluded that it is the principal in its revenue arrangements, because it typically controls the goods or services before transferring them to the customer.

Sale of goods

Revenue from sale of goods is recognised at the point in time when control of the goods is transferred to the customer. The revenue is measured based on the consideration defined in the contract with a customer, including variable consideration, such as discounts, volume rebates, or other contractual reductions. As the period between the date on which the Group transfers the promised goods to the customer and the date on which the customer pays for these goods is generally one year or less, no financing components are considered.

The Group typically provides warranties for general repairs on all its products sold, in line with the industry practice. These assurance-type warranties are accounted for under Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets. Refer to the accounting policy on warranty provisions in section (m) Provisions.

Export entitlements are recognised when the right to receive the credits as per the terms of the schemes is established in respect of the exports made by the Group and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

Construction Contracts

Revenue on contracts is recognised using input method where revenue is accounted on the basis of the entity's efforts or inputs to the satisfaction of a performance obligation relative to the total expected inputs to the satisfaction of that performance obligation (akin to Percentage of Completion method) as per Ind AS 115.

The amount of revenue and profit recognised in a year on projects is dependent, inter alia, on the actual costs incurred, the assessment of the percentage of completion of (long-term) contracts and the forecasted contract revenue and costs to complete of each project. Furthermore, the amount of revenue and profit is influenced by the valuation of variation orders and claims.

In cases, where the current estimates of the total contract cost and revenue indicate a loss, such loss is recognized as an expense.

Contract Balances

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

A receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in section (p) Financial instruments – initial recognition and measurement.

A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Group performs under the contract.

Rendering of services

Revenue from sale of services is recognised upon the rendering of services and are recognised net of goods and service tax and other applicable taxes.

Interest income

Interest income is included in other income in the statement of profit and loss. Interest income is recognised on a time

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)

proportion basis taking into account the amount outstanding and the effective interest rate when there is a reasonable certainty as to realisation.

Dividends

Revenue is recognised when the Group's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group and the amount of dividend can be measured reliably.

Rental income

Rental income arising from operating leases is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit or loss due to its operating nature.

f. Taxes**Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Group operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except, when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except, when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Group determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty. The Group applies significant judgement in identifying uncertainties over income tax treatments.

g. Property, plant and equipment

Capital work in progress, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Land and buildings are measured at cost less accumulated depreciation on buildings and impairment losses, if any.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of the asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Depreciation is provided at rates calculated to write off cost, less estimated residual value, of each asset on a straight line basis using the estimated useful lives of the assets (determined by management based on technical estimates) as follows -

Class of Asset	Useful Lives estimated by the management
Factory Buildings	30 years
Non-Factory Buildings	3 to 60 years
Plant and equipment	10 to 40 years
Patterns and moulds	15 years
Furniture & Fixtures	10 years
Computers	3 to 6 years
Office Equipment	5 years
Vehicles	8 to 10 years

Depreciation on fixed assets added / disposed-off during the year is provided on pro-rata basis with reference to the date of addition/disposal. The management has estimated, supported by technical assessment by experts, the useful lives of certain plant and equipment which are different than those indicated in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Major inspection and overhaul costs are depreciated over the estimated life of the economic benefit derived from such cost. The carrying amount of the remaining previous overhaul cost is charge to the statement of profit and loss if the next overhaul is undertaken earlier than the previously estimated life of the economic benefit.

When significant spare parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

h. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Intangible assets with indefinite useful lives including Goodwill are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

Research and development costs

Research costs are expensed as incurred. Development expenditures on an individual project are recognised as an intangible asset when the Group can demonstrate:

- The technical feasibility of completing the intangible asset so that the asset will be available for use or sale
- Its intention to complete and its ability and intention to use or sell the asset
- How the asset will generate future economic benefits
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when development is complete, and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

During the period of development, the asset is tested for impairment annually.

i. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

j. Leases

Ind AS 116 supersedes Ind AS 17 Leases including its appendices. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to recognise most leases on the balance sheet.

The Group has adopted Ind AS 116 using the modified retrospective method of adoption under the transitional provisions of the Standards, with the date of initial application on 1st April, 2019. The Group also elected to use the recognition exemptions for lease contracts that, at the commencement date, have a lease term of 12 months or less and do not contain a purchase option (short-term leases), and lease contracts for which the underlying asset is of low value (low-value assets). The impact of adoption of Ind AS 116 on the financial statements of the Group has been described under Note 53.

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Group as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right of use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. Refer to the accounting policies in section (i) Impairment of non-financial assets.

Lease Liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

The Group's lease liabilities are included in Other financial liabilities (see Note 22 and Note 28).

Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of offices, warehouses, equipments, etc., that are of low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Group as a lessor

Lessor accounting under Ind AS 116 is substantially unchanged from Ind AS 17. Lessors will continue to classify leases as either operating or finance leases using similar principles as in Ind AS 17. Therefore, Ind AS 116 does not have an impact for leases where the Group is the lessor.

