

## Mallcom (India) Limited

### COMPANY BACKGROUND.....

- Incorporated in 1983, Mallcom (India) Limited is one of India's largest manufacturers and distributors of Personal Protective Equipment Products, specializing in providing expert solutions across multiple business segments.
- Starting from humble beginning, it now provides a one-stop solution for manufacturing one of the widest range of head-to-toe PPE products from helmets, eyewear, ear protection, face masks, safety garments, gloves, shoes, and many more.
- The company is also one of the largest exporters of PPE products from India exporting to 55+ countries across 6 continents.
- It has an expansive manufacturing footprint with 13 production facilities spread across India and captive test labs that ensure quality standards.

### BUSINESS MIX (As on Q1FY26).....

- Safety Shoes (45%): These are required where the potential for serious injury to the foot may result from an employee's daily job duties.
- **Garments (24%):** The company has a diverse workwear range like healthcare, heavy workwear range, winter range, monsoon range, etc.
- Hand Protection/ Safety Gloves (27%): These typically consist of leather and
  nitrile gloves. Leather gloves have a backward integrated leather tannery, which
  reduces costs and ensures quality. They are perfect for protection from sharp
  objects, sparks, and heavy-duty work requirements. The optimum times to use
  nitrile gloves are when there is a need for higher applications requiring light
  chemical protection, cut resistance, or a disposable glove solution. Nitrile gloves
  protect against the majority of chemicals and infectious agents.
- Others (4%): These include items from the head protection category, such as helmets, face masks, and some fall prevention equipment.

### KEY STRENGTHS.....

- Strong clientele across the Globe like Ansell, Indian Oil, Honeywell, CEAT, etc.
- One of the broadest ranges of protective gear available, serving a variety of sectors including oil and gas, construction, chemical, auto ancillary, and many others
- Experienced Management with nearly 4 decades of Industry experience.
- 13 manufacturing units across India, equipped with best-in-class machinery
- Dedicated R&D centers and teams for product innovation and improvement
- New range of product launches every season