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)

k. Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- Raw materials and components: cost includes cost of purchase and other costs excluding taxes subsequently recoverable from tax authorities incurred in bringing the inventories to their present location and condition. The cost is calculated on weighted average method.
- Finished goods: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. The cost is calculated on weighted average method.
- Work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity depending upon the stages of completion, but excluding borrowing costs. The cost is calculated on weighted average method.
- Stores and spare parts: cost of purchase and other costs excluding taxes subsequently recoverable from tax authorities incurred in bringing the inventories to their present location and condition. The cost is calculated on weighted average method.
- Scrap items are valued at net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

l. Impairment of non-financial assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

The Group bases its impairment calculation on forecast calculations, which are prepared separately for each of the Group's CGUs to which the individual assets are allocated.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss.

An assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Group estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss.

m. Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Warranty provisions

Provisions for warranty-related costs are recognised on the basis of product sold or service provided to the customer. Initial recognition is based on historical experience and management's decision is based on technical advice. The initial estimate of warranty-related costs is revised annually.

Onerous contracts

If the Group has a contract that is onerous, the present obligation under the contract is recognised and measured as a provision. However, before a separate provision for an onerous contract is established, the Group recognises any impairment loss that has occurred on assets dedicated to that contract.

An onerous contract is a contract under which the unavoidable costs (i.e., the costs that the Group cannot avoid because it has the contract) of meeting the obligations under the contract exceed the economic benefits expected to be received under it. The unavoidable costs under a contract reflect the least net cost of exiting from the contract, which is the lower of the cost of fulfilling it and any compensation or penalties arising from failure to fulfil it.

n. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. After making proper assessments it has been concluded that the Group is not required to recognize a contingent liability. However, the Group discloses its existence in the financial statements and makes such assessments regularly.

o. Retirement and other employee benefits

Retirement benefit in the form of Provident Fund and Superannuation Schemes are defined contribution schemes. The Group has no obligation, other than the contribution payable to the respective funds. The Group recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Gratuity liability is funded defined benefit obligation and is provided for on the basis of actuarial valuation done on projected unit credit method at the end of each reporting period.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods. Current and non-current classification is based on the actuarial valuation report.

The Group treats accumulated leaves expected to be carried forward beyond twelve months, as long term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the end of each financial year. The Group presents the leave as current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement beyond 12 months after the reporting date. Where the Group has unconditional legal and contractual right to defer the settlement for the period beyond 12 months, the same is presented as non-current liability. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

p. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient, the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in section (d) Revenue from contracts with customers.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. The Group's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Subsequent Measurement

Subsequent measurement of financial assets is described below -

- Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Group. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

- Debt instruments at fair value through other comprehensive income (FVTOCI)

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for

categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income, subsequent changes in the fair value. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to the Statement of Profit and Loss, even on sale of investment.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Group of similar financial assets) is primarily derecognised (i.e. removed from the Group's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115
- c) Financial guarantee contracts which are not measured as at FVTPL

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade receivables, the Group applies a simplified approach in calculating ECLs. Therefore, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original Effective Interest Rate (EIR). Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss. This amount is reflected under the head 'other expenses' (or 'other income') in the Statement of Profit and Loss.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

q. Business combination

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss is recognised in Profit and Loss or OCI, as appropriate.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the Group re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and reviews the procedures used to measure the amounts to be recognised at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognised in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through OCI.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in Profit and Loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

r. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Group's cash management.

s. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. Revenue and expenses are identified to segments on the basis of their relationship to the operating activities of the segment. Revenue, expenses, assets and liabilities which are not allocable to segments on a reasonable basis, are included under "Unallocated revenue/ expenses/ assets/ liabilities". The Group has identified only two operating segments viz, "Pumps and its accessories" and "Projects (Works Contract)".

The analysis of geographical segments is based on the areas in which customers of the Group are located.

Segment accounting policies are in line with the accounting policies of the Group. In addition, the following specific accounting policies have been followed for segment reporting:

- i) Segment revenue includes sales and other operational revenue directly identifiable with/allocable to the segment including inter segment revenue.
- ii) Expenses that are directly identifiable with/allocable to segments are considered for determining the segment result.
- iii) Most of the centrally incurred costs are allocated to segments mainly on the basis of their respective expected segment revenue estimated at the beginning of the reported period.
- iv) Income which relates to the Group as a whole and not allocable to segments is included in "unallocable corporate income/ (expenditure)(net)".

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)

- v) Segment result includes margins on inter-segment capital jobs, which are reduced in arriving at the profit before tax of the Group.
- vi) Segment result includes the finance costs incurred on interest bearing advances with corresponding credit included in “unallocable corporate income/(expenditure)(net).
- vii) Segment results have not been adjusted for the exceptional item attributable to the corresponding segment. The said exceptional item has been included in “unallocable corporate income/(expenditure)(net)”. The corresponding segment assets have been carried under the respective segments without adjusting the exceptional item.
- viii) Segment revenue resulting from transactions with other business segments is accounted on the basis of transfer price which are either determined to yield a desired margin or agreed on a negotiated basis.
- ix) Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable corporate assets and liabilities represent the assets and liabilities that relate to the Group as a whole.
- x) Segment non-cash expenses forming part of segment expenses includes the fair value of the employee stock options which is accounted as employee compensation cost and is allocated to the segment.

t. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss before OCI for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

u. Investment in joint operations:

A joint operation is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the assets and obligations for the liabilities, relating to the arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

The Group has interest in certain joint operations, and accordingly, it recognizes in relation to its interest in joint operations, its:

- Assets, including its share of any assets held jointly
- Liabilities, including its share of any liabilities incurred jointly
- Revenue from the sale of its share of the output arising from the joint operation
- Share of the revenue from the sale of the output by the joint operation
- Expenses, including its share of any expenses incurred jointly

Unrealized gains and losses resulting from transactions between the Group and the joint operations are eliminated to the extent of the interest in the joint operation.

(c) There has been no change in the number of equity shares in the current year and in the corresponding previous year.

(d) Terms and Rights attached to Equity Shares

The Parent Company has issued Equity Shares having a face value of Rs 10 each. Each holder of equity shares is entitled to one vote per share. The Parent Company declares and pays dividend in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders at the ensuing Annual General Meeting and is accounted for in the year in which it is approved by the Shareholders in the General Meeting.

In the event of liquidation of the Parent Company, the holders of equity shares will be entitled to receive any of the remaining assets of the Company after distribution of all preferential amounts. The distribution will be in the proportion to the number of equity shares held by the shareholders.

The Board of Directors, in its meeting on 28th May, 2021 have proposed a final dividend of Rs.10 per equity share for the financial year ended 31st March, 2021 (31st March, 2020: Rs. 7.50 per equity share). The proposal is subject to the approval of shareholders at the forthcoming Annual General Meeting and if approved would result in a cash outflow of Rs.976.71 lacs (31st March, 2020: Rs. 732.53 lacs). Proposed dividend is accounted for in the year in which it is approved by the shareholders.

TOTAL	99,483.06	90,888.72

* Sale of Products are stated net of discounts, trade incentives, GST, etc.

Disaggregated revenue information
Timing of revenue recognition

Goods transferred at a point in time	75,832.00	56,305.41
Services transferred over time	22,115.77	33,808.89
	97,947.77	90,114.30

For revenue disaggregated based on geographical information, refer note 54

Performance Obligation

Sale of Products

The performance obligation is recognised at the point in time when control of the goods - pumps, pumping systems and spares is transferred to the customer and the payment is generally due within 30 to 90 days from such delivery.

Sale of Services

The performance obligation is satisfied over-time and payment is generally due upon completion of erection, commissioning and servicing services by the Group and its due acceptance by the customer.

Construction Contracts

The performance obligation is satisfied over-time and calculated based on percentage completion method when the outcome of the contract can be estimated reliably. Payment is generally based on financial milestones as per terms set out in the contract and its due acceptance by the customer.

Basic & Diluted Earnings per Share from continuing operations (Rs.)	73.31	58.64
Basic & Diluted Earnings per Share from discontinued operation (Rs.)	12.87	(1.09)
Basic & Diluted Earnings per Share from continuing operations and discontinued operation (Rs.)	86.19	57.56

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)

41. 41.1 Significant accounting judgements, estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

41.2 Employee benefit plans

Gratuity: The cost of defined benefit gratuity plan and its present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increase and mortality rates. Due to the complexities involved in the valuation and its long-term nature, an employee benefit obligation is highly sensitive to changes in these assumptions particularly the discount rate and estimate of future salary increase. All assumptions are reviewed at each reporting date. The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds. The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases are based on expected future inflation rates.

Further details about gratuity obligations are given in Note 42.1.

Leave Encashment: The Parent Company has a policy on Leave Encashment which is accumulating in nature. The Expected Cost of Accumulated Leave Encashment is determined by Actuarial Valuation performed by an independent actuary using Project Unit Credit Method as per Ind AS 19 on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the Balance Sheet date.

Further details about leave encashment obligations are given in Note 42.2.

The Code on Social Security 2020 (Relating to employee benefits during and post employment) has received the President's assent in the month of September 2020 but has not yet been made effective. The Parent Company shall analyse its impact on the financial statements as and when it is made effective and give the effect of the same to its financial statements accordingly.

41.3 Warranty

Warranty costs are accrued at the time the products are sold. The Group estimates the provision for warranty based on past trend of actual sale of pumps. As at 31st March, 2021, the estimated liability towards warranty amounted to approximately Rs. 1,411.11 lacs (31st March, 2020: Rs. 1,475.23 lacs)

41.4 Estimation of expected useful lives and residual values of property, plant and equipment

Property, plant and equipment are depreciated at historical cost using straight-line method based on the estimated useful life, taking into account residual value. The asset's residual value and useful life are based on the Group's best estimates and reviewed, and adjusted if required, at each Balance Sheet date.

41.5 Revenue from Construction Contracts

Contract Revenue is recognised under 'percentage of completion method'. When the outcome of a construction contract can be estimated reliably contract revenue and contract costs associated with the construction contracts are recognised as revenue and expenses respectively by reference to the stage of completion of the contract activity.

Individual project budgets are reviewed regularly with project leaders to ensure that cost estimates are based upon upto date and as accurate information as possible, and take into account any relevant historic performance experience. Furthermore, all completed projects are reviewed to ensure that all relevant costs have been recorded/accrued at the time of project completion in the relevant period and that no further costs will be incurred in addition to the above costs.

Contract variations are recognized as revenues to the extent that it is probable that they will result in revenue which can be reliably measured, which requires the exercise of judgment by management based on prior experience, application of contract terms and relationship with the contract owners. Claims are recorded as revenues when negotiations have reached to an advance stage such that it is probable, the customer will accept the claim and amount can be measured reliably, which requires the exercise of judgment by management based on prior experience.

For further details, Refer Note 55.

41.6 Provision for Expected Credit Losses

The Group measures Expected Credit Loss (ECL) for financial instruments based on historical trend, industry practices and the business environment in which the Group operates. The Group bases the estimates on the ageing and credit-worthiness of the receivables and historical write-off experience and variation in the credit risk on year to year basis. The assumptions and estimates applied for determining the provision for impairment are reviewed periodically. For further details refer note 50.

41.7 Fair Value measurement of financial instruments

When the fair values of financial assets and liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair values are measured using valuation techniques including the discounted cash flow Model, which involves various judgements and assumptions.

41.8 Impairment of non financial assets (including intangible assets and goodwill)

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm’s length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model. The carrying amounts of the Group’s non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the recoverable amounts of cash-generating units are determined based on value in use calculations. These calculations require the use of estimates such as discount rates and growth rates.

42. 42.1 Gratuity and other post-employment benefit plans

- a) The Parent Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service is entitled to gratuity on terms not less favourable than the provisions of The Payment of Gratuity Act, 1972. The scheme is funded with an insurance company in the form of qualifying insurance policy.

The following table summarises the components of net benefit expenses recognised in the Statement of Profit and Loss and the funded status and amounts recognised in the Balance Sheet for the post retirement benefit plans (Gratuity).

Statement of Profit and Loss

Net employee benefit expense recognized in the employee cost

(Rs. in Lacs)

Investment with insurer	100%	100%

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)

The principal assumptions used in determining gratuity obligations for the Company's plans are shown below:

Particulars	Year ended 31st March, 2021	Year ended 31st March, 2020
1. Discount rate	0.30% - 1.50%	0.55% - 0.80%
2. Mortality rate	TH/TF00-02	TH/TF00-02
3. Salary Increment	1.25% - 2.25%	1.50% - 2.25%

The estimates of future salary increases considered in actuarial valuation takes account of inflation and real salary increase of 0.75% -1.30%.

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled.

The basis of various assumptions used in actuarial valuation and their quantitative sensitivity analysis is as shown below :

Particulars	Year ended 31.03.2021		Year ended 31.03.2020	
Assumptions	Discount rate		Discount rate	
Sensitivity level	0.25% increase	0.25% decrease	0.25% increase	0.25% decrease
Defined Benefit Obligation of Gratuity after change in assumptions	(130.57)	139.29	(139.46)	147.35

Particulars	Year ended 31.03.2021		Year ended 31.03.2020	
Assumptions	Future salary increase		Future salary increase	
Sensitivity level	0.50% increase	0.50% decrease	0.50% increase	0.50% decrease
Defined Benefit Obligation of Gratuity after change in assumptions	28.47	(25.98)	23.83	(22.58)

42.2 The following table summarises the components of net benefit expenses recognised in the Statement of Profit and Loss and the unfunded status and amounts recognised in the Balance Sheet for the post retirement benefit plans (Leave Encashment).

Statement of Profit and Loss

(Rs. in Lacs)

- Arising from changes in demographic assumptions	—	(0.04)
- Arising from changes in financial assumptions	(1.25)	7.70
Present value of Defined Benefit Obligation at the end of the year	146.95	190.02

Changes in Fair value of Plan Assets during the year

(Rs. in Lacs)

Particulars	Year ended 31st March, 2021	Year ended 31st March, 2020
Plan assets at the beginning of the year	—	—
Expected return on Plan assets	—	—
Contribution by employer	25.69	27.21
Actual benefits paid	(25.69)	(27.21)
Actuarial gains / (losses)	—	—
Plan assets at the end of the year	—	—

The principal assumptions used in determining leave encashment obligations for the Company's plans are shown below:

Particulars	Year ended 31st March, 2021	Year ended 31st March, 2020
1. Discount rate	6.70%	6.50%
2. Mortality rate	100%	100%
3. Attrition rate	2.00%	2.00%
4. Salary Increment	5.00%	5.00%

The estimates of future salary increases considered in actuarial valuation takes account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)

(Rs. in Lacs)

The basis of various assumptions used in actuarial valuation and their quantitative sensitivity analysis is as shown below :

Particulars	Year ended 31.03.2021		Year ended 31.03.2020	
	Discount rate		Discount rate	
Sensitivity level	1% increase	1% decrease	1% increase	1% decrease
Defined benefit Obligation of Leave Encashment after change in assumptions	141.14	153.48	181.50	199.65

Particulars	Year ended 31.03.2021		Year ended 31.03.2020	
	Future salary increase		Future salary increase	
Sensitivity level	1% increase	1% decrease	1% increase	1% decrease
Defined benefit Obligation of Leave Encashment after change in assumptions	154.23	140.38	200.65	180.49

43. The carrying amount of Goodwill as at 31st March, 2021 is Rs. 6,117.07 Lacs. Before the year end, the management has tested the carrying amount of goodwill for impairment. The management has also performed sensitivity analysis around the base assumptions and have concluded that no reasonable changes in key assumptions would cause the recoverable amount of the CGU to be less than the carrying value.

44. Capital and other commitments

Estimated amount of contracts remaining to be executed on Capital Account and not provided for (net of Advances) is NIL (31st March 2020: Rs. 23.18 lacs).

45. Contingent Liabilities

(Rs. in Lacs)

Particulars	As at	As at
	31st March, 2021	31st March, 2020
Claims against the Company not acknowledged as debts	22.53	21.72
Contingent liabilities not provided for in Financial Statements in respect of following:		
- Income Tax matters under appeal	50.67	91.57
- Excise Duty & Service Tax matters under dispute *	2,513.88	1,736.25
- Collaterals given	1,099.80	1,632.01
- Bank Guarantee outstanding	30,399.47	26,343.34
Total	34,086.35	29,824.89

* The above amount excludes penalty and interest on the demand.

46 Research and Development Expenses

Research and Development Expenses incurred by Parent Company relating to revenue nature aggregating to Rs. 156.38 lacs (31st March 2020: Rs 167.89 lacs) have been charged to respective heads of accounts in the Statement of Profit and Loss, and relating to capital nature aggregating to Nil (31st March 2020: Rs 1.18 lacs) under different heads in Property, Plant & Equipment and Intangible assets in the Balance Sheet.

(Rs. in Lacs)

50. Financial risk management objectives and policies

The Group's financial liabilities comprise loans and borrowings, trade and other payables etc. The main purpose of these financial liabilities is to finance the Group's operations. The Group's financial assets include trade and other receivables, cash and cash equivalents, that derive directly from its operations.

The Group is exposed to market risk, credit risk and liquidity risk. The Group has a risk management policy, and its management is supported by a Risk management committee. The Risk management committee provides assurance to the Group's management that the Group's risk activities are governed by appropriate policies and procedures and that the financial risks are identified, measured and managed in accordance with Group's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks which are summarised below :

50.1 Market risks :

Market risk is the risk that the fair value of future cash flow of a future instrument will fluctuate because of changes in market prices. Market risk comprises of three types of risks, currency risk, interest rate risk and other price risk such as commodity price risk and equity price risk. Financial instrument affected by market risk include trade payables, trade receivables, borrowings etc.

50.2 Interest rate risk :

The Group's exposure to the risk of changes in market interest rates relate primarily to the company's debt.

Interest rate sensitivity :

The following table demonstrates the sensitivity to a reasonable possible change in interest rates. With all other variables held constant, the Group's profit before tax is affected through the impact of floating rate as follows :

(Rs. in Lacs)

Particulars	Increase/decrease in basis points	Effect on profit before tax +/-
31st March, 2021	50 basis points	163.21
31st March, 2020	50 basis points	128.76

50.3 Foreign Currency Risk:

Foreign Currency Risk is the risk that the fair value or future cash flow of an exposure will fluctuate because of changes in foreign exchange rates. The Group's exposure to the risk of change in the foreign exchange is detailed below :

(Rs. in Lacs)

Particulars	Currency	Increase/ decrease in basis points	Effect on profit before tax +/-	
			Year ended 31st March, 2021	Year ended 31st March, 2020
Trade payables	USD	50 basis points	(10.70)	(2.30)
Trade payables	EURO	50 basis points	(20.94)	—
Trade payables	GBP	50 basis points	(0.01)	(0.07)
			(31.65)	(2.37)
Trade receivables	USD	50 basis points	1.30	4.05
Trade receivables	EURO	50 basis points	—	—
Trade receivables	KWD	50 basis points	1.34	1.33
			2.64	5.38

50.4 Credit risk:

Credit risk is the risk that counterparty will not meet its obligation under a financial instrument or a customer contract leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily trade receivables).

Trade receivables :

Customers' credit risk is managed by the respective department subject to Group's established policy, procedure and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit limits as defined by the Group. Outstanding customers' receivables are regularly monitored.

An impairment analysis is performed at each reporting date on an individual basis. The calculation is based on historical data of credit losses.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)

The ageing analysis of receivables (gross of provisions) has been considered from the date the invoice falls due.

(Rs. in Lacs)

Less- Allowance for Bad and Doubtful debtors					1,230.72
Total					36,744.61

The movement of Trade Receivables and Expected Credit Loss are as follows:

(Rs. in Lacs)

Particulars	As at 31st March, 2021	As at 31st March, 2020
Trade Receivables (Gross)	37,269.47	37,975.33
Expected Credit Loss	928.04	1,230.72
Trade Receivables (Net)	36,341.43	36,744.61

50.5 Liquidity risk :

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligation or at a reasonable price. The Group's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are monitored by Group's senior management. Management monitors the Group's net liquidity position through rolling forecast on the basis of Group's expected cash flow.

The Group's objective is to maintain a balance between the continuity of funding and flexibility through the use of cash credit, bank loans amongst others.

Maturity profile of Financial Liabilities :

The table below provides details regarding remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscovered payments : (Rs. in Lacs)

Financial liabilities	0-1 year	More than 1 Year	Total
As at 31st March, 2021 :			
- Borrowings (including current maturities and interest payable in future)	12,945.20	16,032.05	28,977.24
- Trade payables	25,225.81	—	25,225.81
- Other financial liabilities	2,851.32	2,654.93	5,506.25
- Total	41,022.33	18,686.98	59,709.30
As at 31st March, 2020 :			
- Borrowings	19,517.76	20,127.85	39,645.62
- Trade payables	22,442.93	—	22,442.93
- Other financial liabilities	4,784.88	2,316.71	7,101.59
Total	46,745.57	22,444.56	69,190.14

51. Capital management

For the purpose of Group's capital management, capital includes issued equity capital and all other equity reserves attributable to equity holders. The primary objective of the Group's capital management is to maximise the shareholder value and keep the debt equity ratio within acceptable range.

The Group manages its capital structure and makes adjustment in the light of changes in economic conditions and the requirement of financial covenants. The Board of Directors seeks to maintain prudent balance between different components of the Group's capital. Net debt is defined as current and non current borrowings (including current maturities of long term debts and interest accrued) as reduced by cash and cash equivalents.

Particulars	As at 31st March, 2021	As at 31st March, 2020
Net Debt (Rs. In lacs)	18,469.68	33,488.51
Total equity (Rs. In lacs)	58,989.42	48,128.97
Net debt Plus Total equity (Rs. In lacs)	77,459.10	81,617.48
Gearing ratio	0.31	0.70

52. Categorization of Financial Instruments:

The fair value of the financial assets (other than investment in Joint Venture and Associate) and liabilities approximates their carrying amounts as at the Balance Sheet date.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)

53. Leases

Group as Lessee

The Group has applied Ind AS 116 Leases for the first time in FY 2019-20. The nature and effect of the changes as a result of adoption of this new accounting standard is described in the Note 2(j) of the Accounting Policies.

Impact on Balance Sheet (Increase/Decrease)

(Rs. in Lacs)

	Year ended 31st March, 2020	Year ended 31st March, 2019
Assets		
Right-Of-Use Asset	3,563.87	3,485.20
Liabilities		
Lease Liabilities	2,967.27	2,977.13

Impact on Statement of Profit & Loss (Decrease in Profit)

(Rs. in Lacs)

	Year ended 31st March, 2020
Depreciation and Amortisation	880.20
Other Expenses	(973.72)
Finance Cost	144.19
Income Tax Expense	—
Profit for the year	50.67

Impact on Statement of Cash Flows

(Rs. in Lacs)

	Year ended 31st March, 2020
Payment of Principal Portion of Lease Liabilities	851.91
Payment of Interest Portion of Lease Liabilities	144.19
Net cash flows used in Financing Activities	996.10

There is no material impact on Other Comprehensive or the basic and diluted earnings per share.

The Group has lease contracts for various properties used in its operations having lease terms of 5-6 years. The Group's obligations under its leases are secured by the lessor's title to the leased assets. Generally, the Group is restricted from assigning and subleasing the leased assets.

The Group also has certain leases of properties with lease terms of 12 months or less and leases of properties with low value. The Group applies the 'short-term lease' and 'lease of low-value assets' recognition exemptions for these leases.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)

(Rs. in Lacs)

Set out below are the carrying amounts of Right-of Use Assets recognized and the movements during the financial year 2019-20

	Year ended 31st March, 2020
Opening Balance (including initial recognition on adoption of Ind AS 116)	3,485.20
As at 1st April, 2019	3,485.20
Adjustments relating to previous years	130.59
Additions during the year	727.54
Depreciation Expense	887.35
Exchange rate effect	107.89
As at 31st March, 2020	3,563.87

Set out below are the carrying amounts of Lease Liabilities recognized and the movements during the year (Rs. in Lacs)

	Year ended 31st March, 2021	Year ended 31st March, 2020
As at 1st April	2,967.27	2,977.13
Additions during the year	689.75	720.80
Accretion of Interest	135.92	144.19
Payments	(1,044.63)	(996.10)
Exchange rate effect	47.16	121.25
As at 31st March	2,795.46	2,967.27
Current	780.42	826.89
Non Current	2,015.04	2,140.38

The maturity analysis of Lease Liabilities are disclosed in Note 50

For the Parent Company the effective interest rate for Lease Liabilities is 8% with maturity between 2021-22. For one of the Subsidiary Company the effective interest rate for Lease Liabilities is 2.5%.

The following are the amounts recognised in the Statement of Profit & Loss (Rs. in Lacs)

	Year ended 31st March, 2021	Year ended 31st March, 2020
Depreciation Expense of Right-of-Use Assets	877.49	887.35
Interest Expense on Lease Liabilities	135.92	144.19
Expense relating to Other Leases (included in Other Expenses)	949.14	1,235.87
Total amount recognized in Statement of Profit & Loss	1,962.56	2,267.40

Group as Lessor

The Parent Company has entered into operating lease of its property having lease term of 11 months. The lease contract includes extension clause and a clause to enable upward revision of the rental charge by 5% on such extension. Rental income recognised by the Parent Company during the year is Rs 30.07 lacs (Rs 28.52 lacs during the year ended March 31, 2020).

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)
54. Disclosure as required by Ind AS 108, Operating Segments

Operating Segment based on Group's business line have been identified by Chief Operating decision maker as "Pumps and Accessories" and Projects (Works Contract)" as Segments. Consolidated segment-wise information are as follows:-

(Rs. in Lacs)

Particulars	31st March, 2021	31st March, 2020

Total	2,407.79	15,682.71

Geographical Information

(Rs. in Lacs)

Particulars	31st March 2021	31st March 2020
Revenue from external customers		
- Within India	33,956.56	35,304.71
- Outside India	65,526.50	55,584.01
Total	99,483.06	90,888.72
Non current asset *		
- Within India	5,053.98	10,454.81
- Outside India	44,208.45	40,985.14
Total	49,262.43	51,439.95

* Represents amount excluding financial assets and tax assets

The revenue information is based on the location of the customers.

55. Disclosure in accordance with Indian Accounting Standard - 115, Construction Contracts

(Rs. in Lacs)

Particulars	As at 31st March, 2021	As at 31st March, 2020
Contract Assets	17,640.20	11,093.04
Contract Liabilities	22,805.91	16,776.54

(i) **Significant changes in contract assets and liabilities**

Contract assets are initially recognized for revenue earned from designing, developing, manufacturing, erecting, commissioning and servicing of pumps & pumping systems as receipt of consideration is conditional on successful completion of above milestones. Upon completion and acceptance by the customer, the amounts recognized as contract assets are reclassified to trade receivables.

The increase in contract assets in FY 2020-21 is the result of the increase in ongoing supply, erection and commissioning services at the end of the year.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)

Contract liabilities include advances received/advanced billing majorly in connection with supply, erection and commissioning services of pumps & pumping systems.

Other than above, there was further increase in advance received from customers other than for construction projects during the year amounting to Rs. 6,835.56 Lacs.

(ii) Revenue recognised in relation to contract liabilities

The following table shows the amount of revenue recognised in the current reporting period which relates to carried-forward contract liabilities :

(Rs. in Lacs)

Particulars	Year ended 31st March, 2021	Year ended 31st March, 2020
Amounts included in contract liabilities at the beginning of the year	16,776.54	17,021.02

(iii) Unsatisfied performance obligations

The following table shows unsatisfied performance obligations resulting from construction contracts - (Rs. in Lacs)

Particulars	As at 31st March, 2021	As at 31st March, 2020
Transaction price allocated to unsatisfied performance obligations		
- Within one year	83,587.63	53,763.63
- More than one year	63,158.86	14,290.61
	<u>146,746.49</u>	<u>68,054.24</u>

The Group expects that 57% of the transaction price allocated to unsatisfied performance obligations as at 31st March, 2021 will be recognized within one year based on the tenure of the project and expected work completion stage. Balance portion is expected to be received after one year without any significant delay.

Other than construction contracts, all other contracts have original expected duration of one year or less. As permitted under Ind AS 115, transaction price allocated to these unsatisfied contracts has not been disclosed.

56. a) The consolidated Ind AS financial statements include the Group's share of net gain of Rs. 68.04 lacs for the year ended 31st March, 2021 in respect of a joint venture whose financial statements and other financial information have not been audited and whose unaudited financial statements and other financial information have been certified by the management of the Parent Company.
- b) The financial statements and other financial information, in respect of two (2) direct subsidiaries, one (1) subsidiary of Sterling Pumps Pty Limited, two (2) subsidiaries of Aturia International Pte Limited (AIPL), three (3) subsidiaries of WPIL SA Holdings Pty Limited (SAHPL) and consolidated financial statement of one (1) subsidiary of AIPL including its two (2) subsidiaries, whose financial statements include total assets of Rs. 83,817.64 lacs as at 31st March, 2021 and total revenues of Rs. 64,808.69 lacs, total net profit after tax of Rs.3,679.38 lacs, total comprehensive income of Rs. 5,051.13 lacs and net cash inflows of Rs. 4,801.65 lacs for the year ended on that date, have been audited by other auditors, whose financial statements, other financial information and auditor's reports have been furnished by the management of the Parent Company. Further, the financial statements and other financial information, in respect of one (1) associate, whose financial statements reflect net gain of Rs. 148.47 Lacs and total comprehensive income of Rs. 148.47 Lacs for the year ended 31st March, 2021 have been audited by other auditor, whose financial statements, other financial information and auditor's report have been furnished by the management of the Parent Company.

NOTES TO THE CONSOLIDATED IND AS FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2021 (contd.)

57. The consolidated Ind AS financial statements include figures for five (31st March 2020 : six) joint operations whose financial statements include total assets of Rs. 6,875.99 lacs and Rs. 8,643.97 lacs as at 31st March, 2021 and 31st March, 2020 respectively, and total revenues of Rs. 9,398.81 lacs and Rs. 14,028.01 lacs, total net profit of Rs. Nil and Rs. Nil, total comprehensive income of Rs. Nil and Rs. Nil, and net cash inflows/(outflows) of Rs. (396.83) lacs and Rs. (8.97) lacs for the year ended 31st March, 2021 and 31st March, 2020 respectively, as considered in the audited financials which have been reviewed by their respective other auditors.

58. **Distribution of Dividend** (Rs. in Lacs)

Particulars	Year ended 31st March, 2021	Year ended 31st March, 2020
Dividend on Equity shares declared and paid :		
Final dividend for the year ended 31 March, 2021 :		
Rs 7.50 per share (31 March, 2020 : Rs 7.50 per share)	732.53	732.53
Dividend distribution tax on final dividend	—	150.57
	883.10	883.10
Proposed dividend on Equity shares :		
Proposed dividend for the year ended 31 March, 2021 :		
Rs 10.00 per share (31 March, 2020 : Rs 7.50 per share)	976.71	732.53
	976.71	732.53

This proposed dividend is subject to the approval of shareholders in the ensuing Annual General Meeting

59. The Parent Company entered into a binding business transfer agreement with Hindusthan Udyog Limited (HUL) on July 14, 2017 for acquisition of its Nagpur Unit which involved transfer of leasehold land, movable assets, related liabilities and other assets as stated in the agreement. The proposed acquisition would enable the Parent Company in its backward integration for manufacture of pumps. It was approved by the Board of Directors at its meeting held on July 14, 2017 and was intimated to stock exchanges on the same date. The Purchase consideration has been agreed upon between the parties based on Independent Valuation Report. The Parent Company has advanced Rs. 4,200 Lacs towards the transaction which is currently outstanding as at 31st March, 2021.

In order to complete the transaction, the Parent Company requires approval from Maharashtra Industrial Development Corporation (MIDC) for transfer of land. The Parent Company could not submit its request to MIDC for transfer of Land, due to ongoing labour dispute at HUL which got settled only in February, 2020. The process of submitting the request further got delayed due to outbreak of coronavirus pandemic in India since March 2020.

Considering that approval of MIDC is a substantive process to complete the acquisition and is not a mere administrative formality, the Parent Company has not accounted for such acquisition as on 31st March, 2021, to comply with Ind AS 103. The acquisition accounting shall be done once the Parent Company gets MIDC approval and all substantive process for transfer of business is completed.

- 61.** On account of the outbreak of COVID-19 virus, the Government of India/Government of respective countries had imposed a nation-wide lockdown in the month of March 2020 leading to temporary shut-down of the Group's manufacturing facilities and operations. Since then the respective Governments has progressively relaxed lockdown conditions and has allowed industries and businesses to resume operations and the Group has commenced its manufacturing and project operations across all its plants and project sites in a phased manner from early May 2020 after obtaining permissions from appropriate government authorities. The management has assessed its liquidity position as on March 31, 2021 and does not anticipate any challenge in the Group's ability to continue as a going concern including recoverability of the carrying value of its property, plant and equipment and intangible assets. The impact of the pandemic in the subsequent periods is highly dependent on the situations as they evolve, and hence eventual impact may be different from that estimated as at the date of approval of these financials.
- 62.** The profit on account of discontinued operations represents Profit on Sale of Fixed Assets of Mathers Foundry Limited (the step down subsidiary of Parent Company). Accordingly, the loss of discontinued operation for the previous year ended has also been regrouped.
- 63.** Corresponding previous year figures for year ended has been regrouped and recasted wherever necessary.
